## DIVISION III PHILOSOPHY STATEMENT

Colleges and universities in Division III place highest priority on the overall quality of the educational experience and on the successful completion of all students' academic programs. They seek to establish and maintain an environment in which a student-athlete's athletics activities are conducted as an integral part of the student-athlete's educational experience, and in which coaches play a significant role as educators. They also seek to establish and maintain an environment that values cultural diversity and gender equity among their student-athletes and athletics staff. To achieve this end, Division III institutions:

- (a) Expect that institutional presidents and chancellors have the ultimate responsibility and final authority for the conduct of the intercollegiate athletics program at the institutional, conference and national governance levels; (*Adopted: 1/16/10 effective 8/1/10*)
- (b) Place special importance on the impact of athletics on the participants rather than on the spectators and place greater emphasis on the internal constituency (e.g., students, alumni, institutional personnel) than on the general public and its entertainment needs;
- (c) Shall not award financial aid to any student on the basis of athletics leadership, ability, participation or performance; (*Revised: 7/24/07*)
- (d) Primarily focus on intercollegiate athletics as a four-year, undergraduate experience; (*Adopted: 1/14/12*)
- (e) Encourage the development of sportsmanship and positive societal attitudes in all constituents, including student-athletes, coaches, administrative personnel and spectators;
- (f) Encourage participation by maximizing the number and variety of sport offerings for their students through broad-based athletics programs; (*Revised: 1/14/12*)
- (g) Assure that the actions of coaches and administrators exhibit fairness, openness and honesty in their relationships with student-athletes;
- (h) Assure that athletics participants are not treated differently from other members of the student body;
- (i) Assure that student-athletes are supported in their efforts to meaningfully participate in nonathletic pursuits to enhance their overall educational experience; (*Adopted: 1/14/12*)
- (j) Assure that athletics programs support the institution's educational mission by financing, staffing and controlling the programs through the same general procedures as other departments of the institution. Further, the administration of an institution's athletics program (e.g., hiring, compensation, professional development, certification of coaches) should be integrated into the campus culture and educational mission; (*Revised: 1/9/06 effective 8/1/06*)
- (k) Assure that athletics recruitment complies with established institutional policies and procedures applicable to the admission process; (*Adopted: 1/12/04 effective 8/1/04*)
- (l) Exercise institutional and/or conference autonomy in the establishment of initial and continuing eligibility standards for student-athletes; (*Adopted: 1/14/12*)
- (m) Assure that academic performance of student-athletes is, at a minimum, consistent with that of the general student body; (*Adopted: 1/9/06 effective 8/1/06*)
- (n) Assure that admission policies for student-athletes comply with policies and procedures applicable to the general student body; (*Adopted: 1/9/06 effective 8/1/06*)
- (o) Provide equitable athletics opportunities for males and females and give equal emphasis to men's and women's sports;
- (p) Support ethnic and gender diversity for all constituents; (*Adopted: 1/12/99*)
- (q) Give primary emphasis to regional in-season competition and conference championships; and
- (r) Support student-athletes in their efforts to reach high levels of athletics performance, which may include opportunities for participation in national championships, by providing all teams with adequate facilities, competent coaching and appropriate competitive opportunities.

The purpose of the NCAA is to assist its members in developing the basis for consistent, equitable competition while minimizing infringement on the freedom of individual institutions to determine their own special objectives and programs. The above statement articulates principles that represent a commitment to Division III membership and shall serve as a guide for the preparation of legislation by the division and for planning and implementation of programs by institutions and conferences.

## I. MANUAL FORMAT

### LARGE PAGE/LARGE TYPE

The 8½ x 11-inch page size and large type size facilitate effective and efficient use of the Manual.

### ARTICLE TABLE OF CONTENTS

At the beginning of each article an abbreviated table of contents assists the user in locating specific information. NOTE: The PDF version of this Manual will hyperlink directly to the displayed page number.

### GENERAL PRINCIPLES

General principles that are considered of particular importance in helping the user understand the rationale for the detailed regulations that follow are presented at the beginning of appropriate articles.

### DEFINITIONS AND APPLICATIONS

Following the general principles in most articles is a section in which definitions and applications are provided for a number of the more important words or terms used in that article.

### DECIMAL NUMBERING WITH TOPIC HEADINGS

The decimal numbering system provides efficiency and flexibility. Section headings, to at least the fourth subsection level, and for further subsections where appropriate, assist the user in identifying the section content, thus facilitating ready access to pertinent regulations. This system also facilitates a "hanging indentation" presentation, which helps the reader relate the subsections to the basic section.

### VOTING REQUIREMENTS

Symbols for voting requirements appear after each regulation. See page x for a complete explanation of all symbols.

### BLEED TABS

A "bleed tab" on each page helps the user turn to the desired article quickly.

### Administrative Bylaws

Articles 31 and 32 are administrative bylaws, which set forth policies and procedures for the implementation of (a) the NCAA championships and the business of the Association and (b) the Association's enforcement program. These administrative bylaws may be adopted or modified by the Division III Presidents Council or Management Council (on recommendation of the Committee on Infractions, enforcement policies and procedures; and executive regulations) for the efficient administration of the activities that they govern. These same bylaws also may be amended by a majority vote of the membership at NCAA Conventions.

### III. VOTING REQUIREMENTS FOR MANUAL

The Manual attempts to present all regulations on a given subject in logical order. As a result, different paragraphs in the same sections may carry different voting requirements. The following terms designate voting requirements currently in effect for sections in the Manual:

- **Dominant provision** — Legislation that is derived from the constitution in the 1988-89 Manual (the Manual format that was employed until the membership approved the revised format at the 1989 Convention). All such legislation is identified by an asterisk **[\*]** and requires a two-thirds majority vote of the total membership (present and voting) for adoption or amendment.
- **Common provision** — Legislation that is derived from the common bylaws (9, 10, 12 and 13) in the 1988-89 Manual. All such legislation is identified by a pound sign **[#]** and requires a majority vote of each of the three divisions, voting separately, for adoption or amendment.
- **General provision** — Legislation that applies to all three divisions and that requires a simple majority vote of all divisions, voting jointly, for adoption or amendment (e.g., enforcement procedures, some executive regulations). Such legislation is identified by a plus sign **[+]**.
- **Division dominant** — A division dominant provision is one that applies to all members of a division and is of sufficient importance to the division that it requires a two-thirds majority vote of all delegates present and voting at a division's annual or special Convention. Division dominant provisions are identified by a diamond symbol **[◆]**.

Note: The authorization for adoption and amendment of each of the administrative bylaws (31 and 32) is set forth in a note at the beginning of each of those bylaws, as provided in Constitution 5.2.3.1, 5.2.3.2 and 5.2.3.3.

Amendments to existing sections of the Manual have the same voting requirement as the section does now. The Executive Committee is authorized to establish the voting requirement for any new section when the content or context does not clearly determine it. The authorization for this is set forth in Constitution 5.3.8.1.

#### IV. DE MINIMIS AND RESTITUTION VIOLATIONS

- **De Minimis** — Violations of articles designated by a capital letter D in brackets and bold font [**D**] at the end of the legislative language shall be considered institutional violations per Constitution 2.8.1; however, the involved prospective student-athlete's or student-athlete's eligibility shall not be affected.
- **Restitution** — For violations of articles designated by a capital letter R in brackets and bold font [**R**] at the end of the legislative language, if the value of the benefit provided to the individual (prospective or enrolled student-athlete) is \$200 or less, the eligibility of the individual shall not be affected conditioned upon the individual repaying the value of the benefit to a charity of his or her choice. The individual, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the individual repays the benefit. Violations of such provisions remain institutional violations per Constitution 2.8.1, and documentation of the individual's repayment shall be forwarded to the enforcement services staff with the institution's self-report of the violation.

#### V. DIAGRAMS AND TABLES

Diagrams and tables are included as supplements to the text to help present the content of certain regulations in a clear and concise manner. They are presented as "Figures" and are listed on page vi. All diagrams and tables related to a given article of the constitution or a particular bylaw have been placed at the back of the article or bylaw.

#### VI. LEGISLATION THAT IS SHADED

Legislation that was adopted at the 2017 NCAA Convention is set off by a gray background and contains the date of adoption or revision. Incorporations of interpretations, noncontroversial amendments and modifications of wording approved by the Council are set off by a gray background and include an adoption or revision date.

#### VII. NOTATION OF LEGISLATION WITH DELAYED EFFECTIVE DATE

Legislation with a delayed effective date (e.g., legislation that did not have an immediate effective date) is enclosed in a box and set off by a gray background. The first item in each box is a notation of the action taken at a Convention and the date the amendment becomes effective. It will be shaded. The legislation currently applicable appears before the delayed legislation and does not have a gray background. The legislation as amended, scheduled to take effect at a later date, is next and is set off by a gray background. Because this Manual is effective August 1, 2017, the only legislation that will be shown in this manner is that which is to be effective on any date after August 1, 2017.

## VIII. ORGANIZATION OF THE NCAA MANUAL

Divisions I, II and III each have a master Manual containing Articles 1-32. Each division's Manual contains legislation specific to the applicable division and does not contain legislation pertaining only to one or both of the other divisions. However, legislation that includes references to one or both of the other divisions will appear in its entirety. In addition, since each division's Manual does not contain legislation specific to the other division(s), some bylaws may have gaps in the numbering sequence.

## 2.01 General Principle. [\*]

Legislation enacted by the Association governing the conduct of intercollegiate athletics shall be designed to advance one or more basic principles, including the following, to which the members are committed. In some instances, a delicate balance of these principles is necessary to help achieve the objectives of the Association.

## 2.1 The Principle of Institutional Control and Responsibility.

**2.1.1 Responsibility for Control. [\*]** It is the responsibility of each member institution to control its intercollegiate athletics program in compliance with the rules and regulations of the Association. The institution's president or chancellor is responsible for the administration of all aspects of the athletics program, including approval of the budget and audit of all expenditures. *(Revised: 10/3/05)*

**2.1.2 Scope of Responsibility. [\*]** The institution's responsibility for the conduct of its intercollegiate athletics program includes responsibility for the actions of its staff members and for the actions of any other individual or organization engaged in activities promoting the athletics interests of the institution.

## 2.2 The Principle of Student-Athlete Well-Being. [\*]

Intercollegiate athletics programs shall be conducted in a manner designed to protect and enhance the physical and educational well-being of student-athletes. *(Revised: 4/8/05)*

**2.2.1 Overall Educational Experience. [\*]** It is the responsibility of each member institution to establish and maintain an environment in which a student-athlete's activities are conducted as an integral part of the student-athlete's educational experience. *(Adopted: 1/10/95)*

**2.2.2 Cultural Diversity and Gender Equity. [\*]** It is the responsibility of each member institution to establish and maintain an environment that values cultural diversity and gender equity among its student-athletes and intercollegiate athletics department staff. *(Adopted: 1/10/95)*

**2.2.3 Health and Safety. [\*]** It is the responsibility of each member institution to protect the health of and provide a safe environment for each of its participating student-athletes. *(Adopted: 1/10/95)*

**2.2.4 Student-Athlete/Coach Relationship. [\*]** It is the responsibility of each member institution to establish and maintain an environment that fosters a positive relationship between the student-athlete and coach. *(Adopted: 1/10/95)*

**2.2.5 Fairness, Openness and Honesty. [\*]** It is the responsibility of each member institution to ensure that coaches and administrators exhibit fairness, openness and honesty in their relationships with student-athletes. *(Adopted: 1/10/95)*

**2.2.6 Student-Athlete Involvement. [\*]** It is the responsibility of each member institution to involve student-athletes in matters that affect their lives. *(Adopted: 1/10/95)*

## **2.3 The Principle of Gender Equity.**

**2.3.1 Compliance With Federal and State Legislation. [\*]** It is the responsibility of each member institution to comply with federal and state laws regarding gender equity. *(Adopted: 1/11/94)*

**2.3.2 NCAA Legislation. [\*]** The Association should not adopt legislation that would prevent member institutions from complying with applicable gender-equity laws, and should adopt legislation to enhance member institutions' compliance with applicable gender-equity laws. *(Adopted: 1/11/94)*

**2.3.3 Gender Bias. [\*]** The activities of the Association should be conducted in a manner free of gender bias. *(Adopted: 1/11/94)*

## **2.4 The Principle of Sportsmanship and Ethical Conduct. [\*]**

For intercollegiate athletics to promote the character development of participants, to enhance the integrity of higher education and to promote civility in society, student-athletes, coaches, and all others associated with these athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifest not only in athletics participation but also in the broad spectrum of activities affecting the athletics program. It is the responsibility of each institution to: *(Revised: 1/9/96)*

- (a) Establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution; and *(Adopted: 1/9/96)*
- (b) Educate, on a continuing basis, all constituencies about the policies in 2.4-(a). *(Adopted: 1/9/96)*

## **2.5 The Principle of Sound Academic Standards. [\*]**

Intercollegiate athletics programs shall be maintained as a vital component of the educational program, and student-athletes shall be an integral part of the student body. The admission, academic standing and academic progress of student-athletes shall be consistent with the policies and standards adopted by the institution for the student body in general.

## **2.6 The Principle of Nondiscrimination. [\*]**

The Association shall promote an atmosphere of respect for and sensitivity to the dignity of every person. It is the policy of the Association to refrain from discrimination with respect to its governance policies, educational programs, activities and employment policies, including on the basis of age, color, disability, gender, national origin, race, religion, creed or sexual orientation. It is the responsibility of each member institution to determine independently its own policy regarding nondiscrimination. *(Adopted: 1/16/93, Revised: 1/11/00)*

## **2.7 The Principle of Diversity within Governance Structures. [\*]**

The Association shall promote diversity of representation within its various divisional governance structures and substructures. Each divisional governing body must assure gender and ethnic diversity among the membership of the bodies in the division's administrative structure. *(Adopted: 1/9/96 effective 8/1/97)*

## **2.8 The Principle of Rules Compliance.**

**2.8.1 Responsibility of Institution. [\*]** Each institution shall comply with all applicable rules and regulations of the Association in the conduct of its intercollegiate athletics programs. It shall monitor its programs to assure compliance and to identify and report to the Association instances in which compliance has not been achieved. In any such instance, the institution shall cooperate fully with the Association and shall take appropriate corrective actions. Members of an institution's staff, student-athletes, and other individuals and groups representing the institution's athletics interests shall comply with the applicable Association rules, and the member institution shall be responsible for such compliance.

**2.8.2 Responsibility of Association. [\*]** The Association shall assist the institution in its efforts to achieve full compliance with all rules and regulations and shall afford the institution, its staff and student-athletes fair procedures in the consideration of an identified or alleged failure in compliance.

**2.8.3 Penalty for Noncompliance. [\*]** An institution found to have violated the Association's rules shall be subject to such disciplinary and corrective actions as may be determined by the Association.

## **2.9 The Principle of Amateurism. [\*]**

Student-athletes shall be amateurs in an intercollegiate sport, and their participation should be motivated primarily by education and by the physical, mental and social benefits to be derived. Student participation in intercollegiate athletics is an avocation, and student-athletes should be protected from exploitation by professional and commercial enterprises.

## **2.10 The Principle of Competitive Equity. [\*]**

The structure and programs of the Association and the activities of its members shall promote opportunity for equity in competition to assure that individual student-athletes and institutions will not be prevented unfairly from achieving the benefits inherent in participation in intercollegiate athletics.

## **2.11 The Principle Governing Recruiting. [\*]**

The recruiting process involves a balancing of the interests of prospective student-athletes, their educational institutions and the Association's member institutions. Recruiting regulations shall be designed to promote equity among member institutions in their recruiting of prospective student-athletes and to shield them from undue pressures that may interfere with the scholastic or athletics interests of the prospects or their educational institutions.

## **2.12 The Principle Governing Eligibility. [\*]**

Eligibility requirements shall be designed to assure proper emphasis on educational objectives, to promote competitive equity among institutions and to prevent exploitation of student-athletes.

## **2.13 The Principle Governing Financial Aid. [\*]**

A student-athlete may receive athletically related financial aid administered by the institution without violating the principle of amateurism, provided the amount does not exceed the cost of education authorized by the Association; however, such aid as defined by the Association shall not exceed the cost of attendance as published by each institution. Any other financial assistance, except that received from one upon whom the student-athlete is naturally or legally dependent, shall be prohibited unless specifically authorized by the Association. (*Revised: 1/9/96*)

## **2.14 The Principle Governing Playing and Practice Seasons. [\*]**

The time required of student-athletes for participation in intercollegiate athletics shall be regulated to minimize interference with their opportunities for acquiring a quality education in a manner consistent with that afforded the general student body.

## **2.15 The Principle Governing Postseason Competition and Contests Sponsored by Noncollegiate Organizations. [\*]**

The conditions under which postseason competition occurs shall be controlled to assure that the benefits inherent in such competition flow fairly to all participants, to prevent unjustified intrusion on the time student-athletes devote to their academic programs, and to protect student-athletes from exploitation by professional and commercial enterprises.

## **2.16 The Principle Governing the Economy of Athletics Program Operation. [\*]**

Intercollegiate athletics programs shall be administered in keeping with prudent management and fiscal practices to assure the financial stability necessary for providing student-athletes with adequate opportunities for athletics competition as an integral part of a quality educational experience.

3.1	Eligibility for Membership.....	8	3.6	Provisional Membership.....	17
3.2	Active Membership.....	9	3.7	Dues of Members.....	18

## 3.01 General Principles.

**3.01.1 Classes of Membership.** The NCAA offers four classes of membership: active, conference, affiliated and provisional. Eligibility for and method of election to membership, obligations and conditions for continuing membership, voting rights, and other membership privileges for each class are defined in this article. (*Revised: 1/11/94 effective 9/2/94, 1/15/11 effective 8/1/11*)

**3.01.2 Division Membership.** Active and conference members of the NCAA may be divided into divisions for purposes of bylaw legislation and competition in NCAA championships. Criteria for membership in these divisions are defined in Bylaw 20.

**3.01.3 Obligation to Meet Division Criteria.** Division membership criteria constitute enforceable legislation. Each member institution shall comply with all applicable criteria of its division, and an institution that fails to do so shall be subject to the enforcement procedures, as well as to possible reclassification.

**3.01.4 Assignment to Geographical Areas.** Active and conference members are assigned to geographical areas for the purpose of representation on the Management Council, Presidents Council and various committees, as well as to facilitate the work of the Association. Geographical districts and regions are defined in Constitution 4.13.

**3.01.5 Termination or Suspension of Membership.** All rights and privileges of a member shall cease immediately upon termination or suspension of its membership.

## 3.02 Definitions and Applications.

**3.02.1 Competitive Body.** A competitive body is an athletics conference that conducts competition among its member institutions and determines a conference champion in one or more sports.

**3.02.2 Legislative Body.** A legislative body is an athletics conference that develops and maintains rules and regulations governing the athletics programs and activities of its member institutions.

### 3.02.3 Membership Categories.

**3.02.3.1 Active Member.** An active member is a four-year college or university or a two-year upper-level collegiate institution accredited by the appropriate regional accrediting agency and duly elected to active membership under the provisions of this article (see Constitution 3.2.3). Active members have the right to compete in NCAA championships, to vote on legislation and other issues before the Association, and to enjoy other privileges of membership designated in the constitution and bylaws of the Association. (See Constitution 3.2.2.1.1 regarding restrictions on the privileges of for-profit institutions.) (*Revised: 10/21/14*)

**3.02.3.1.1 Athletics Consortium.** An athletics consortium consists of one member institution and neighboring member or nonmember institutions (but not more than one nonmember institution), recognized and approved by Membership Committee). The student-athletes of the combined institutions are permitted to compete on the NCAA member institution's athletics teams, provided they meet the eligibility requirements of the NCAA and the member institution (see Constitution 3.1.2). (*Revised: 7/21/15*)

### 3.02.3.1.2 Membership Classification Status.

**3.02.3.1.2.1 Membership Probation.** Membership probation is a membership classification status assigned to an institution that indicates that an institution's membership is not in good standing. The status of membership probation serves as a warning that certain conditions and obligations of membership have not been satisfied and failure to correct such deficiencies shall result in the institution's reclassification to the category of restricted membership. During the probationary year, the institution shall be required to complete an athletics program assessment using a form approved by the Membership Committee and shall also be provided with the guiding principles to establish a model Division III athletics program. An institutional staff member(s) may also be required to attend an

NCAA Regional Rules Seminar. An institution does not lose membership benefits as a result of being placed on membership probation. *(Revised: 1/9/06, 1/8/07 effective 8/1/07 for any application of membership penalties [probation or restricted membership status] based on the sports sponsorship audit shall be based on information reported for the 2006-07 year and beyond, 4/11/11, 9/26/16)*

**3.02.3.1.2.2 Restricted.** Restricted membership is a membership classification status assigned to an institution that fails to comply with the minimum requirements of its division (e.g., sports sponsorship) and has failed during its period of membership probation to rectify such deficiencies as identified by the Division III Membership Committee or Committee on Infractions. An institution placed in restricted membership shall lose eligibility for a number of membership privileges, including, but not limited to, championships eligibility, voting privileges and Division III grant and initiative funding while in this status. The institution must comply with all requirement(s) involved with the associated penalty period. Failure to comply shall result in immediate forfeiture of membership in the Association. If the institution is placed in restricted membership without having served a probationary year, the institution shall be required to complete an athletics program assessment using a form approved by the Membership Committee and shall also be provided with the guiding principles to establish a model Division III athletics program. *(Revised: 1/9/06, 4/20/06, 1/8/07 effective 8/1/07, 7/20/10, 10/19/10 effective 8/1/11, 1/15/11 effective 8/1/11, 9/26/16)*

**3.02.3.2 Provisional Member.** A provisional member is a four-year college or university or a two-year upper-level collegiate institution accredited by the appropriate regional accrediting agency and that has applied for active membership in the Association. Provisional membership is a prerequisite for active membership in the Association. The institution shall be elected to provisional membership under the provisions of this article (see Constitution 3.6.3). Provisional members shall receive all publications and mailings received by active members in addition to other privileges designated in the constitution and bylaws of the Association (see Bylaw 20.3). *(Adopted: 1/11/94 effective 9/2/94, Revised: 5/4/06)*

**3.02.3.3 Member Conference.** A member conference is a group of at least seven colleges and/or universities that conducts competition among its members and determines a conference champion in one (single-sport conference) or more (multisport conference) sports (in which the NCAA conducts championships or for which it is responsible for providing playing rules for intercollegiate competition), duly elected to conference membership under the provisions of this article (see Constitution 3.3.3). A member conference is entitled to all of the privileges of active members except the right to compete in NCAA championships (see Constitution 3.3.2). Additional standards related to size and division status are set forth in Constitution 3.3. *(Revised: 10/27/05, 1/14/12 effective 8/1/12 for the 2012-13 academic year.)*

**3.02.3.3.1 Single-Sport Conference.** A single-sport conference is an NCAA Division III member conference that sponsors only one sport. A conference that sponsors one sport, but sponsors both men's and women's competition in that sport, is not a single-sport conference. *(Adopted: 1/14/12 effective 8/1/12 for the 2012-13 academic year.)*

**3.02.3.4 Affiliated Member.** An affiliated member is a coaches or sports association whose function and purpose are directly related to one or more sports in which the NCAA conducts championships or an emerging sport for women, or an association consisting of college/university administrators who have a direct relationship to either the NCAA or the membership, duly elected to affiliated membership under the provisions of this article (see Constitution 3.4.3). An affiliated member is entitled to be represented by one nonvoting delegate at any NCAA Convention and enjoys other privileges as designated in the bylaws of the Association (see Constitution 3.4.2). *(Revised: 1/11/97 effective 8/1/97, 1/15/11 effective 8/1/11)*

## **3.1 Eligibility for Membership.**

**3.1.1 General.** Membership is available to colleges, universities, athletics conferences or associations and other groups that are related to intercollegiate athletics that have acceptable academic standards (as defined in Constitution 3.2.3.2), and that are located in the U.S., its territories or possessions. Such institutions or organizations must accept and observe the principles set forth in the constitution and bylaws of the Association.

**3.1.2 Athletics Consortiums.** The Membership Committee may approve an athletics consortium involving a member institution and neighboring member or nonmember institutions, but not more than one nonmember institution, to permit the student-athletes of the combined institutions to compete on the member institution's intercollegiate athletics teams, provided the student-athletes satisfy the eligibility requirements of the member institution and the NCAA. The Membership Committee shall develop and publish appropriate criteria to be applied to such consortiums. *(Revised: 4/13/10, 7/21/15)*

**3.1.2.1 General Policy.** In general, a consortium shall be approved on the basis of existing academic considerations with the understanding that there shall be no change in the basic recruitment, enrollment or financial aid policies of the involved institutions as a result of such approval.

**3.1.2.2 Combining Entire Athletics Programs.** The institutions shall combine their entire athletics programs, and the consortium shall not be formed on a sport-by-sport basis.

**3.1.2.3 Conference Approval.** An institution that belongs to an NCAA member conference first shall receive approval of its conference before instituting a consortium for its intercollegiate athletics program. If more than one institution holds such conference membership, all such conferences shall approve the consortium.

**3.1.2.4 Eligibility Requirements for Student-Athletes.** Participating student-athletes shall meet all eligibility requirements of the member institution(s), the athletics conference(s) involved and the NCAA. The member institution(s) shall certify the eligibility of all student-athletes under those rules.

**3.1.2.5 Financial Assistance to Student-Athletes.** Within a consortium:

- (a) Each institution shall be responsible for the financial assistance awarded to its student-athletes. The financial arrangement between or among the institutions for the exchange of funds to cover the academic costs of student-athletes who take part in the exchange program shall apply to student-athletes in the same manner as it applies to those students not participating in the intercollegiate athletics program;
- (b) One institution may not provide a scholarship or any other form of financial aid to a student-athlete enrolled in another institution or transmit a scholarship or gift aid to another institution to be used by one or more of its student-athletes; and
- (c) Financial aid limitations as set forth in Bylaw 15 shall be applicable to the consortium as one entity and shall include all countable student-athletes, regardless of the institution in which they are enrolled.

**3.1.2.6 Length of Approval.** NCAA approval shall be for a four-academic-year period, at the end of which the institutions shall submit a report on the program setting forth its effect upon their academic and athletics operations. (*Revised: 8/4/89*)

**3.1.2.7 NCAA Division Membership.** The institutions may be members of different NCAA divisions but shall select one division for legislative and competitive purposes.

**3.1.2.8 NCAA Member Involvement.** At least one of the institutions shall be a member of the NCAA, and not more than one nonmember institution shall be included.

**3.1.2.9 NCAA Membership Application.** The institutions shall apply for NCAA membership as a consortium and shall be considered as one member of the Association, with their combined names included on the official NCAA membership records. (*Revised: 12/5/06*)

**3.1.2.10 Prior Academic Consortium Relationship.** The institutions shall have had a prior academic consortium relationship.

**3.1.2.11 Recruitment.** It is permissible for one institution to recruit prospective student-athletes with a view to their possible enrollment at another institution in the consortium, provided the individuals qualify for admission to that institution and the athletics interests of the member institution are not involved, directly or indirectly, in influencing the admission or award of financial assistance.

## 3.2 Active Membership.

### 3.2.1 Eligibility Requirements.

**3.2.1.1 Types of Institutions.** Active membership is available to four-year colleges and universities and two-year upper-level collegiate institutions, accredited by the appropriate regional accrediting agency, pursuant to Board of Governors policy and duly elected to active membership under the provisions of Constitution 3.2.3. (*Revised: 8/7/12, 2/10/15*)

**3.2.1.2 Compliance With Association Rules.** The institution shall administer its athletics programs in accordance with the constitution, bylaws and other legislation of the Association.

**3.2.1.3 Standards.** The institution's athletics programs shall reflect the establishment and maintenance of high standards of personal honor, eligibility and fair play.

### 3.2.2 Privileges.

**3.2.2.1 Active Members.** Active members shall be entitled to all of the privileges of membership under the constitution and bylaws of the Association and all privileges incidental thereto. A copy of NCAA Champion magazine shall be sent to each member of the NCAA.

**3.2.2.1.1 Exception—For-Profit Institutions.** For-profit institutions shall be restricted, as follows: (*Adopted: 10/21/14*)

- (a) A for-profit institution shall not have voting privileges at the annual NCAA Convention nor any special convention. The institution shall be entitled to three accredited delegates without voting privileges. Any of the accredited delegates shall be entitled to privileges of the floor and the right to active participation in the business proceedings;
- (b) Representatives of a for-profit institution shall not be permitted to serve as a voting institution representative on an NCAA committee; and
- (c) A for-profit institution shall not receive NCAA grants or financial distributions directly from the NCAA.

**3.2.2.2 Use of Association's Registered Marks.** Active members may use the registered marks of the Association (i.e., the Association's name, logo or other insignia) only in accordance with guidelines established by the Board of Governors. *(Revised: 2/10/15)*

### **3.2.3 Election Procedures.**

**3.2.3.1 Application.** An institution desiring to become an active member of this Association shall complete a provisional membership period (see Constitution 3.6 and Bylaw 20.3). # Institutional Control

6.01	General Principle.....	43	6.3	Self-Study and Evaluation.....	44
6.1	Institutional Governance .....	43	6.4	Responsibility for Actions of Outside	
6.2	Budgetary Control .....	44		Entities .....	44

## 6.01 General Principle.

**6.01.1 Institutional Control.** The control and responsibility for the conduct of intercollegiate athletics shall be exercised by the institution itself and by the conference(s), if any, of which it is a member. Administrative control or faculty control, or a combination of the two, shall constitute institutional control.

## 6.1 Institutional Governance.

**6.1.1 President or Chancellor.** A member institution's president or chancellor has ultimate responsibility and final authority for the conduct of the intercollegiate athletics program and the actions of any board in control of that program. (*Revised: 10/3/05*)

**6.1.2 Athletics Board.** A board in control of athletics or an athletics advisory board, which has responsibility for advising or establishing athletics policies and making policy decisions, is not required. However, if such a board exists, it must conform to the following provisions.

**6.1.2.1 Composition.** Administration and/or faculty staff members shall constitute at least a majority of the board in control of athletics or an athletics advisory board, irrespective of the president or chancellor's responsibility and authority or whether the athletics department is financed in whole or in part by student fees. If the board has a parliamentary requirement necessitating more than a simple majority in order to transact some or all of its business, then the administrative and faculty members shall be of sufficient number to constitute at least that majority. (*Revised: 10/3/05*)

**6.1.2.1.1 Administrator Defined.** An administrator (for purposes of this legislation) is an individual employed by the institution as a full-time administrative staff member who holds an academic appointment, is directly responsible to the institution's president or chancellor or serves as a chief administrative official (e.g., admissions director, finance officer, department head, or athletics department head). Other nonacademic staff members and individuals who are members of an institution's board of trustees or similar governing body would not be considered to be administrators for purposes of this regulation. (*Revised: 10/3/05*)

**6.1.2.1.2 Board Subcommittee.** If a board subcommittee is appointed, it is not necessary for the subcommittee to have majority control by administration and/or faculty members (see Constitution 6.1.2.1 for composition requirements), provided all actions of the subcommittee are approved by the entire board before becoming effective. However, if the subcommittee's actions are effective permanently or become effective immediately and remain in effect until reviewed by the entire board at a later date, the subcommittee's membership must satisfy the majority-control requirement.

**6.1.2.1.3 Attendance.** A parliamentary majority of administrators and faculty members of a board in control of athletics is not required to be present at any single meeting in order to conduct business.

**6.1.2.2 Chair or Voting Delegate.** Only an administrator or faculty member (as opposed to a student, alumnus or governing board member) may serve as chair of a member institution's board in control of intercollegiate athletics or represent the board as the institution's voting delegate at Conventions. Institutional representatives in these positions have responsibility for advising or establishing athletics policies and making policy decisions that require administrative and/or faculty control.

**6.1.3 Faculty Athletics Representative.** A member institution shall designate an individual to serve as faculty athletics representative. An individual so designated after January 12, 1989, shall be a member of the institution's faculty or an administrator who holds faculty rank and shall not hold an administrative or coaching position in the athletics department. Duties of the faculty athletics representative shall be determined by the member institution. (*Adopted: 1/11/89*)

**6.1.4 Student-Athlete Advisory Committee.** Each institution shall establish a student-athlete advisory committee for its student-athletes. The composition and duties of the committee shall be determined by the institution. (*Adopted: 1/10/95 effective 8/1/95*)

## 6.2 Budgetary Control.

**6.2.1 Normal Budgeting Procedures.** The institution's annual budget for its intercollegiate athletics programs shall be controlled by the institution and subject to its normal budgeting procedures.

**6.2.2 President or Chancellor Approval.** The institution's president or chancellor or an institutional administrator designated by the president or chancellor from outside the athletics department shall approve the annual budget in the event that the institution's normal budgeting procedures do not require such action. *(Revised: 10/3/05)*

**6.2.3 Financial Audit.** All expenditures and revenue for or on behalf of a Division III member institution's intercollegiate athletics programs shall be subject to the institution's regular financial audit. In particular, additional revenue and expenditures associated with outside groups or individuals shall be included in this audit. *(Revised: 1/11/89)*

## 6.3 Self-Study and Evaluation.

**6.3.1 Self-Study Guide.** Institutions shall conduct a comprehensive self-study and evaluation of their intercollegiate athletics programs at least once every five years, using the Institutional Self-Study Guide (ISSG). The ISSG shall be submitted to the national office not later than June 1 of the academic year in which it is due. The ISSG shall be available for examination on request by an authorized representative of the Association and may be reviewed by the Membership Committee with a focus on legislative issues and results of action plans in areas of deficiencies. *(Revised: 1/14/97 effective 8/1/97, 1/8/07 effective 8/1/07 for any application of membership penalties [probation or restricted membership status] based on the sports sponsorship audit shall be based on information reported for the 2006-07 year and beyond, 7/23/13, 7/19/16)*

**6.3.1.1 Institutions Completing Provisional or Reclassifying Membership.** An institution that completes the provisional or reclassifying membership period and is granted active membership status must conduct a comprehensive self-study and evaluation of its intercollegiate athletics program not later than the end of the first year of active membership, regardless of when the previous self-study was completed. *(Adopted: 1/13/03, Revised: 1/6/06)*

### 6.3.1.2 Failure to Conduct the Institutional Self-Study Report.

**6.3.1.2.1 Penalty Period.** A penalty period of not less than three academic years shall apply to an institution that fails to conduct the Institutional Self-Study Report subject to the conditions set forth in this bylaw. The penalty period begins once a first failure (see Bylaw 6.3.1.2.1.1) occurs. *(Adopted: 10/19/10 effective 8/1/11, Revised: 7/23/13, 9/26/16)*

**6.3.1.2.1.1 First Failure.** An institution shall be placed on membership probation for the length of the penalty period beginning with the next academic year after the failed submission. A failure to conduct the report is considered to have occurred when the institution does not submit the Notification of Completion form to the NCAA national office by June 1 of the academic year in which it is due. During the first year of the penalty period, the institution shall be subject to the probationary year conditions in Constitution 3.02.3.1.2.1. *(Adopted: 10/19/10 effective 8/1/11, Revised: 7/23/13, 9/26/16)*

**6.3.1.2.1.2 Second Failure.** An institution shall be placed in restricted membership in accordance with Constitution 3.02.3.1.2.2 for one academic year beginning with the next academic year after a second failure is discovered during the penalty period. Failure to meet any of the following requirements shall be considered a second failure: *(Adopted: 10/19/10 effective 8/1/11)*

- (a) Institutional Self-Study Guide;
- (b) Sports sponsorship requirement; or
- (c) Conditions of membership probation (see Constitution 3.02.3.1.2.1). *(Revised: 9/26/16)*

**6.3.1.2.1.3 Third Failure.** An institution shall forfeit immediately its membership in the Association after a third failure is discovered during the penalty period. Failure to meet any of the requirements in Constitution 6.3.1.2.1.2 shall be considered a third failure. *(Adopted: 10/19/10 effective 8/1/11)*

**6.3.1.2.2 Waiver.** The Management Council, on recommendation of the Membership Committee, may grant waivers of Constitution 6.3.1.2 if it deems that extenuating circumstances warrant such action. *(Adopted: 1/9/06 effective 8/1/06)*

## 6.4 Responsibility for Actions of Outside Entities.

**6.4.1 Independent Agencies or Organizations.** An institution's "responsibility" for the conduct of its intercollegiate athletics program shall include responsibility for the acts of an independent agency or organization when a member of the institution's executive or athletics administration, or an athletics department staff member, has knowledge that such agency or organization is promoting the institution's intercollegiate athletics program.

**6.4.2 Representatives of Athletics Interests.** An institution's "responsibility" for the conduct of its intercollegiate athletics program shall include responsibility for the acts of individuals when a member of the institution's executive or athletics administration has knowledge or should have knowledge that such an individual:

The clause shall provide for the withholding of the benefit or privilege from a party to the agreement and any other person who may be entitled to a benefit or privilege under the terms of the agreement. (*Adopted: 1/10/95*)

**6.4.2.2 Retention of Identity as "Representative."** Any individual participating in the activities set forth in Constitution 6.4.2 shall be considered a "representative of the institution's athletics interests," and once so identified as a representative, it is presumed the person retains that identity.

## 12.01 General Principles.

**12.01.1 Eligibility for Intercollegiate Athletics.** Only an amateur student-athlete is eligible for intercollegiate athletics participation in a particular sport.

**12.01.2 Clear Line of Demarcation.** Member institutions' athletics programs are designed to be an integral part of the educational program. The student-athlete is considered an integral part of the student body, thus maintaining a clear line of demarcation between college athletics and professional sports.

**12.01.3 "Individual" versus "Student-Athlete."** NCAA amateur status may be lost as a result of activities before enrollment in college. If NCAA rules specify that an "individual" may or may not participate in certain activities, this term refers to a person before and after enrollment in a member institution. If NCAA rules specify a "student-athlete," the legislation applies only to that person's activities after enrollment.

## 12.02 Definitions and Applications.

**12.02.1 Agent.** An agent is any individual who, directly or indirectly: (*Adopted: 7/24/12*)

- (a) Represents or attempts to represent an individual for the purpose of marketing his or her athletics ability or reputation for financial gain; or
- (b) Seeks to obtain any type of financial gain or benefit from securing a prospective student-athlete's enrollment at an educational institution or from a student-athlete's potential earnings as a professional athlete.

**12.02.1.1 Application.** An agent may include, but is not limited to, a certified contract advisor, financial advisor, marketing representative, brand manager or anyone who is employed or associated with such persons. (*Adopted: 7/24/12*)

**12.02.2 Individual.** An individual, for purposes of this bylaw, is any person of any age without reference to enrollment in an educational institution or status as a student-athlete.

**12.02.3 Pay.** Pay is the receipt of funds, awards or benefits not permitted by the governing legislation of the Association for participation in athletics.

**12.02.4 Professional Athlete.** A professional athlete is one who receives any kind of payment, directly or indirectly, for athletics participation except as permitted by the governing legislation of the Association.

**12.02.5 Professional Athletics Team.** A professional team is any organized team that:

- (a) Provides any of its players more than actual and necessary expenses for participation on the team, except as otherwise permitted by NCAA legislation. Actual and necessary expenses are limited to the following, provided the value of these items is commensurate with the fair market value in the locality of the player(s) and is not excessive in nature: (*Revised: 1/13/03 effective 8/1/03*)
  - (1) Meals directly tied to competition and practice held in preparation for such competition;
  - (2) Lodging directly tied to competition and practice held in preparation for such competition;
  - (3) Apparel, equipment and supplies tied to competition or practice;
  - (4) Coaching and instruction;
  - (5) Health/medical insurance;
  - (6) Transportation (i.e., expenses to and from practice and competition, cost of transportation from home to training/practice site at the beginning of the season and from training/practice site to home at the end of the season);
  - (7) Medical treatment and physical therapy;
  - (8) Facility usage;

- (9) Entry fees; and
  - (10) Other reasonable expenses; or (*Revised: 1/12/04, 1/9/06*)
- (b) Declares itself to be professional.

**12.02.6 Student-Athlete.** An individual becomes a student-athlete when he or she participates in an intercollegiate squad practice or contest that is under the jurisdiction of the athletics department. (*Revised: 1/14/02 effective 8/1/02, 1/9/06*)

**12.02.7 Volleyball and Beach Volleyball.** Volleyball and beach volleyball are considered the same sport for the purposes of Bylaw 12. (*Adopted: 1/17/15 effective 8/1/15, Revised: 8/19/15*)

## 12.1 Amateur Status.

An individual's (prospective student-athlete or enrolled student-athlete) amateur status shall be determined using the following (see Bylaw 14 regarding the eligibility restoration process). (*Revised: 2/4/10*)

**12.1.1 Preferential Treatment, Benefits or Services.** It is impermissible to receive preferential treatment, benefits or services because of the individual's athletics reputation or skill, or pay-back potential as a professional athlete, unless such treatment, benefits or services are specifically permitted under NCAA legislation. **[R]** (*Revised: 1/11/94, 10/22/07, 2/4/10*)

### 12.1.1.1 Exceptions.

**12.1.1.1.1 Designation of Fundraising Money—Before Initial, Full-Time Enrollment.** An outside amateur team or organization may designate specific funds to an individual through his or her participation in fundraising activities, provided all of the following conditions are satisfied: (*Adopted: 7/26/11 effective 8/1/11*)

- (a) Designated funds do not exceed the individual's actual and necessary expenses (e.g., transportation, uniforms) for athletics participation [see Bylaw 12.1.3.1-(f) and 12.1.5.1-(a)]; and
- (b) Any funds that exceed an individual's actual and necessary expenses must be applied to the general team or organizational fund.

**12.1.1.1.2 Designation of Earned Fundraising Money—Student-Athletes.** An institution may designate specific funds earned by a student-athlete through institutional fundraising activities provided all of the following conditions are satisfied: (*Adopted: 1/15/11 effective 8/1/11*)

- (a) Designated funds do not exceed the student-athlete's actual and necessary expenses (e.g., transportation, uniforms);
- (b) Any funds that exceed a student-athlete's actual and necessary expenses (e.g., transportation, uniforms) must be applied to the general team or institutional fund and cannot be designated for any specific student-athlete;
- (c) All designated funds must be deposited with the institution to administer; and
- (d) Any unearned funds must be deposited into the general team or institutional fund and cannot be designated for any student-athlete.

**12.1.1.1.2.1 Application of Earned and Unearned.** For the purpose of this bylaw, funds are considered unearned when a student-athlete participates in a fundraising event involving an athletically related activity (e.g., swim-a-thon) or in direct appeal (e.g., letter writing) requests. Earned funds are any funds not considered unearned. (*Adopted: 1/15/11 effective 8/1/11*)

**12.1.2 Amateur Status if Professional in Another Sport.** A professional athlete in one sport may represent a member institution in a different sport. Additionally, the amateurism legislation detailed in this section is sport-specific. (*Revised: 2/4/10*)

**12.1.2.1 Use of Overall Athletics Skill—Effect on Eligibility.** Participation for pay in competition that involves the use of overall athletics skill (e.g., "superstars" competition) constitutes a violation of the Association's amateur-status regulations; therefore, an individual participating for pay in such competition is ineligible for intercollegiate competition in all sports (see Bylaw 12.5.1.1.4 for exception related to promotional contests). (*Revised: 2/4/10*)

**12.1.2.2 Road Racing.** Road racing is essentially the same as cross country or track and field competition and cannot be separated effectively from those sports for purposes of Bylaw 12. Therefore, an individual who violates the amateurism legislation below as a result of impermissible benefits from participation in such a race is ineligible for intercollegiate cross country or track and field competition. (*Revised: 1/14/02 effective 8/1/02, 2/4/10*)

**12.1.2.3 Triathlon and Cross Country, Track and Field and Swimming.** Triathlon includes elements of competition similar to cross country, track and field and swimming competition and cannot be separated effectively from those sports for purposes of Bylaw 12. Therefore, triathlon and cross country are considered the same sport, triathlon and track and field are considered the same sport, and triathlon and swimming are considered the same sport for purposes of Bylaw 12. (*Adopted: 1/18/14 effective 8/1/14*)

**13.01.2 Entertainment.** A member institution may provide entertainment, at a scale comparable to that of normal student life and not excessive in nature. *(Revised: 3/24/05)*

**13.01.3 Institutional Responsibility in Recruitment.** A member of an institution's athletics staff or a representative of its athletics interests shall not recruit a prospective student-athlete except as permitted by this Association, the institution and the member conference, if any.

**13.01.4 Recruiting by Representatives of Athletics Interests.** Representatives of an institution's athletics interests (as defined in Bylaw 13.02.9) may make in-person, on- or off-campus recruiting contacts with a prospective student-athlete; however, such off-campus contacts may not occur until the conclusion of the prospective student-athlete's sophomore year in high school.

**13.01.5 U.S. Service Academy Exceptions.** Exceptions to recruiting regulations for the U.S. service academies are set forth in Bylaw 13.15.

**13.01.6 Eligibility Effects of Recruiting Violation.** The recruitment of a prospective student-athlete by a member institution or any representative of its athletics interests in violation of the Association's legislation, as acknowledged by the institution or established through the Association's enforcement procedures, shall result in the student-athlete's becoming ineligible to represent that institution in intercollegiate athletics. The Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in such a violation only when circumstances clearly warrant restoration. A student is responsible for his or her involvement in a violation of NCAA regulations during the student's recruitment and involvement in a major violation (see Bylaw 19.02.2.2) may cause the student to become permanently ineligible for intercollegiate athletics competition at that institution.

## 13.02 Definitions and Applications.

**13.02.1 Business Day.** A business day is any weekday that is not recognized as a national holiday, including any weekday that an institution is closed for other reasons (e.g., holiday break). *(Adopted: 1/12/11)*

**13.02.2 Competition Site.** The "competition site" is the facility in which athletics competition is actually conducted, including any dressing room or meeting facility used in conjunction with the competition.

**13.02.3 Contact.** A contact is any face-to-face encounter between a prospective student-athlete or the prospective student-athlete's relatives, guardian(s) or individual of a comparable relationship and an institutional athletics department staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged (e.g., positions himself/herself in a location where contact is possible) or that takes place on the grounds of the prospective student-athlete's educational institution or at the site of organized competition or practice involving the prospective student-athlete or the

prospective student-athlete's high school, preparatory school, two-year college or all-star team shall be considered a contact, regardless of the conversation that occurs. Any communication (e.g., face-to-face, telephone call or electronic transmission) with a prospective student-athlete at the site of organized competition involving the prospective student-athlete by athletics personnel who are attending the competition or who are aware of the competition also shall be considered a contact. (*Adopted: 1/13/03, Revised: 1/12/04, 4/7/05, 1/9/06, 12/19/13*)

**13.02.4 Evaluation.** An evaluation is any off-campus activity designed to assess the academic qualifications or athletics ability of a prospective student-athlete, including any visit to a prospective student-athlete's educational institution (during which no contact occurs) or the observation of a prospective student-athlete participating in any practice or competition at any site. (*Adopted: 4/20/09*)

**13.02.5 Student-Athlete.** An individual becomes a student-athlete when he or she participates in an intercollegiate squad practice or contest that is under the jurisdiction of the athletics department. (*Revised: 1/9/06*)

Telephone calls made by enrolled students in accordance with an institution's regular admissions program directed at all prospective students shall be permissible. In addition, an institution may permit an enrolled student-athlete to telephone a prospective student-athlete at the institution's expense, provided the call is only for the purpose of recruitment and is with the full knowledge of the athletics department. (*Revised: 1/9/06*)
- (b) **Electronic transmissions.** It is permissible for an enrolled student-athlete to send electronic correspondence (e.g., electronic mail, Instant Messenger, private communication through social networking site, text messages or facsimiles) to a prospective student-athlete for the purpose of recruitment, provided the correspondence is sent directly to the prospective student-athlete (or his or her parents or legal guardians) and is private between only the sender and recipient (e.g., no use of public chat rooms, message boards, public communication through a social networking site). (*Adopted: 4/11/11, Revised: 1/14/12, 1/19/13*)
- (c) **Official visits.** An enrolled student-athlete may participate as a student host during a prospective student-athlete's official visit to the institution's campus. (*Revised: 6/11/14*)

**13.02.7 Prospective Student-Athlete.** A prospective student-athlete is a student who has started classes for the ninth grade. In addition, a student who has not started classes for the ninth grade becomes a prospective student-athlete if the institution provides such an individual (or the individual's relatives or friends) any financial assistance or other benefits that the institution does not provide to prospective students generally. An individual remains a prospective student-athlete until one of the following occurs (whichever occurs earlier):

- (a) The individual officially registers and enrolls in a minimum full-time program of studies and attends classes in any term of a four-year collegiate institution's regular academic year (excluding summer); or
- (b) The individual participates in a regular squad practice or competition at a four-year collegiate institution. (*Revised: 1/11/89, 1/10/90*)

**13.02.8 Recruiting.** Recruiting is any solicitation of a prospective student-athlete or a prospective student-athlete's relatives [or guardian(s)] by an institutional staff member or by a representative of the institution's athletics interests for the purpose of securing the prospective student-athlete's enrollment and ultimate participation in the institution's intercollegiate athletics program. (*Revised: 8/3/06*)

**13.02.8.1 Recruited Prospective Student-Athlete.** Actions by staff members or athletics representatives that cause a prospective student-athlete to become a recruited prospective student-athlete at that institution are: (*Revised: 1/10/90, 1/11/94 effective 8/1/94 for those students entering a collegiate institution on or after 8/1/94*)

**13.1.1.1.1 Contact by Coach Employed in Admissions Office.** It is permissible for a coach who is employed in the admissions office of the institution to be involved in off-campus admissions programs directed at prospective students in general, provided contact made with a prospective student-athlete before the completion of his or her sophomore year in high school is not for the purpose of athletics recruitment (e.g., athletics recruiting presentation). (*Adopted: 7/22/08, Revised: 1/17/15 for prospective student-athletes who complete their sophomore year in high school during the 2014-15 academic year or later*)

**13.1.1.2 Four-Year College Prospective Student-Athletes.** An athletics staff member or other representative of the institution's athletics interests shall not make contact in any manner (e.g., in-person contact, telephone calls, electronic communication, written correspondence) with the student-athlete of another NCAA or NAIA four-year collegiate institution, directly or indirectly, without first obtaining written permission to do so, regardless of who makes the initial contact. If permission is not granted, the second institution shall not encourage the transfer. If permission is granted, all applicable NCAA recruiting rules apply. If an institution receives a written request from a student-athlete to permit another institution to contact the student-athlete about transferring, the institution shall grant or deny the request within seven business days (see Bylaw 13.02.1) of receipt of the request. If the institution fails to respond to the student-athlete's written request within seven business days, permission shall be granted by default and the institution shall provide written permission to the student-athlete. Written permission may be granted by: **[D]** (*Revised: 1/10/91, 1/16/93, 1/11/94, 1/12/04 effective 8/1/04, 1/9/06, 10/17/06, 1/12/11*)

- (a) The first institution's athletics director (or an athletics administrator designated by the athletics director); or (*Adopted: 1/14/02 effective 8/1/04*)
- (b) The student-athlete, if the student-athlete attends a Division III institution (see Bylaw 13.1.1.2.1). (*Adopted: 1/14/02 effective 8/1/04*)

**13.1.1.2.1 Self-Release.** Using a form made available by the NCAA national office, a student-athlete who attends a Division III institution may issue, on his or her own behalf, permission for another Division III institution to contact the student-athlete about a potential transfer. The student-athlete shall forward this form to the director of athletics at the institution of interest. Contact between the student-athlete and institution may occur during the 30-day period beginning with the date the permission to contact form is signed by the student-athlete. An additional form must be issued for contact to occur or continue beyond the initial 30-day period. (*Adopted: 1/12/04 effective 8/1/04, Revised: 1/10/05*)

**13.1.1.2.1.1 Privacy and Disclosure Requirements.** During the initial 30-day period, the institution in receipt of the form shall not notify the student-athlete's current institution of the contact. At the completion of the initial 30-day period, if the student-athlete decides to transfer to the institution in receipt of the form, the institution in receipt of the form shall notify the student-athlete's current institution within a seven-day period of the form's expiration date that the self-release was issued. At the completion of the initial 30-day period, if the student-athlete decides not to pursue the transfer, the institution in receipt of the form shall not notify the student-athlete's current institution of the contact at any time. If the student-athlete is undecided at the end of the 30-day period, the initial contact must remain private unless and until the student-athlete issues a second permission to contact form. Upon receipt of the second permission to contact form, the institution in receipt of the form shall notify the student-athlete's current institution within seven days that a second release was issued. (*Revised: 1/10/05*)

**13.1.1.2.2 Hearing Opportunity.** If the institution decides to deny a student-athlete's request to permit any other institution to contact the student-athlete about transferring, the institution shall inform the

student-athlete in writing that he or she, on request, shall be provided a hearing conducted by an institutional entity or committee outside of the athletics department (e.g., the office of student affairs; office of the dean of students; or a committee composed of the faculty athletics representative, student-athletes and non-athletics faculty/staff members). The student-athlete shall be informed of this hearing opportunity within seven business days of the request for permission to contact. Within 15 business days (see Bylaw 13.02.1) of receipt of the student-athlete's written request for a hearing, the institution shall conduct and provide written results of the hearing to the student-athlete. The student-athlete shall be provided the opportunity to actively participate (e.g., in-person, via telephone) in the hearing. If the institution fails to conduct the hearing or provide the written results to the student-athlete within 15 business days, permission to contact the student-athlete shall be granted by default and the institution shall provide written permission to the student-athlete. *(Adopted: 1/11/94, Revised: 10/17/06, 1/12/11)*

**13.1.1.2.3 Student-Athlete Withdrawn from Four-Year College.** A member institution may contact a student-athlete who has withdrawn officially from a four-year collegiate institution without obtaining permission from the first institution. *(Revised: 1/9/06)*

**13.1.1.2.4 Transfer from Institution on Probation.** It is not necessary for an institution to obtain permission in writing to recruit a student-athlete at an institution that has been placed on probation with sanctions that preclude it from competing in postseason competition during the remaining seasons of the student-athlete's eligibility. However, the student-athlete's institution must be notified of the recruitment and may establish reasonable restrictions related to the contact (e.g., no visits during class time), provided such restrictions do not preclude the opportunity for the student-athlete to discuss transfer possibilities with the other institution [see Bylaw 14.12.1.2-(c)]. *(Adopted: 1/10/92, Revised: 1/19/12)*

**13.1.1.2.5 Transfer While Ineligible Due to Positive Drug Test.** If a student-athlete who is declared ineligible due to a positive drug test administered by the NCAA transfers to another NCAA institution, the institution from which the student-athlete transferred must notify the new institution of the student-athlete's ineligibility (see Bylaw 18.4.1.5.4). *(Adopted: 1/14/97 effective 8/1/97)*

**13.1.2.1.1 Employment Prohibition.** An institution may not employ an individual for the primary purpose of recruiting or evaluating prospective student-athletes and designate the individual as a coach if he or she does not reside in the institution's general locale. Such an individual would be considered an athletics talent scout rather than a regular institutional staff member. **[D]** *(Revised: 12/5/14)*

**13.1.2.1.2 Expense Prohibition.** An institution may not pay expenses (other than meals provided in the institution's home community) for representatives of its athletics interests to visit its campus for the purpose of becoming familiar with the institution's academic and athletics programs and campus facilities in order to represent the institution better when recruiting prospective student-athletes. The provision of such expenses would be considered payment of costs incurred by athletics talent scouts. **[D]** *(Revised: 12/5/14)*

**13.1.3 Telephone Calls to Prospective Student-Athletes.** An institution may permit a student-athlete, a staff member, or a representative of athletics interests to telephone a prospective student-athlete at the institution's expense at any time, provided the call is only for the purpose of recruitment and is with full knowledge of the athletics department (see Bylaw 13.02.5.1). **[D]** *(Revised: 1/10/91 effective 7/1/91, 1/10/05, 1/9/06)*

### **13.1.4 Contact Restrictions at Specified Sites.**

**13.1.4.1 Prospective Student-Athlete's Educational Institution.** Any staff member and any representative of the institution's athletics interests desiring to contact a prospective student-athlete at the prospective student-athlete's high school, college preparatory school or two-year college first shall obtain permission for such contact from that institution's executive officer (or designee). Contact may be made only when such permission is granted. Permission for such contact is not required if the contact with the prospective student-athlete is made after official school hours. Member institutions also are bound by this provision when recruiting international athletes. **[D]** *(Revised: 7/21/09)*

**13.1.4.2 Practice or Competition Site.** Recruiting contact may not be made with a prospective student-athlete before any athletics competition in which the prospective student-athlete is a participant on that day of competition until the prospective student-athlete is released for that day by the appropriate institutional authority (e.g., prospective student-athlete's coach or comparable authority). Further, telephone calls or electronic communications may not be made with a prospective student-athlete at the site of organized competition involving the prospective student-athlete by athletics personnel who are attending the competition or who are aware of the competition. **[D]** *(Revised: 1/11/89, 1/10/91, 1/11/94, 1/9/96 effective 7/1/96, 12/19/13, 1/17/15, 1/21/15, 1/16/16)*

**13.1.4.2.1 Exception—Official/Unofficial Visit—Contact on Institution's Campus on Day of Competition Prior to Competition.** Athletics staff members are permitted to have on campus contact prior to competition with a prospective student-athlete, provided the prospective student-athlete is not scheduled to compete on that day on the institution's campus. *(Adopted: 1/16/16)*

**13.1.4.2.2 Contact with Prospective Student-Athlete's Relatives or Guardians at Practice or Competition Site.** Recruiting contact may be made with the relatives, guardian(s) or individual of a comparable relationship of a contactable prospective student-athlete (see Bylaw 13.1.1) at the site of the prospective student-athlete's practice or competition, including during the conduct of a competition. *(Adopted: 7/21/09)*

Receipt of a benefit by prospective student-athletes or their relatives or friends is not a violation of NCAA legislation if it is demonstrated that the same benefit is generally available to the institution's prospective students or their relatives or friends or to a particular segment of the prospective student body determined on a basis unrelated to athletics ability. **[R]** *(Revised: 1/13/98, 1/10/05, 1/9/06, 10/15/08)*

- (a) The funds generated by the advertisements or promotional material are not used for a high school or a two-year college's athletics program;
- (b) The institution's athletics department is not involved in the advertisements or promotional material; and

**13.4.2.1.2 Exception—College/High School Shared Home Facility.** A member institution may advertise and upgrade its home facility even if that facility is also the home facility for prospective student-athletes (e.g., high school football stadium). *(Revised: 1/9/06)*

**13.4.2.2 Miscellaneous Promotions.** Member institutions and their representatives of athletics interests are prohibited from financing, arranging or using recruiting aids (e.g., newspaper advertisements, bumper stickers, message buttons) designed to publicize the institution's interest in a particular prospective student-athlete. **[D]** *(Revised: 1/13/98)*

## 13.5 Transportation.

**13.5.1 General Restrictions.** An institution may not provide transportation to a prospective student-athlete other than on the official paid visit or, on an unofficial visit, to view a practice or competition site and other institutional facilities when accompanied by an institutional staff member. However, an institution may not provide transportation to attend one of the institution's home contests (on or off campus) during the unofficial visit. **[R]** *(Revised: 1/11/89, 1/13/98, 1/9/06)*

## 13.5.2 Transportation on Official Paid Visit.

**13.5.2.1 General Regulations.** A member institution may pay the prospective student-athlete's actual round-trip transportation costs for his or her official visit to its campus, provided a direct route between the prospective student-athlete's home and the institution's campus is used. **[R]** *(Revised: 1/11/00 effective 8/1/00)*

**13.5.2.2 Automobile Transportation.** When a prospective student-athlete travels by automobile on an official visit, the institution may pay round-trip expenses to the individual incurring the expense (except the prospective student-athlete's coach, see Bylaw 13.8.1.1) at the same mileage rate it allows its own personnel. Any automobile may be used by the prospective student-athlete, provided the automobile is not owned or operated or its use arranged by the institution or any representative of its athletics interests. [R] *(Revised: 1/11/94)*

**13.5.2.2.1 Use of Automobile.** The institution or representatives of its athletics interests shall not provide an automobile for use during the official visit by the prospective student-athlete or by a student host. [R]

**13.5.2.2.2 Coach Accompanying Prospective Student-Athlete.** Coaching staff members (except as permitted in Bylaw 13.5.2.4) shall not accompany a prospective student-athlete in the coach's sport to or from an official visit unless the prospective student-athlete travels only by automobile. All transportation must occur within the state in which the institution is located, or if outside the state, within 100 miles of the institution's main campus. On completion of the 48-hour period, the coach shall terminate contact with the prospective student-athlete and his or her parent(s), guardians, spouse or individual of a comparable relationship immediately (see Bylaw 13.6.2.1). [R] *(Adopted: 1/10/95 effective 8/1/95, Revised: 1/14/97 effective 8/1/97, 1/9/06, 10/20/06)*

Coaching staff members shall not accompany a prospective student-athlete to or from an official visit when air travel is used, except as permitted in Bylaw 13.5.2.4. [R] *(Revised: 1/10/95 effective 8/1/95)*

**13.5.2.4 From Airport.** During the official visit, any member of an institution's athletics department staff may provide ground transportation for a prospective student-athlete and the prospective student-athlete's parents, guardians, spouse or individual of a comparable relationship between the campus and any bus or train station or airport. [R] *(Revised: 1/9/06)*

**13.5.2.5 To/From Site of Competition.** A prospective student-athlete may be transported to campus for an official visit from the site of his or her athletics competition or the reverse arrangement, provided only actual transportation expenses are paid and the cost of the transportation does not exceed the cost of transportation between the prospective student-athlete's home or educational institution and the institution's campus. [R]

**13.5.2.6 From Educational Institution.** An institution may pay actual transportation costs for the prospective student-athlete to return to his or her home after an official visit that originated at the prospective student-athlete's educational institution, provided the cost of the transportation to the legal residence does not exceed the cost of transportation to the educational institution. [R]

**13.5.2.7 Visiting Two or More Institutions.** Two or more institutions to which a prospective student-athlete is making official visits on the same trip may provide travel expenses, provided there is no duplication of expenses, only actual and necessary expenses are provided, and the 48-hour visit limitation is observed at each institution. [R]

**13.5.2.8 Transportation of Prospective Student-Athlete's Relatives, Friends, Guardian(s), Spouse or Individual of a Comparable Relationship.** An institution shall not permit its athletics department staff members or representatives of its athletics interests to pay, provide or arrange for the payment of transportation costs incurred by relatives, friends, guardian(s), spouse or individual of a comparable relationship of a prospective student-athlete to visit the campus or elsewhere; however, an institution may: [R] *(Revised: 1/9/06)*

**13.5.3 Transportation on Unofficial Visit.** During any unofficial recruiting visit, the institution may provide the prospective student-athlete with transportation to view practice and competition sites in the prospective student-athlete's sport and other institutional facilities. An institutional staff member must accompany the prospective student-athlete during such a trip. Payment of any other transportation expenses, including providing transportation to attend one of the institution's home contests (on or off campus) is not permissible. However, the institution may provide transportation for a prospective student-athlete to attend home athletics contests if that transportation is available to prospective students generally. [R] *(Revised: 1/11/89, 1/11/90, 1/11/00, 1/8/05, 5/4/05, 1/9/06)*

## 13.6 Official Visit.

### 13.6.1 Limitations on Official Visit.

**13.6.1.1.1 First Opportunity to Visit.** A prospective student-athlete may not be provided an official visit earlier than January 1 of the prospective student-athlete's junior year in high school. *(Revised: 1/17/15 effective 8/1/15)*

**13.6.1.2 Post-High School Visits.** The one-visit limitation applies separately to the period in which the prospective student-athlete is in high school and to the period beginning October 15 after the prospective student-athlete's completion of high school. **[D]** *(Revised: 1/10/05)*

**13.6.1.2.1 Transfer Student.** If a student-athlete attending a four-year institution desires to transfer and that institution provides the permission required (per Bylaw 13.1.1.2), it is permissible for a second institution to provide the student-athlete one official visit to that institution's campus.

**13.6.2 Length of Official Visit.** An official visit to an institution shall not exceed 48 hours. A prospective student-athlete may remain in the locale in which the institution is located after the permissible 48-hour period for reasons unrelated to the official visit, provided that at the completion of the 48-hour visit, the individual departs the institution's campus, and the institution does not pay any expenses thereafter, including the cost of return transportation to the prospective student-athlete's home. Additionally, if the prospective student-athlete does not return home before attending the institution, the one-way transportation to the campus would be considered a violation of Bylaw 13.5.4, which prohibits transportation to enroll. **[D]** *(Revised: 1/9/96 effective 8/1/96, 1/10/05)*

**13.6.2.1 48-Hour Period Defined.** The 48-hour period of the official visit begins at the time the prospective student-athlete arrives on the institution's campus, rather than with the initiation of the prospective student-athlete's transportation by a coach or the time of the prospective student-athlete's arrival at the airport or elsewhere in the community. The prospective student-athlete's transportation to and from the campus must be without delay for personal reasons or entertainment purposes. The institution may not pay any expenses for entertainment (other than the actual and reasonable cost of meals) in conjunction with the prospective student-athlete's transportation. At the completion of the 48-hour visit, the prospective student-athlete must depart the institution's campus immediately; otherwise, the institution may not pay any expenses incurred by the prospective student-athlete upon departure from the institution's campus, including the cost of the prospective student-athlete's transportation home.

**13.6.2.2 Exception to 48-Hour Period for Extenuating Circumstances.** An official visit may extend beyond 48 hours for reasons beyond the control of the prospective student-athlete and the institution (e.g., inclement weather conditions, natural disaster, flight delays or cancellations, airport security activity). In such instances, the institution shall submit a report to the conference office after the visit (or, in the case of independent institutions, to the NCAA national office), noting the details of the circumstances. *(Adopted: 10/19/09)*

**13.6.3 Transportation on Official Visit.** For regulations relating to transportation on the official visit, see Bylaw 13.5.2.

**13.6.4 Accommodations on Official Visit.** A prospective student-athlete on an official visit shall be provided lodging and take meals as regular students normally do. Local commercial facilities may be used but at a scale comparable to that of normal student life and only within a 30-mile radius of the institution's campus. (See Bylaw 13.6.5.6 for restrictions on meals provided to prospective student-athletes on official visits.) **[D]** *(Revised: 1/13/03)*

### 13.6.5 Entertainment/Tickets on Official Visit.

**13.6.5.1 General Restrictions.** An institution may provide entertainment, which may not be excessive, on the official visit only for a prospective student-athlete and the prospective student-athlete's parents, guardian(s), spouse or individual of a comparable relationship and only within a 30-mile radius of the institution's main campus. It is not permissible to entertain other relatives or friends (including dates) of a prospective student-athlete at any time at any site. **[R]** *(Revised: 1/13/98, 1/8/01, 1/9/06)*

**13.6.5.1.1 Meals and Lodging While in Transit.** It is permissible for an institution to pay a prospective student-athlete's actual costs for reasonable expenses (e.g., meals, lodging) incurred while traveling to and from campus on the official visit.

**13.6.5.2 Complimentary Admissions.** During the official visit, complimentary admissions to a home athletics event may be provided to a prospective student-athlete and the individuals accompanying the prospective student-athlete. Seating shall be provided in the general seating area of the facility used for conducting the event. **[R]** *(Revised: 1/10/90 effective 8/1/90, 1/11/94, 1/13/98, 1/12/04, 1/9/06, 8/3/06, 1/15/14, 3/27/14)*

**13.6.5.2.1 Conference Tournaments.** An institution may provide complimentary admissions to a prospective student-athlete for a postseason conference tournament only if the institution participates in the tournament and it is held on the institution's campus. **[R]** *(Revised: 1/10/91 effective 8/1/91)*

**13.6.5.2.2 NCAA Championships or Other Postseason Contests.** The provision of complimentary or reduced-cost admissions to prospective student-athletes for an NCAA championship (all rounds) or other postseason contests (e.g., NAIA championship) constitutes excessive entertainment and is prohibited. **[R]** (*Revised: 1/10/92*)

**13.6.5.2.3 Purchase of Game Tickets in Same Locale.** An institution may reserve tickets, only for the use of immediate family members accompanying a prospective student-athlete during an official visit and for seat locations adjacent to the complimentary seats being provided to the prospective student-athlete. These tickets must be purchased at face value. **[R]** (*Adopted: 1/10/92*)

**13.6.5.3 Parking.** An institution may arrange special on-campus parking for prospective student-athletes during an official visit. (*Adopted: 1/10/92*)

**13.6.5.4 Cash to Prospective Student-Athlete.** The institution or representatives of its athletics interests shall not provide cash to a prospective student-athlete for entertainment purposes.

**13.6.5.5 Student Host.** The institution may provide the following to a student host entertaining a prospective student-athlete:

- (a) A maximum of \$40 for each day of the visit to cover all actual costs of entertaining the prospective student-athlete (and the prospective student-athlete's parents, guardian(s), spouse or individual of a comparable relationship) and the student host(s), excluding the cost of meals and admission to campus athletics events. These funds may not be used for the purchase of souvenirs such as T-shirts or other institutional mementos. It is permissible to provide the student host with an additional \$20 per day for each additional prospective student-athlete the host entertains. Neither the student host(s) nor the prospective student-athlete may contribute funds toward the cost of the entertainment; (*Revised: 1/10/90 effective 8/1/90, 1/9/96 effective 8/1/96, 1/9/06, 10/22/13, 12/19/13*)

## 14.01 General Principles.

**14.01.1 Institutional Responsibility.** An institution shall not permit a student-athlete to represent it in intercollegiate athletics competition unless the student-athlete meets all applicable eligibility requirements and the institution has certified the student-athlete's eligibility. Violations of this bylaw in which the institution fails to certify the student-athlete's eligibility before allowing the student-athlete to represent the institution in intercollegiate competition shall be considered an institutional violation per Constitution 2.8.1; however, such violations shall not affect the student-athlete's eligibility, provided all the necessary information to certify the student-athlete's eligibility was available to the institution and the student-athlete would have been otherwise eligible for competition. *(Revised: 10/22/07)*

**14.01.2 Academic Status.** To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be enrolled in at least a minimum full-time program of studies, be in good academic standing and maintain satisfactory progress toward a baccalaureate or equivalent degree. A student-athlete enrolled in a two-year degree program shall be eligible only if that student-athlete was admitted to the institution under the same standards as four-year degree-seeking students and if the two-year degree program is not a terminal program. A waiver of the minimum full-time enrollment requirement may be granted for a student enrolled in the final term of the baccalaureate program (see Bylaw 14.1.8.1.6.1). Also, a student may represent the institution while enrolled as a graduate or professional student or while enrolled and seeking a second baccalaureate degree at the same institution (see Bylaw 14.1.9). *(Revised: 1/10/05)*

**14.01.2.1 Good Academic Standing.** To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be in good academic standing as determined by the academic authorities who determine the meaning of such phrases for all students of the institution, subject to controlling legislation of the conference(s) or similar association of which the institution is a member. *(Revised: 8/18/06)*

**14.01.2.2 Institutional Responsibility for Eligibility Certification.** The president or chancellor is responsible for approving the procedures for certifying the eligibility of an institution's student-athletes under NCAA legislation. The president or chancellor may designate an individual on the institution's staff to administer proper certification of eligibility. Certification of eligibility must occur before allowing a student-athlete to represent the institution in intercollegiate competition (see Bylaw 14.01.1). *(Revised: 10/31/05)*

**14.01.3 Compliance with Other NCAA and Conference Legislation.** To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be in compliance with all applicable provisions of the constitution and bylaws of the Association and all rules and regulations of the institution. A student-athlete's violation of a conference rule does not affect the student-athlete's eligibility; however, the violation shall be considered an institutional violation per Constitution 2.8.1. Specific attention is called to legislation affecting eligibility in the following areas. *(Revised: 1/4/07)*

**14.01.3.1 Amateurism.** A student-athlete shall not be eligible for participation in an intercollegiate sport if the individual takes or has taken pay, or has accepted the promise of pay in any form, for participation in that sport, or if the individual has violated any of the other regulations related to amateurism set forth in Bylaw 12.

**14.01.3.2 Awards, Benefits and Expenses.** Receipt by a student-athlete of nonpermissible awards, extra benefits, or excessive or improper expenses not authorized by NCAA legislation violates the Association's amateurism principle and renders the student-athlete ineligible for athletics participation in the sport for which the improper award, benefit or expense was received (see Bylaw 16).

**14.01.3.3 Ethical Conduct.** A prospective or enrolled student-athlete who is found to have engaged in unethical conduct (see Bylaw 10.1) shall be ineligible for intercollegiate competition in all sports. Unethical conduct consists of, but is not limited to: *(Revised: 1/10/90)*

- (a) Fraudulence in connection with entrance or placement examinations;
- (b) Engaging in any athletics competition under an assumed name or with intent otherwise to deceive;
- (c) Dishonesty in evading or violating NCAA regulations; or
- (d) Knowingly furnishing the NCAA or the individual's institution false or misleading information concerning the student's involvement in or knowledge of matters relevant to a possible violation of NCAA regulations [see Bylaw 10.1-(d)]. (*Revised: 1/10/90*)

**14.01.3.4 Financial Aid.** A student-athlete who receives financial assistance other than that authorized by the Association shall not be eligible for intercollegiate athletics competition (see Bylaw 15).

**14.01.3.5 Recruitment.** Solicitation of a student-athlete's enrollment by the certifying institution or any representative of its athletics interests in violation of the Association's legislation shall render the student-athlete ineligible to represent that institution in intercollegiate athletics. A student-athlete is responsible during his or her recruitment for involvement in a violation of NCAA regulations, and the Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in such violation only when circumstances clearly warrant restoration. The eligibility of a student-athlete involved in a major violation shall not be restored other than through an exception authorized by the Committee on Student-Athlete Reinstatement in a unique case on the basis of specifically stated reasons (see Bylaw 13).

## 14.02 Definitions and Applications.

**14.02.1 Branch School.** A branch school is an educational institution that usually offers two years of college work, does not award degrees independently, and is wholly controlled and operated by a four-year, degree-granting parent institution.

**14.02.2 Collegiate Institution.** A collegiate institution (for purposes of NCAA legislation) is an institution of higher education that:

- (a) Is accredited at the college level by an agency or association recognized by the Secretary of the Department of Education and legally authorized to offer at least a one-year program of study creditable toward a degree; or (*Revised: 1/10/90, 1/13/03*)

**14.02.3 Education-Impacting Disability.** An education-impacting disability is a current impairment that has a substantial educational impact on a student's academic performance. (*Adopted: 10/20/08*)

**14.02.4 Exception.** An exception is the granting of relief from the application of a specific regulation (e.g., the residence requirement for a transfer student to become eligible for competition). Formal approval by the Management Council or an NCAA committee is not required. The action granting the exception may be taken solely by the certifying institution, based on evidence that the conditions on which the exception is authorized have been met (see Bylaw 14.02.12, for definition of "waiver").

**14.02.5 Good Academic Standing and Satisfactory Progress.** The phrases "good academic standing" and "satisfactory progress" are to be interpreted at each member institution by the academic officials who determine the meaning and application of such phrases for all students, subject to the controlling regulations of the institution; the conference(s) (or similar associations), if any, of which the institution is a member; and applicable NCAA legislation (see Bylaw 14.4).

**14.02.6 Intercollegiate Competition.** Intercollegiate competition is considered to have occurred when a student-athlete in either a two-year or a four-year collegiate institution does any of the following: (*Revised: 1/10/95, 4/29/04*)

- (a) Competes while representing the institution in any contest against outside competition, regardless of how the competition is classified (e.g., scrimmage, exhibition or joint practice session with another institution's team) or whether the student is enrolled in a minimum full-time program of studies; (*Revised: 1/10/91, 4/29/04*)
- (b) Competes in the uniform of the institution or, during the academic year, uses any apparel (excluding apparel no longer used by the institution) or equipment received from the institution that includes institutional identification (see Bylaw 16.11.1.9 for regulations governing the use of equipment during the summer); or (*Revised: 1/16/93, 1/11/94*)
- (c) Competes and receives expenses (e.g., transportation, meals, room or entry fees) from the institution for the competition.

**14.02.6.1 Exempted Events.** Participation in events listed in Bylaws 16.8.1.3-(a) and (b) are exempted from the application of this legislation. (*Revised: 1/10/92*)

**14.02.6.2 Club Team.** Participation on either a two-year or a four-year collegiate institution's club team is exempted from the application of this legislation, provided the institution does not sponsor the sport on the varsity intercollegiate level. (*Adopted: 1/12/04, Revised: 5/14/09*)

**14.02.7 National Team.** A national team is one selected, organized and sponsored by the appropriate national governing bodies of the U.S. Olympic Committee (or, for student-athletes representing another nation, the equivalent organization of that nation, or for student-athletes competing in a non-Olympic sport, the equivalent organization of that sport). The selection for such a team shall be made on a national qualification basis, either through a defined selective process or by actual tryouts, publicly announced in advance. In addition, the international competition in question shall require that the entrants officially represent their respective nations, although it is not necessary to require team scoring by nation.

**14.02.8 Outside Competition.** Outside competition is competition against any other athletics outside team (including an alumni team) or individual that does not represent the intercollegiate athletics program of the same institution.

**14.02.9 Participation in Intercollegiate Athletics.** Participation in intercollegiate athletics occurs when a student-athlete either practices in a sport (see Bylaw 17.02.1.1) or competes in a sport, as defined in Bylaw 14.02.6. Eligibility rules for competition may differ from those for practice.

**14.02.10 Residence.** Residence is enrollment in a full-time academic program (as defined by the institution) at a collegiate institution during a regular term of an academic year. A summer term may not be used to satisfy an academic term or year of residence. Any student-athlete admitted after the 12th class day may not use that semester or quarter for the purpose of satisfying an academic term or year of residence. *(Revised: 5/7/10)*

**14.02.10.1 Academic Year of Residence.** To satisfy an academic year of residence, a student shall: *(Adopted: 5/7/10)*

- (a) Be enrolled in and complete a minimum full-time program of studies for two full semesters or three full quarters; or
- (b) Be enrolled in a minimum full-time program of studies for two semesters or three quarters and pass a number of hours (including hours earned at the certifying institution during a summer term) that is at least equal to the sum total of the minimum load of each of the required terms. *(Revised: 5/22/13)*

**14.02.11 Transfer Student.** A transfer student-athlete is an individual who meets any one of the conditions set forth in Bylaw 14.5.2.

**14.02.12 Waiver.** A waiver is an action exempting an individual or institution from the application of a specific regulation. A waiver requires formal approval (e.g., by the Management Council, an NCAA committee or a conference, as specified in the legislation) based on evidence of compliance with the specified conditions or criteria under which the waiver is authorized (see Bylaw 14.02.4, for definition of “exception”).

## 14.1 General Eligibility Requirements.

**14.1.1 Postseason and Regular-Season Competition.** To be eligible for regular-season competition and NCAA championships, the student-athlete shall meet all applicable NCAA and Division III eligibility requirements.

**14.1.1.1 Ineligibility for Use of Banned Drugs.** A student-athlete who is found to have used a substance on the list of banned drugs, as set forth in Bylaw 31.2.3.1, shall be declared ineligible for further participation in postseason and regular-season competition in accordance with the ineligibility provisions in Bylaw 18.4.1.5.1. *(Adopted: 1/10/90 effective 8/1/90)*

**14.1.2 Validity of Academic Credentials.** As a condition and obligation of membership, it is the responsibility of a member institution to determine the validity of the information on which the eligibility of a student-athlete is based. Therefore, it is the responsibility of a member institution to determine whether a transcript is valid for purposes of applying appropriate NCAA legislation to the eligibility of a student-athlete when the institution receives notification, or otherwise has cause to believe, that a student-athlete’s high school, preparatory school or two-year college transcript is not valid.

### 14.1.3 Student-Athlete Statement.

**14.1.3.1 Content and Purpose.** Before participation in intercollegiate competition each academic year, a student-athlete shall sign a statement in a form prescribed by the Management Council in which the student-athlete submits information related to eligibility, recruitment, financial aid, amateur status, previous positive drug tests administered by any other athletics organization and involvement in organized gambling activities related to intercollegiate and professional athletics competition under the Association’s governing legislation. Failure to complete and sign the statement shall result in the student-athlete’s ineligibility for participation in all intercollegiate competition. Violations of this bylaw do not affect a student-athlete’s eligibility if the violation occurred due to an institutional administrative error or oversight, and the student-athlete subsequently signs the form; however, the violation shall be considered an institutional violation per Constitution 2.8.1. **[D]** *(Revised: 1/10/92 effective 8/1/92, 1/14/97, 2/19/97, 12/5/14)*

#### **14.1.4 Drug-Testing Consent Form.**

**14.1.4.1 Content and Purpose.** Each academic year, a student-athlete shall sign a form prescribed by the Management Council in which the student consents to be tested for the use of drugs prohibited by NCAA legislation. Failure to complete and sign the consent form before competition shall result in the student-athlete's ineligibility for participation (i.e., practice and competition) in all intercollegiate athletics. *(Adopted: 1/10/92 effective 8/1/92, Revised: 1/16/93, 1/10/95 effective 8/1/95, 1/14/97, 4/13/10)*

All student-athletes are to be notified that the list may change during the academic year, that updates may be found on the NCAA website (i.e., [www.ncaa.org](http://www.ncaa.org)) and informed of the appropriate athletics department procedures for disseminating updates to the list; and
- (c) The consent forms shall be kept on file by the athletics director and shall be available for examination on request by an authorized representative of the NCAA. **[D]** *(Revised: 12/5/14)*

**14.1.4.3 Effect of Violation.** A violation of Bylaw 14.1.4 or its subsections shall be considered an institutional violation per Constitution 2.8.1; however, the student-athlete's eligibility shall not be affected provided the student-athlete signs the consent form. *(Adopted: 4/13/10)*

#### **14.1.5 International Student-Athlete Form.**

- (c) Any signed authorization/consent forms shall be kept on file by the athletics director.

### 14.1.7 Admission and Enrollment.

**14.1.7.1 Admission.** A student-athlete shall not represent an institution in intercollegiate athletics competition unless the student has been admitted as a regularly enrolled student to a program of studies leading to a baccalaureate or equivalent degree in accordance with the regular, published entrance or admissions policies of that institution. **14.1.8.1 Requirement for Practice or Competition.** To be eligible for practice or competition, a student-athlete shall be enrolled in at least a minimum full-time program of studies leading to a baccalaureate or equivalent degree as defined by the institution. For purposes of this bylaw and its subsections, to be eligible for competition, a student-athlete shall be enrolled in not less than 12-semester or quarter hours, regardless of the institution's definition of minimum full-time program of studies. For practice only, a violation of this bylaw shall be considered an institutional violation per Constitution 2.8.1; however, it shall not affect the student-athlete's eligibility. **[D (practice only)]** (*Revised: 1/10/92, 1/11/00, 1/10/05, 10/20/09, 12/5/14*)

**14.1.8.1.1 Drop/Add Course.** A student-athlete no longer shall be considered enrolled in a minimum full-time program of studies (after dropping a course that places the student below full-time status) when the dropped course becomes official in accordance with procedures determined by the institution for all students. A student-athlete who is adding a course to reach full-time status shall become eligible for practice and competition once the course has been approved by the appropriate department head (or designated representative) and submitted to the registrar. (*Adopted: 1/10/92, Revised: 10/18/04, 10/20/09*)

**14.1.8.1.2 Withdrawal or Dismissal.** A student-athlete who withdraws or is dismissed from an institution is considered to be a prospective student-athlete eligible for recruitment by other NCAA member institutions and may not continue to practice with the original institution's team. (*Adopted: 10/20/09*)

- (a) The certifying institution considers the student to be regularly enrolled in a minimum full-time program of studies; and
- (b) All work is placed on the student's transcript and accepted toward his or her undergraduate degree at the certifying institution.

**14.1.8.1.5 Extension Courses.** A student-athlete may use a combination of hours taken in residence during a regular term and extension courses taken from the certifying institution during that term to meet the minimum full-time enrollment requirement, provided the institution considers enrollment in such extension courses as regular course enrollment for all students during the term time. (*Revised: 1/11/94 effective 8/1/94, 10/20/09*)

#### 14.1.8.1.6 Exceptions.

**14.1.8.1.6.1 Final Semester/Quarter—Practice or Competition.** A student-athlete may practice or compete while enrolled in less than a minimum full-time program of studies, provided the student is enrolled in the final semester or quarter of the baccalaureate or graduate program and the institution certifies that the student is carrying (for credit) the courses necessary to complete degree requirements. For a student-athlete who competes while eligible pursuant to this exception, the student-athlete shall forfeit eligibility in all sports, unless the student completes all degree requirements during that semester or quarter and is eligible to receive the baccalaureate or graduate diploma on the institution's next degree-granting date. (*Adopted: 4/8/16*)

**14.1.8.1.6.2 Enrolled in Graduate Program—Practice or Competition.** A student-athlete may practice or compete while enrolled in a full-time graduate program as defined by the institution for all graduate students, except as permitted in Bylaw 14.1.8.1.6.1 (see Bylaw 14.1.9). (*Adopted: 4/8/16*)

**14.1.8.1.6.3 First Five Days of Classes—Practice.** A student-athlete may practice, but not compete, during the institution's first five days of classes, if the student-athlete is enrolled in less than a minimum full-time program of studies, provided the student-athlete is otherwise eligible under all institutional, conference and NCAA requirements. (*Adopted: 4/8/16*)

**14.1.8.1.6.4 Cooperative Educational Work Experience Program—Practice or Competition.** A student may represent the certifying institution in intercollegiate athletics while he or she is

enrolled in a cooperative educational program (e.g., co-op, internship, practicum, student-teaching) offered by the institution that is a part of the student's academic program, provided the student is considered to be enrolled in a full-time program of studies, regardless of the credit value of the program. (*Adopted: 4/8/16*)

**14.1.8.1.6.5 Before Initial Enrollment—Practice or Competition.** A student-athlete may practice or compete during the official vacation period immediately before initial enrollment, provided the student: (*Adopted: 10/20/09*)

- (a) Has been accepted by the institution for enrollment in a regular, full-time program of studies at the time of the individual's initial participation;
- (b) Is no longer enrolled in the previous educational institution; and

- (a) Have been registered for the required minimum full-time load (see Bylaw 14.1.8.1) at the conclusion of the term immediately before the date of competition, if the student is continuing enrollment; or
- (b) Be accepted for enrollment as a regular full-time student for the regular term immediately after the date of competition if the student is either continuing enrollment or beginning enrollment (see Bylaw 14.1.8.1.6.5). (*Revised: 1/11/89*)

**14.1.8.1.6.7 Eligibility After Completion of Degree Requirements.** A student-athlete who was eligible during the term in which degree work was completed may continue to practice and compete (through the conclusion of the season) after the final day of that term, only if:

- (a) A postseason event (e.g., NCAA championship, NAIA championship, NCCAA championship) in the student-athlete's sport begins within 60 days after the end of the term in which the student-athlete completes degree requirements;
- (b) The student-athlete completed his or her degree requirements in fewer than four consecutive years from his or her initial collegiate enrollment and has been charged with a season of participation for that year prior to the completion of degree requirements; or (*Revised: 5/18/17*)
- (c) The student-athlete is continuing enrollment pursuant to Bylaw 14.1.9 (see Bylaw 14.1.8.1.6.6).

**14.1.8.1.7 Waivers of the Full-Time Enrollment Requirement for Practice or Competition.** Waivers may be granted for the following: (*Adopted: 10/20/09*)

**14.1.8.1.7.1 Nontraditional Academic Calendars or Nonrequired Cooperative Education Programs—12-Hour Requirement Only.** The Management Council, or a committee designated by the Management Council to act for it, may waive the 12-hour requirement for a student-athlete enrolled in an institution that determines enrollment hours on a basis other than traditional semester or quarter hours or that conducts a nonrequired cooperative educational work experience program if it is determined that at the time of competition the student-athlete is enrolled in a comparable minimum academic load. (*Revised: 4/11/06, 10/20/09, 7/26/11*)

**14.1.8.1.7.2 Student-Athlete with Education-Impacting Disabilities—12-Hour Requirement Only.** The Management Council, or a committee designated by the Management Council to act for it, may waive the 12-hour requirement for a student-athlete when objective evidence demonstrates that an institution defines full-time enrollment for that student-athlete to be fewer than 12 hours to accommodate for the student's education-impacting disability. (*Adopted: 1/10/95, Revised: 4/11/06, 10/20/08, 10/20/09*)

**14.1.8.1.7.3 Olympic, Pan American, World Championships, World Cup, World University Games, World University Championships or World Youth Championships—Practice or Competition.** The Management Council, or a committee designated by the Management Council to act for it, may waive the minimum full-time enrollment requirement for any participant in the junior or elite levels of the Olympic, Pan American, World Championships, World Cup, World University Games, World University Championships or World Youth Championships who, because of such participation, may lose eligibility for practice and competition in any sport. (*Adopted: 1/10/95, Revised: 4/11/06, 10/20/08, 10/20/09, 10/17/11*)

**14.1.8.1.7.4 U.S. Olympic Committee/National Governing Body—Practice Only.** A student with eligibility remaining who is not enrolled or who is enrolled in less than a minimum full-time program of studies, or a former student-athlete, may participate on a regular basis in organized practice sessions, provided the following conditions are met: (*Adopted: 1/9/96, Revised: 1/14/97 effective 8/1/97, 10/20/09*)

- (a) The practice sessions take place at the institution(s) the individual previously attended as an undergraduate, or currently attends or previously attended as a graduate student, except that

a former student-athlete who has graduated and has no eligibility remaining may participate in practice sessions at an institution other than the one he or she previously attended; (*Revised: 1/14/97 effective 8/1/97, 10/20/09, 7/26/11*)

- (b) For former student-athletes, the practice sessions involve an individual sport or rowing (for student-athletes with eligibility remaining, the practice session may include any sport);
- (c) The U.S. Olympic Committee or national governing body in the sport has recommended the individual's participation; and
- (d) In the case of a student-athlete with NCAA eligibility remaining in the sport, such participation occurs only during the academic year immediately before the Olympic Games.

**14.1.8.1.7.4.1 Administration.** This waiver shall be approved by the conference members of the Association or, in the case of independent institutions, by the Management Council. A member institution shall submit a waiver request that includes documentation that demonstrates that the conditions of Bylaw 14.1.8.1.7.4 have been met for each individual who wishes to participate in the institution's practice sessions. (*Adopted: 1/9/96, Revised: 4/11/06, 10/20/09*)

**14.1.8.1.7.5 All Other Full-Time Enrollment Waivers—Practice and Competition.** Unless specified otherwise, the Management Council or a committee designated by the Management Council to act for it, may waive the full-time enrollment requirement for practice and competition, including the 12-hour minimum enrollment requirement for competition. **14.1.9 Graduate Student/Postbaccalaureate Participation.** A student-athlete who is enrolled in a graduate or professional school of the institution he or she most recently attended as an undergraduate (regardless of whether the individual has received a U.S. baccalaureate degree or its equivalent), a student-athlete who is enrolled and seeking a second baccalaureate or equivalent degree at the same institution, or a student-athlete who has graduated and is continuing as a full-time student at the same institution while taking course work that would lead to the equivalent of another major or degree as defined and documented by the institution, may participate in intercollegiate athletics, provided the student has eligibility remaining and such participation occurs within the applicable 10-semester/15-quarter period set forth in Bylaw 14.2 (see Bylaw 14.1.8.1.6.2). (*Revised: 1/10/90, 1/16/93 effective 8/1/93, 7/22/08, 10/20/09*)

**14.1.9.1 International Student Exception.** The remaining eligibility of a student who has received a foreign postsecondary degree that is identified as a "baccalaureate" but is not equivalent to a U.S. baccalaureate and who is entering an undergraduate program must be reviewed on a case-by-case basis by the Management Council and the International Student Records Committee. (*Adopted: 1/16/93, Revised: 4/23/09*)

**14.1.10 Change in Eligibility Status.** If a student-athlete's academic eligibility changes at the end of a quarter or semester, the student-athlete shall become eligible or ineligible to compete on the date his or her eligibility officially is certified by the appropriate institutional authority. In a case in which the student becomes eligible at the end of the term, the earliest date on which the student can become eligible to compete is the day after the date of the last scheduled examination listed in the institution's official calendar for the term that is ending. In a case in which the student becomes ineligible, the ineligibility shall become effective not later than the first day of classes of the following semester or quarter. In any case, if the student-athlete is academically eligible to compete at the time of the student-athlete's or the institution's first participation in an NCAA championship, he or she shall remain eligible for the remainder of the championship.

**14.1.11 Male Practice Player Eligibility.** A male student who practices with a women's team is considered to be a student-athlete in that women's sport. The male student-athlete must be certified as eligible under all applicable NCAA eligibility requirements to participate (e.g., the individual must be enrolled in a minimum full-time program of studies, sign a student-athlete statement and drug-testing consent form and have eligibility remaining under the 10-semester rule). The male student-athlete is subject to all other NCAA legislated restrictions. See Bylaw 14.2.4.8 for use of a season of participation and Bylaw 16.8.1.4 for benefits that a male practice player may receive. (*Adopted: 10/17/06, Revised: 4/17/07, 7/24/07*)

**14.1.11.1 Limitations on the Involvement of Male Practice Players—Team Sports.** The use of male practice players in a women's team sport is subject to the following limitations: (*Adopted: 1/14/08 effective 8/1/08*)

- (a) Male practice players shall only be permitted to practice in the traditional segment in the women's sport;
- (b) The involvement of male practice players is limited to one practice per week; and
- (c) The number of male practice players who are involved during any particular practice shall not exceed half the number of student-athletes of a typical starting unit in that sport. Any computation of half of the starting unit that results in a fractional portion of a player shall be rounded up to the next whole number.

**14.1.12 Recognized Foreign Exchange/Study Abroad Program.** A student-athlete who participates in a formal and established educational foreign exchange or study abroad program recognized by the certifying institution's academic authorities shall not be considered a transfer student-athlete upon return to the certifying institution. A student-athlete who also participates (practices or competes) in athletics while participating in the recognized study abroad program does not use a season of participation nor is considered to have engaged in impermissible outside competition. All amateurism regulations still apply. (*Adopted: 1/19/13*)

## 14.2 Seasons of Participation: 10-Semester/15-Quarter Rule.

A student-athlete shall not engage in more than four seasons of intercollegiate participation in any one sport (see Bylaw 14.2.4.1). *(Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04)*

**14.2.1 Collegiate Enrollment Concurrent with Service Assignment.** Any time in which a student-athlete is enrolled for a minimum full-time program of studies as a regular student in a collegiate institution while simultaneously on active duty in the U.S. military, on an official religious mission or with a recognized foreign aid service of the U.S. government shall count against the 10 semesters/15 quarters in which the four seasons of participation must be completed. *(Revised: 5/7/10)*

**14.2.2 Ten-Semester/15-Quarter Rule.** A student-athlete shall complete his or her seasons of participation during the first 10 semesters or 15 quarters in which the student is enrolled in a collegiate institution in at least a minimum full-time program of studies, as determined by the regulations of that institution. For an institution that conducts registration other than on a traditional semester or quarter basis, the Management Council shall determine an equivalent enrollment period. *(Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04)*

**14.2.2.1 Use of Semester or Quarter.** A student-athlete is considered to have used a semester or quarter under this rule when the student attends any class while officially registered in a collegiate institution (domestic or foreign) in a regular term of an academic year for a minimum full-time program of studies, as determined by the institution, even if the student-athlete drops to part-time status at any time during the term, including his or her first day of attendance (see Bylaw 14.2.3). *(Revised: 1/9/06)*

**14.2.2.2 Fraction of 10 Semesters/15 Quarters Remaining.** A student-athlete whose combination of semesters and quarters of previous enrollment leaves him or her with any fraction of the 10th semester or 15th quarter of eligibility at the beginning of his or her final semester or quarter may remain eligible for the entire semester or quarter. *(Adopted: 4/11/11)*

**14.2.2.3 Pregnancy Exception.** A member institution may approve a two-semester or three-quarter extension of this 10-semester/15-quarter period of eligibility for a female student-athlete for reasons of pregnancy.

**14.2.2.4 Ten-Semester/15-Quarter Rule Waiver.** The Committee on Student-Athlete Reinstatement, by a two-thirds majority of its members present and voting, may approve waivers to the 10-semester/15-quarter rule as it deems appropriate. *(Revised: 4/13/10)*

**14.2.2.4.1 Waiver Criteria.** A waiver of the 10-semester/15-quarter period of eligibility is designed to provide a student-athlete with the opportunity to engage in four seasons of intercollegiate participation within a 10-semester/15-quarter period. This waiver may be granted, based upon objective evidence, for reasons that are beyond the control of the student-athlete and the institution, which deprive the student-athlete of the opportunity to participate for more than one season in his/her sport within the 10-semester/15-quarter period. The Committee on Student-Athlete Reinstatement reserves the right to review requests that do not meet the more-than-one-season criteria detailed in this bylaw for extraordinary circumstances or extreme hardship. *(Revised: 4/17/91, 1/11/94, 8/10/94, 10/12/95, 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04, 4/13/10)*

**14.2.2.4.1.1 Circumstances Beyond Control.** Circumstances considered to be beyond the control of the student-athlete or the institution and do not cause a participation opportunity to be used shall include, but are not limited to, the following: *(Adopted: 8/10/94, Revised: 10/12/95)*

- (a) Situations clearly supported by contemporaneous medical documentation, which states that a student-athlete is unable to participate in intercollegiate competition as a result of incapacitating physical or mental circumstances;
- (b) The student-athlete is unable to participate in intercollegiate athletics as a result of a life-threatening or incapacitating injury or illness suffered by a member of the student-athlete's immediate family, which clearly is supported by contemporaneous medical documentation; *(Revised: 1/9/06)*
- (c) Reliance by the student-athlete on written, contemporaneous, clearly erroneous academic advice provided to the student-athlete from a specific academic authority from a collegiate institution regarding the academic status of the student-athlete or prospective student-athlete, which directly leads to that individual not being eligible to participate and, but for the clearly erroneous advice, the student-athlete would have established eligibility for intercollegiate competition; *(Revised: 10/9/96 effective 8/1/97)*
- (d) Natural disaster (e.g., earthquakes, floods); and
- (e) Extreme financial difficulties as a result of a specific event (e.g., layoff, death in the family) experienced by the student-athlete or by an individual on whom the student-athlete is legally dependent, which prohibit the student-athlete from participating in intercollegiate athletics. These circumstances must be clearly supported by objective documentation (e.g., decree of bankruptcy, proof of termination) and must be beyond the control of the student-athlete or the individual on whom the student-athlete is legally dependent. *(Adopted: 10/12/95, Revised: 10/28/97)*

**14.2.2.4.1.2 Circumstances Within Control.** Circumstances that are considered to be within the control of the student-athlete or the institution and cause a participation opportunity to be used include, but are not limited to, the following: (*Adopted: 8/10/94, Revised: 10/12/95*)

- (a) A student-athlete's decision to attend an institution that does not sponsor his/her sport, or decides not to participate at an institution that does sponsor his/her sport;
- (b) An inability to participate due to failure to meet institutional/conference or NCAA academic requirements, or disciplinary reasons or incarceration culminating in or resulting from a conviction; (*Revised: 10/12/95*)
- (c) Reliance by a student-athlete on misinformation from a coaching staff member;
- (d) Redshirt year;
- (e) An inability to participate as a result of an academic year of residence (see Bylaw 14.02.10) or fulfilling a condition for restoration of eligibility; and
- (f) A student-athlete's lack of understanding regarding the specific starting date of his/her 10-semester/15-quarter period of eligibility. (*Adopted: 10/9/96 effective 8/1/97*)

**14.2.2.4.2 Practice While Waiver is Pending.** A student-athlete, who has exhausted his/her 10-semester/15-quarter period of eligibility, may practice, but not compete, provided the institution has filed a 10-semester/15-quarter extension waiver request with the NCAA national office. (*Adopted: 7/21/09, Revised: 4/13/10*)

### **14.2.3 Additional Applications of the 10-Semester/15-Quarter Rule.**

**14.2.3.1 Athletics Competition.** Even though a student is enrolled for less than a minimum full-time program of studies at a collegiate institution, a student shall use a semester or quarter under the 10-semester/15-quarter period of eligibility if the individual represents the institution in intercollegiate athletics. (*Revised: 4/7/05*)

**14.2.3.2 Nonrecognized College.** Enrollment in a postsecondary, noncollegiate institution (e.g., technical school, seminary or business college) in the United States that is not accredited at the college level by an agency or association recognized by the Secretary of the Department of Education and legally authorized to offer at least a one-year program of study creditable toward a degree, constitutes enrollment in the application of the 10-semester/15-quarter rule only if: (*Revised: 1/10/90, 1/13/03*)

- (a) The student is enrolled in a minimum full-time program of studies at such an institution that conducts an intercollegiate athletics program; or
- (b) The student, whether enrolled for a minimum full-time program of studies or not, represents the institution in intercollegiate athletics.

**14.2.3.3 Joint College/High School Program.** A student-athlete's eligibility under the 10-semester/15-quarter rule does not begin while a student is enrolled in a collegiate institution in a joint high school/college academic program for outstanding high school students, in which the courses count as both high school graduation credit and college credit, provided the student has not officially graduated from high school and does not participate in intercollegiate athletics while enrolled in the joint program. (*Revised: 1/14/02*)

**14.2.3.4 Vocational Program.** A student-athlete's eligibility under the 10-semester/15-quarter rule does not begin while the student is enrolled in a minimum full-time program of studies as a part of a special vocational program that combines enrollment in regular college courses and participation in vocational training courses, provided the student is not considered to be regularly matriculated by the institution, does not go through the customary registration and testing procedures required of all regular entering students and is not eligible for the institution's extracurricular activities, including athletics.

### **14.2.4 Criteria for Determining Season of Eligibility.**

**14.2.4.1 Minimum Amount of Participation.** A season of intercollegiate participation shall be counted in the student-athlete's sport when a student-athlete participates (practices or competes) during or after the first contest in the traditional segment following the student-athlete's initial participation of that academic year at that institution or when the student-athlete engages in intercollegiate competition during the nontraditional segment in that sport. This provision is applicable to intercollegiate athletics participation (practice or competition) conducted by a Division III collegiate institution at the varsity, junior varsity or freshman team level. (See Bylaw 14.1.12, for student-athletes participating in a recognized foreign exchange/study abroad program). (*Revised: 1/11/94, 1/11/00 effective 8/1/00, 1/8/01, 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04, 9/21/05, 11/16/05, 1/8/07 effective 8/1/07 for participation occurring on or after 8/1/07, 10/15/08, 1/19/13*)

**14.2.4.1.1 Exceptions.** A season of participation shall not be counted:

- (a) During the traditional segment when a student-athlete participates in a preseason scrimmage or preseason exhibition conducted before the first contest following the student-athlete's initial participation of that academic year at that institution; (*Adopted: 1/12/04 effective 8/1/04 for athletics participation occurring on or after 8/1/04, Revised: 1/10/05, 1/8/07 effective 8/1/07 for participation occurring on or after 8/1/07*)

- (b) During the traditional segment when a student-athlete participates in an alumni contest conducted before the first regular-season contest following the student-athlete's initial participation of that academic year at that institution; and (*Revised: 12/20/12, Adopted: 1/16/13*)
- (c) In baseball, field hockey, lacrosse, soccer, softball and volleyball, when a student-athlete participates (practices or competes) during the nontraditional segment. (*Adopted: 1/17/09 effective 8/1/09, Revised: 1/16/10 effective for participation occurring on or after 8/1/05*)

**14.2.4.1.2 Exception—Pending Subcommittee for Legislative Relief Waiver.** A student-athlete who is eligible for practice may practice, but not compete, after the first contest or date of competition without using a season of participation while a Subcommittee for Legislative Relief waiver is pending. To be eligible for this exception, the institution must have received official notification that the national office has received the institution's completed waiver application and all relevant supporting documentation. If the waiver request is denied, the student-athlete must cease practicing immediately on notification to the institution of the decision or the student-athlete shall be charged with the use of a season of participation. If the institution chooses to appeal a waiver denial, the student-athlete shall not resume practice until the institution receives official notification that any information required for appeal has been received. If the subcommittee denies the appeal, the student-athlete must cease practicing immediately upon notification to the institution of the decision or the student-athlete shall be charged with the use of a season of participation. (*Adopted: 8/28/08, Revised: 7/19/16*)

**14.2.4.1.3 Student Managers and Student Coaches.** A season of participation shall be counted when a student manager or student coach participates as a team member in practice or other physical activities during the time frame set forth in Bylaw 14.2.4.1. A student coach or student manager's role should be limited to performing traditional coaching or managerial duties. (*Adopted: 7/21/09*)

**14.2.4.1.4 Transfer from a Non-Division III Institution.** The season of participation standard does not apply to a transfer student-athlete's previous participation at a non-Division III institution. A transfer student-athlete is subject to the legislation that applied to the previous institution during the term(s) of participation. (*Adopted: 5/18/17*)

**14.2.4.2 Track and Field and Cross Country.** For the purposes of determining a season of intercollegiate participation, cross country, indoor track and field, and outdoor track and field shall be considered separate sports. (*Revised: 1/10/90, 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04*)

(*Adopted: 1/14/02 effective 8/1/02, Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04, 1/15/14*)

  - (3) Official tryouts and competition involving national teams sponsored by the appropriate national governing bodies of the U.S. Olympic Committee (or for student-athletes representing another nation, the equivalent organization of that nation, or for student-athletes competing in a non-Olympic sport, the equivalent organization of that sport). (*Adopted: 1/14/02 effective 8/1/02*)

**14.2.4.4.3 Major Junior Ice Hockey.** An individual who participates on a Major Junior ice hockey team shall use a season of intercollegiate participation for each calendar year or sport season in which the individual participates, regardless of when such participation occurs (including participation during high school enrollment). The individual must also fulfill an academic year of residence (see Bylaw 14.02.10) before being eligible to represent the institution in intercollegiate competition in the sport of ice hockey. (*Adopted: 4/21/09, Revised: 7/15/11*)

**14.2.4.8 Male Practice Player.** A male student who practices with a women's team in a sport that is also sponsored as a men's sport by the NCAA or is considered the same sport under amateurism regulations, is charged with a season of participation in the men's sport. If a male student practices with a women's team in a sport that has no equivalent men's sponsored sport, the male student is charged with a season of participation in the women's sport. (*Adopted: 4/11/06*)

**14.2.5 Hardship Waiver.** A student-athlete may be granted an additional year of participation (per Bylaw 14.2.4) by the conference or the Committee on Student-Athlete Reinstatement for reasons of "hardship." Hardship is defined as an incapacity resulting from a season-ending injury or illness that has occurred under all of the following conditions: (*Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04, 8/23/07*)

- (a) The season-ending injury or illness occurs before the completion of the first half of the traditional playing season in that sport for the season being waived and results in incapacity to compete for the remainder of the traditional playing season. The first half of the traditional playing season is measured by the maximum contest or date of competition (whichever is applicable to that sport) limitation in each sport as set forth in Bylaw 17 plus one contest or date of competition. For cross country and indoor and outdoor track and field, see Bylaw 14.2.5.2.5.1; and (*Revised: 1/10/05 for any competition occurring on or after 8/1/04, 1/9/06, 8/23/07, 1/16/10 effective for injuries or illnesses that occur before 8/1/10, 4/13/10*)
- (b) The season-ending injury or illness occurs when the student-athlete has not competed in more contests or dates of competition than a number equivalent to one-third of the standard denominator, where the standard denominator is determined by the maximum number of contests or dates of competition plus one contest or date of competition (see Bylaw 14.2.5.2.5.1). For cross country and indoor and outdoor track and field, see Bylaw 14.2.5.2.5.1. Only competition (excluding preseason scrimmages and exhibition contests but including scrimmages and exhibitions after the first regularly scheduled contest) against outside participants during the traditional playing season, or, if so designated, during the official NCAA championship playing season in

that sport (e.g., spring baseball, fall soccer), shall be countable under this limitation in calculating the number of contests or dates of competition in which the student-athlete has competed. [See Figure 14-1] *(Revised: 1/10/92, 1/14/97 effective 8/1/97, 1/10/05 for any competition occurring on or after 8/1/04, 4/7/05, 1/9/06, 8/23/07, 1/16/10 effective for injuries or illnesses that occur before 8/1/10, 4/13/10, 10/18/16)*

**14.2.5.1 Administration of Hardship Waiver.** The hardship waiver shall be administered by the member conferences of the Association or, in the case of an independent member institution, by the Committee on Student-Athlete Reinstatement. An institution may appeal a decision by its conference to the Committee on Student-Athlete Reinstatement. *(Revised: 1/12/04)*

**14.2.5.2 Criteria for Administration of Hardship Waiver.** The following criteria are to be employed in the administration of the hardship waiver: *(Revised: 12/5/06)*

**14.2.5.2.1 Nature of Injury/Illness.** It is not necessary for the incapacitating, season-ending injury or illness to be the direct result of the student's participation in the institution's organized practice or game competition. *(Revised: 8/23/07, 10/19/10)*

**14.2.5.2.2 Medical Documentation.** Contemporaneous or other appropriate medical documentation from a physician (i.e., a medical doctor), who administered care at the time of the injury or illness, that establishes the student-athlete's inability to compete for the remainder of the traditional playing season as a result of that injury or illness shall be submitted with any hardship-waiver request. Chiropractic records do not constitute medical documentation for purposes of administering a hardship-waiver request. In cases involving a psychological or mental illness, such documentation may be provided by an individual who is qualified and licensed to diagnose and treat the particular illness (e.g., psychiatrist, psychologist). *(Adopted: 1/12/99, Revised: 1/9/04, 1/10/05, 8/23/07, 10/20/08, 10/20/09)*

**14.2.5.2.3 First-Half-of-Season Calculation.** In determining if an injury or illness occurs in the first half of the traditional season in a sport with an odd number of contests or dates of competition, the injury or illness must have occurred before the beginning of the varsity contest or date of competition that starts the second half of the traditional season (e.g., an injury or illness occurring at any time after the beginning of the sixth football game would be considered to be after the first half of the institution's season and would not qualify the student-athlete for a hardship waiver). [See Figure 14-1] *(Revised: 1/14/97 effective 8/1/97)*

**14.2.5.2.4 Reinjury in Second Half of Season.** A student-athlete who suffers an injury in the first half of the traditional season, enters competition during the second half of the traditional season and then is unable to participate further as a result of aggravating the original injury does not qualify for the hardship waiver. *(Revised: 8/23/07)*

**14.2.5.2.5 Percent Calculation.** The following requirements are to be met in determining the percent calculation under this waiver provision: (Note: The percent calculation requirements set forth in Bylaws 14.2.5 and 14.2.5.2.3 apply only to the waiver provisions of this section and do not apply to the maximum- and minimum-contests requirements in Bylaw 20.)

**14.2.5.2.5.1 Denominator in Percent Computation.** The denominator in the institution's percent calculation shall be based on the maximum contest or date of competition (whichever is applicable to that sport) limitation in each sport (as set forth in Bylaw 17) plus one contest or date of competition. For the sport of cross country, the denominator in the institution's percent calculation shall be based on the maximum dates of competition (as set forth in Bylaw 17) plus two dates of competition. For indoor and outdoor track and field, the denominator in the institution's percent calculation shall be nine for each sport. [See Figure 14-1] *(Revised: 1/14/97 effective 8/1/97, 4/15/98, 1/10/05 for any competition occurring on or after 8/1/04, 1/16/10 effective for injuries or illnesses that occur before 8/1/10, 4/13/10)*

**14.2.5.2.5.2 Fraction in Percent Computation.** Any computation of the percent limitation that results in a fractional portion of a contest or date of competition shall be rounded to the next whole number (e.g., 33 percent of the standard basketball denominator of 26—8.6 games—shall be considered nine games). *(Revised: 1/14/97 effective 8/1/97, 2/23/11)*

**14.2.5.2.6 Foreign-Tour Competition.** A student-athlete who qualifies for a hardship for the previous academic year would not use a season of participation if the student-athlete represents the institution on a certified foreign tour during the summer-vacation period at the conclusion of that academic year. *(Adopted: 1/10/92, Revised: 1/12/04 effective 8/1/04, 1/9/06)*

**14.2.5.2.7 Transfer Student-Athletes.** The hardship-waiver criteria for a transfer student-athlete who suffers an injury or illness while attending an NCAA Division I or Division II institution may be based on the rule that would be most favorable to the student-athlete (the rule applicable to the division in which the injury or illness occurred or the Division III rule). The application of a particular division's legislation must include all the applicable elements of that division's legislation, as opposed to selected elements of the legislation of each division. *(Adopted: 4/11/11)*

**14.2.5.3 Eligibility for Practice.** A student-athlete who meets the criteria for receipt of a hardship waiver may practice and/or participate in rehabilitative activities for the remainder of the season and still qualify for a hardship waiver. A student-athlete who competes in that sport during the remainder of the season shall use

a season of participation, unless the competition meets an exception per Bylaw 14.2.4.1.1. (*Adopted: 8/23/07, Revised: 10/20/09, 3/4/16*)

**14.2.6 Season-of-Participation Waiver—Participation While Ineligible.** In conjunction with a request for restoration of eligibility and any conditions imposed thereon per Bylaw 14.11, a student-athlete may be granted an additional season of participation by the Committee on Student-Athlete Reinstatement when he or she engaged in a limited amount of participation as a result of a good-faith, erroneous formal declaration of eligibility by the institution's appropriate certifying authority or a student-athlete's good-faith, erroneous reliance on a coaching staff member's decision to put the student-athlete into participation before the coaching staff member receiving a formal declaration of the student-athlete's eligibility from the institution's appropriate certifying authority. The participation must have occurred under all of the following conditions: (*Adopted: 1/16/93, Revised: 1/12/99, 1/13/03, 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04*)

- (a) The participation occurred while the student-athlete was representing an NCAA member institution; (*Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04*)
- (b) The participation occurred within 60 days of the date the student-athlete first reported for athletics participation; (*Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04*)
- (c) The student-athlete did not participate in more than two events or 10 percent (whichever number is greater) of the institution's completed or scheduled (not exceeding the maximum limitations in each sport as set forth in Bylaw 17 as set before the first scheduled contest or date of competition) events in his or her sport. All competition (including a scrimmage) against outside participants shall be countable under this limitation in calculating both the number of events in which the student-athlete participated and the number of completed or scheduled events during that season (traditional and nontraditional) in the sport; (*Revised: 1/10/05 for any competition occurring on or after 8/1/04, 1/9/06*)
- (d) The student-athlete was involved innocently and inadvertently in the erroneous determination or declaration of eligibility, which permitted the student-athlete to participate while ineligible; and (*Revised: 1/12/99, 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04*)
- (e) In the case of a coaching staff member's erroneous decision, the student-athlete had reason to believe he or she would be eligible to participate, and the student-athlete did not contribute to the coaching staff member's erroneous decision to allow the student-athlete to participate. (*Adopted: 1/12/99*)

**14.2.6.1 Percent Calculation.** The requirements specified in Bylaw 14.2.5.2.5 shall apply to the 10-percent calculation specified in this waiver. (*Adopted: 1/16/93*)

**14.2.7 Season-of-Participation Waiver—Participation While Eligible.** A student-athlete may be granted an additional season of participation by the Committee on Student-Athlete Reinstatement when, due to extenuating circumstances (per Bylaw 14.2.7.1.2), the student-athlete, while eligible, engaged in a limited amount of participation. The participation must have occurred under all of the following conditions: (*Adopted: 1/13/03 effective 8/1/03 for competition occurring on or after 8/1/03, Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04, 6/22/05*)

- (a) The participation occurred within the first half of the traditional segment; and (*Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04*)
- (b) The student-athlete did not compete in more contests or dates of competition than a number equivalent to one-third of the standard denominator, where the standard denominator is determined by the maximum number of contests or dates of competition plus one contest or date of competition. All competition (including a scrimmage) against outside participants shall be countable under this limitation in calculating the number of contests or dates of competition in which the student-athlete participated. (*Revised: 1/10/05 for competition occurring on or after 8/1/04, 1/9/06, 6/11/14, 10/18/16*)

**14.2.7.1 Administrative Criteria.** The following criteria shall be employed in the administration of this season-of-participation waiver: (*Adopted: 1/13/03 effective 8/1/03 for competition occurring on or after 8/1/03, Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04*)

**14.2.7.1.1 Percent Calculation.** The requirements specified in Bylaw 14.2.5.2.5 shall apply to the percent calculation specified in this waiver. (*Adopted: 1/13/03 effective 8/1/03 for competition occurring on or after 8/1/03*)

**14.2.7.1.2 Extenuating Circumstances.** Extenuating circumstances include, but are not limited to, the following: (*Adopted: 1/13/03 effective 8/1/03 for competition occurring on or after 8/1/03*)

- (a) The student-athlete is unable to compete as a result of a life-threatening injury or illness suffered by a member of the student-athlete's immediate family, which clearly is supported by contemporaneous medical documentation; (*Revised: 1/10/05*)
- (b) The student-athlete is unable to compete as a result of extreme financial difficulties as a result of a specific event (e.g., layoff, death in family) experienced by the student-athlete or an individual on whom the student-athlete is legally dependent. These circumstances must be clearly supported by objective documentation (e.g., decree of bankruptcy, proof of termination) and must be beyond the

control of the student-athlete or the individual on whom the student-athlete is legally dependent; and (*Revised: 1/10/05*)

- (c) The student-athlete's institution dropped the sport (in which the student has practiced or competed) from its intercollegiate program.

**14.2.7.1.3 Review Authority.** In cases in which a student-athlete does not meet the extenuating circumstances listed in Bylaw 14.2.7.1.2, the Committee on Student-Athlete Reinstatement shall have authority to review and grant waivers based on additional documented extenuating circumstances. (*Adopted: 1/13/03 effective 8/1/03 for competition occurring on or after 8/1/03*)

## 14.4 Satisfactory-Progress Requirements.

**14.4.1 Satisfactory-Progress Requirements.** To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall maintain satisfactory progress toward a baccalaureate or equivalent degree at that institution as determined by the regulations of that institution. As a general requirement, "satisfactory progress" is to be interpreted at each member institution by the academic authorities who determine the meaning of such phrases for all students, subject to controlling legislation of the conference(s) or similar association of which the institution is a member. (See Constitution 3.2.4.11 regarding the obligations of members to publish their satisfactory-progress requirements for student-athletes and Bylaw 14.01.2 for the requirements for student-athletes enrolled in two-year degree programs.) (*Revised: 1/10/05, 8/18/06*)

**14.4.1.1 Exchange Student.** A foreign exchange student as defined in Bylaw 14.5.1.4.1 shall maintain satisfactory progress toward a baccalaureate or equivalent degree at the student's preceding educational institution.

**14.4.1.2 Temporary Student.** A student-athlete having the status of temporary, transient or exchange student shall not represent an institution in intercollegiate athletics competition unless such status is specifically allowed and governed by provisions adopted by the membership.

**14.4.1.3 Prior Approval—Summer Courses at Other Institutions.** Prior approval by appropriate academic officials of the certifying institution is required if courses taken during another institution's summer term are to be used in determining the student's academic status (i.e., good academic standing and satisfactory progress). Under limited circumstances, the Management Council may grant waivers for student-athletes who did not request or receive prior approval.

**14.4.1.4 Correspondence, Extension, Credit-by-Examination and Online Courses.** Use of correspondence, extension, credit-by-examination, and online courses for purposes of academic standing or satisfactory progress shall be determined by the regulations of the certifying institution, regardless of whether the courses are taken through the certifying institution or through another institution. (*Adopted: 1/14/08 effective 8/1/08*)

**14.4.1.5 Waiver—Olympic Games.** The Management Council may waive this general satisfactory-progress requirement for any participant in the Olympic Games who, because of such participation, may lose eligibility for practice and competition in any sport.

## 14.5 Transfer Regulations.

**14.5.1 Residence Requirement—General Principle.** A student who transfers (see Bylaw 14.5.2) to a member institution from any collegiate institution is required to complete an academic year of residence (see Bylaw 14.02.10) at the certifying institution before being eligible to compete for or to receive travel expenses from the member institution (see Bylaw 16.8.1.2), unless the student satisfies the applicable transfer requirements or receives an exception or waiver as set forth in this section. (*Revised: 1/10/91 effective 8/1/91, 5/7/10*)

**14.5.1.1 Fulfillment of Residence Requirement in Night School.** When a student transfers to a member institution and is required to fulfill a residence requirement before being eligible to participate in competition, it is permissible for the transfer student to meet the requirement by attending an institution's night school, provided the following conditions are met:

- (a) The night school has regular terms (semesters or quarters) that are the same as the institution's day school;
- (b) The student is enrolled in a minimum full-time program of studies during each night term counted; and
- (c) The student is considered by the institution to be a regularly matriculated student in each term.

**14.5.1.2 Disciplinary Suspension.** A student who transfers to any NCAA institution from a collegiate institution while the student is disqualified or suspended from the previous institution for disciplinary reasons (as opposed to academic reasons) must complete one calendar year of residence at the certifying institution. (*Revised: 1/14/97 effective 8/1/97*)

**14.5.1.2.1 Exception.** A student who transfers to the certifying institution and meets the requirements of the two-year nonparticipation exception set forth in Bylaws 14.5.4.2 or 14.5.5.1.3 is not required to complete one calendar year of residence. (*Adopted: 1/16/10 effective 8/1/10*)

**14.5.1.3 Championship Eligibility.** A transfer student who is required to fulfill an academic year of residence (see Bylaw 14.02.10) shall not be eligible to participate in any NCAA championship that occurs during the academic year of residence or during the vacation period immediately following the academic year of residence. *(Revised: 1/9/06 effective 8/1/06)*

**14.5.1.4 Foreign Institution Transfers.** A transfer student from a foreign collegiate institution (college, university or two-year college), except one entering as an exchange student (Bylaw 14.5.1.4.1), shall comply with the one-year residence requirement set forth in Bylaw 14.5.5.1.

**14.5.1.4.1 Foreign Exchange Student Exception.** A student who transfers to the certifying institution shall be immediately eligible if the student is enrolled in the certifying institution for a specified period of time as a foreign exchange student participating in a formal and established educational exchange program (e.g., sponsored by the U.S. Department of State, Rotary International, the Ford Foundation, the Institute of International Education) recognized by the institution's academic authorities. *(Revised: 7/22/08)*

**14.5.2 Conditions Affecting Transfer Status.** A transfer student is an individual who transfers from a collegiate institution after having met any one of the following conditions at that institution:

- (a) The student was officially registered and enrolled in a minimum, full-time program of studies in any quarter or semester of an academic year, as certified by the registrar or admissions office and attended class; *(Revised: 1/9/06)*
- (b) The student attended a class or classes in any quarter or semester in which the student was enrolled in a minimum full-time program of studies, even if the enrollment was on a provisional basis and the student was later determined by the institution not to be admissible;
- (c) The student is or was enrolled in an institution in a minimum full-time program of studies in a night school that is considered to have regular terms (semesters or quarters) the same as the institution's day school, and the student is or was considered by the institution to be a regularly matriculated student;
- (d) The student attended a branch school that does not conduct an intercollegiate athletics program, but the student had been enrolled in another collegiate institution before attendance at the branch school;
- (e) The student attended a branch school that conducted an intercollegiate athletics program and transfers to an institution other than the parent institution;
- (f) The student reported for a regular squad practice (including practice or conditioning activities that occurred before certification), announced by the institution through any member of its athletics department staff, before the beginning of any quarter or semester, as certified by the athletics director. Participation only in picture-day activities would not constitute "regular practice;" or
- (g) The student participated in practice or competed in a given sport even though the student was enrolled in less than a minimum full-time program of studies.

**14.5.3 Conditions Not Constituting Transfer Status.** Unless otherwise covered by conditions set forth in Bylaw 14.5.2, a student-athlete is not considered a transfer under the following enrollment conditions:

**14.5.3.1 Summer School, Extension Courses or Night School.** The student has been enrolled in or attended classes only in a summer school, extension course or night school, unless the night school is considered by the institution to be a regular term (semester or quarter) the same as its day school, the student is enrolled for a minimum full-time load in this regular night term, and the student is considered by the institution to be a regularly enrolled student.

**14.5.3.2 Second Campus of Institution.** The student is in residence at an institution's campus that is not in the same city as the institution's main campus, provided the campus at which the student is in residence does not conduct an intercollegiate athletics program, classes on the campus are taught by the same instructors who teach classes on the main campus, the credits received by all class enrollees are considered as regular credits by the institution's main campus, and the degrees awarded to all students come from the institution's main campus.

**14.5.3.3 Academic Exchange Program.** The student participates in a regular academic exchange program between two four-year institutions that requires a participant to complete a specified period of time at each institution, and the program provides for the student-athlete to receive at least two baccalaureate or equivalent degrees at the conclusion of this joint academic program.

**14.5.4 Two-Year College Transfers.** A student who transfers to a member institution from a two-year college or from a branch school that conducts an intercollegiate athletics program must complete an academic year of residence (see Bylaw 14.02.10) unless the student qualifies for a transfer exception as set forth in Bylaw 14.5.4.1. *(Revised: 1/10/92, 4/14/06, 5/7/10)*

**14.5.4.1 Exceptions.** A student who transfers to the certifying institution shall be immediately eligible if: *(Revised: 1/10/91 effective 8/1/91, 1/13/98 effective 8/1/98, 1/12/99 effective 8/1/99, 10/22/03, 1/10/05 effective 8/1/05, 1/9/06, 4/14/06)*

- (a) The student has never practiced nor competed in intercollegiate athletics; *(Revised: 1/9/06, 1/14/15)*
- (b) The student transfers from a two-year college or from a branch school that conducts an intercollegiate athletics program without having been enrolled full time at a four-year collegiate institution and would

have been academically and athletically eligible had he or she remained at that institution. A student-athlete who has exhausted his or her athletics eligibility at the two-year college may use this transfer exception if the student-athlete was otherwise academically or athletically eligible for competition at the two-year college; or

- (c) The student transfers from a four-year institution to a two-year college, and then to the certifying institution, provided the student either would have been athletically and academically eligible, at the time of transfer from the previous four-year institution (see Bylaw 14.5.2), had he or she remained at the previous four-year institution or he or she successfully completed at least 24-semester or 36-quarter hours of transferable-degree credit at the two-year college and spent at least two full-time semesters or three full-time quarters of attendance at the two-year college. *(Revised: 11/16/05, 12/19/07, 1/12/11, 11/3/16)*

**14.5.4.1.1 Multiple Two-Year Colleges.** It is permissible for a 4-2-4 transfer student-athlete who attended multiple two-year colleges to use credits earned at the two-year colleges to satisfy the credit-hour requirements set forth in Bylaw 14.5.4.1. The student-athlete may combine terms of full-time attendance at any of the two-year colleges to satisfy the minimum two-semester or three-quarter attendance requirement. *(Adopted: 5/5/00, Revised: 1/10/05)*

**14.5.4.2 Two-Year Nonparticipation Exception.** The student transfers to the certifying institution from a two-year college or from a branch school that conducts an intercollegiate athletics program and, for a consecutive two-year period immediately before the date on which the student begins participation (practice and/or competition), the student has neither practiced nor competed in the involved sport in intercollegiate competition, and has neither practiced nor competed in organized noncollegiate amateur competition while enrolled as a full-time student in a collegiate institution. This two-year period does not include any period of time before the student's initial collegiate enrollment. *(Adopted: 1/11/00, Revised: 3/23/01)*

**14.5.5 Four-Year College Transfers.** See Bylaw 13.1.1.2 for prohibition against contacting student-athletes of another four-year collegiate institution without permission.

**14.5.5.1 General Rule.** A transfer student from a four-year institution shall not be eligible for intercollegiate competition until the student has fulfilled an academic year of residence (see Bylaw 14.02.10) at the certifying institution unless the student qualifies for one of the transfer exceptions set forth in Bylaws 14.5.5.1.1, 14.5.5.1.2 or 14.5.5.1.3. A transfer student (other than one under disciplinary suspension per Bylaw 14.5.1.2) may qualify for an exception to the academic year of residence requirement provided he or she does not have an unfulfilled residence requirement at the institution from which he or she is transferring. (See Bylaw 14.1.12, for student-athletes participating in a recognized foreign exchange/study abroad program). *(Revised: 1/10/91 effective 8/1/91, 5/7/10, 1/19/13)*

**14.5.5.1.1 Exception.** A student who transfers to the certifying institution shall be immediately eligible if: *(Revised: 1/14/97 effective 8/1/97, 1/10/05 effective 8/1/05)*

- (a) The student has never practiced nor competed in intercollegiate athletics; *(Revised: 1/9/06, 1/19/13 effective 8/1/13)*
- (b) The student transfers from a four-year collegiate institution and would have been academically and athletically eligible, at the time of transfer to the certifying institution (see Bylaw 14.5.2), had he or she remained at the previous institution; or *(Revised: 1/12/11 effective 8/1/11)*
- (c) The student transfers from a four-year collegiate institution that did not sponsor the student-athlete's sport and, while at that institution, the student-athlete: *(Adopted: 1/12/11 effective 8/1/11)*
  - (1) Successfully completed at least 24-semester or 36-quarter hours of transferable-degree credit; and
  - (2) Completed at least two full-time semesters or three full-time quarters.

**14.5.5.1.2 Exchange Student Exception.** A student who transfers to the certifying institution shall be immediately eligible if the student is enrolled in the certifying institution for a specified period of time as an exchange student participating in a formal and established educational exchange program recognized by the institution's academic authorities. *(Revised: 1/11/89, 1/10/92, 7/22/08)*

**14.5.5.1.3 Two-Year Nonparticipation Exception.** The student transfers to the certifying institution from another four-year college and, for a consecutive two-year period immediately before the date on which the student begins participation (practice and/or competition), the student has neither practiced nor competed in the involved sport in intercollegiate competition, and has neither practiced nor competed in organized noncollegiate amateur competition while enrolled as a full-time student in a collegiate institution. This two-year period does not include any period of time before the student's initial collegiate enrollment. *(Revised: 1/10/95)*

## 14.7 Outside Competition, Effects on Eligibility.

The eligibility of a student-athlete who engages in outside competition (see Bylaw 17.02.10) is affected as set forth in the following regulations.

**14.7.1 Outside Competition.** A student-athlete becomes ineligible for intercollegiate competition in that sport until eligibility is restored by the Committee on Student-Athlete Reinstatement if, after enrollment in college and during any year in which the student-athlete is a member of an intercollegiate squad or team, he or she competes or has competed as a member of any outside team in any noncollegiate, amateur competition (e.g., tournament play, exhibition games or other activity) during the institution's intercollegiate season in the sport (see Bylaw 14.7.3 for exceptions and waivers) unless restored to eligibility before that time by the Committee on Student-Athlete Reinstatement. (See Bylaw 14.1.12, for student-athletes participating in a recognized foreign exchange/study abroad program). (*Revised: 1/16/93, 1/11/94, 1/13/03 effective 8/1/03, 12/20/04, 1/10/05, 1/19/13*)

**14.7.1.1 Additional Restriction—Wrestling.** In wrestling, a student-athlete may compete outside of the institution's intercollegiate season as a member of an outside team in any noncollegiate, amateur competition, except during the period between the beginning of the institution's academic year and November 1. The number of student-athletes from any one institution shall not exceed the applicable limits set forth in Bylaw 17.29.2. (*Adopted: 7/26/11 effective 8/1/11*)

**14.7.1.2 Volleyball and Beach Volleyball.** Volleyball and beach volleyball are considered the same sport for the purposes of Bylaw 14.7. (*Adopted: 1/17/15 effective 8/1/15, Revised: 8/19/15*)

### 14.7.2 Additional Applications of Outside-Competition Regulations.

**14.7.2.1 Definition of Team Member.** A student-athlete is considered to be a member of the institution's team in a sport in any specified year when the student meets any of the conditions set forth in Bylaw 14.7.2.2 and/or reports for practice or competition in that sport in that year. Thereafter, for purposes of this rule, the student-athlete is considered to be a member of that team for the remainder of the season.

**14.7.2.1.1 Exception.** A student-athlete who fails to make the institution's team after participation only in limited preseason tryouts shall not be considered a member of the team for purposes of this regulation. (*Adopted: 1/16/93*)

**14.7.2.2 Eligibility Status.** A student-athlete is considered to be a member of the institution's team, and therefore bound by this regulation in that sport, if the student-athlete:

- (a) Is ineligible to compete but practiced with a squad or team in the sport; or
- (b) Is eligible to compete but was not permitted to do so, other than taking part in practice sessions with the squad or team in the sport.

**14.7.2.2.1 Exception.** A student-athlete who fails to make the institution's team after participation only in limited preseason tryouts shall not be considered a member of the team for purposes of this regulation. (*Adopted: 1/16/93*)

**14.7.2.3 Competition between Segments.** If an institution conducts separate fall and spring practice or playing segments in a sport, it is permissible for a student-athlete to participate in that sport on an outside team during the period between the two segments without affecting his or her eligibility. (*Revised: 1/10/91 effective 8/1/91, 1/16/93*)

**14.7.2.4 Postseason Competition.** An institution's intercollegiate season includes any scheduled participation in the conference championship in the sport in question but excludes the period between the last regularly scheduled competition and the NCAA championship in that sport.

**14.7.2.5 Competition as Individual/Not Representing Institution.** It is permissible for a student-athlete to participate in outside competition as an individual during the academic year in the student-athlete's sport, as long as the student-athlete represents only himself or herself in the competition and does not engage in such competition as a member of or receive expenses from an outside team.

**14.7.2.5.1 No Competition Between Beginning of Academic Year and November 1—Wrestling.** In wrestling, a student-athlete shall not participate in outside competition as an individual between the beginning of the institution's academic year and November 1. (*Adopted: 7/26/11 effective 8/1/11*)

**14.7.2.6 Exempt Teams.** In the individual sports (see Bylaw 17.02.13.2), such units as "pro-am" golf teams, doubles tennis teams, and relay teams in track and field are not considered to be outside teams for purposes of this legislation.

### 14.7.3 Exceptions—All Sports.

- (a) **High School Alumni Game.** A student-athlete may compete in one game a year involving players from the student-athlete's former high school and its alumni team. In sports other than basketball, this game must take place during an official vacation period of the institution's academic year.
- (b) **Olympic Games.** A student-athlete may participate in the official Olympic Games, in final tryouts that directly qualify competitors for the Olympic Games and in officially recognized competition directly qualifying participants for final Olympic Games tryouts. (*Revised: 1/14/97 effective 8/1/97*)

- (c) **Official Pan American Games Tryouts and Competition.** A student-athlete may participate in official Pan American Games tryouts and competition, including junior-level tryouts and competition. (*Adopted: 1/14/97 effective 8/1/97, Revised: 4/11/06*)
- (d) **National Teams.** A student-athlete may participate in official tryouts and competition involving national teams sponsored by the appropriate national governing bodies of the U.S. Olympic Committee (or, for the student-athletes representing another nation, the equivalent organization of that nation or, for student-athletes competing in a non-Olympic sport, the equivalent organization of that sport). (*Adopted: 1/14/97 effective 8/1/97*)
- (e) **Official World Championships, World University Games (Universiade), World University Championships, World Youth Championships and World Cup Tryouts and Competition.** A student-athlete may participate in official World Championships, World University Games (Universiade), World University Championships, World Youth Championships and World Cup tryouts and competition (including junior levels). (*Adopted: 1/14/97 effective 8/1/97, Revised: 1/14/02, 4/11/06, 10/17/11*)
- (f) **Multisport Events.** A student-athlete may participate in officially recognized state and national multisport events. (*Adopted: 1/14/97 effective 8/1/97*)
- (g) **Triathlons.** A student-athlete, other than a triathlon student-athlete, may compete, as an individual or part of a team, in triathlons at any time during the calendar year subject to Bylaw 12 limitations. If a student-athlete competes on a triathlon team, he or she must compete in all three legs of the triathlon to satisfy this exception. (*Adopted: 1/15/11, Revised: 4/11/11, 5/15/14*)

**14.7.3.1 National-Team Criteria.** A national team shall meet the following criteria: (*Adopted: 1/14/97 effective 8/1/97, Revised: 12/5/06, 4/13/10*)

- (a) It is designated by the U.S. Olympic Committee, national governing body or other organizations recognized by the U.S. Olympic Committee (or, for student-athletes representing another nation, the equivalent organization of that nation, or, for student-athletes competing in a non-Olympic sport, the equivalent organization in that sport); (*Revised: 4/17/13*)
- (b) Selection for such a team is made on a national qualification basis either through a defined selective process or actual tryouts, publicly announced; and
- (c) The international competition in question requires that the entries officially represent their respective nations, although it is not necessary to require team scoring by nation. (*Revised: 12/5/06*)

**14.7.4 Collegiate All-Star Contests.** A student-athlete who competes as a member of a squad in any college all-star contest shall be denied further intercollegiate eligibility in that sport. (*Revised: 1/11/00 effective 8/1/00*)

## 14.8 U.S. Service Academies, Special Eligibility Provisions.

**14.8.1 Ten-Semester/15-Quarter Rule.** The Committee on Student-Athlete Reinstatement may approve waivers to the 10-semester/15-quarter rule (see Bylaw 14.2) for student-athletes of the national service academies who have exhausted eligibility in one sport but wish to compete in another sport or sports in which they have eligibility remaining. (*Revised: 1/13/03*)

**14.8.2 Transfer Status.** A student who has attended as a freshman (plebe) only in the official summer-enrollment program of one of the national service academies is not considered a transfer in the application of the transfer regulations of Bylaw 14.5.

## 14.9 Ineligibility.

**14.9.1 Obligation of Member Institution to Withhold Student-Athlete from Competition.** If a student-athlete is ineligible under the provisions of the constitution, bylaws or other regulations of the Association, the institution shall be obligated to apply immediately the applicable rule and to withhold the student-athlete from all intercollegiate competition. The institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete's eligibility as provided in Bylaw 14.11 if it concludes that the circumstances warrant restoration.

**14.9.2 Ineligibility Resulting from Recruiting Violation.** An institution shall not enter a student-athlete (as an individual or as a member of a team) in any intercollegiate competition if it is acknowledged by the institution or established through the Association's enforcement procedures that the institution or representative(s) of its athletics interests violated the Association's legislation in the recruiting of the student-athlete. The institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete's eligibility as provided in Bylaw 14.11 if it concludes that circumstances warrant restoration.

**14.9.2.1 Payment of Legal Fees during Appeal.** A member institution may provide actual and necessary expenses for a prospective student-athlete to attend proceedings conducted by the institution, its athletics conference or the NCAA that relate to the prospective student-athlete's eligibility to participate in intercollegiate athletics, provided the prospective student-athlete has been accepted for enrollment by the institution and has

provided written confirmation of his or her intent to enroll at the institution. The cost of legal representation in such proceedings also may be provided by the institution (or a representative of its athletics interests).

**14.9.3 Application of Ineligibility Ruling Pending Appeal.** Once an official interpretation (per Constitution 5.4.1.2) applicable to a member institution has been issued and results in the ineligibility of a student-athlete, it is necessary for the institution to apply the rule to the eligibility of the student-athlete, even if review of the interpretation (per Constitution 5.4.1.2 or 5.4.1.4) at the request of the institution is pending. Failure to withhold such a student-athlete from competition is a violation of the conditions and obligations of membership.

#### **14.9.4 Ineligible Participation.**

**14.9.4.1 Loss of Eligibility.** A student-athlete shall be denied eligibility for intercollegiate competition in a sport if he or she participates in intercollegiate competition in that sport while ineligible under this bylaw or other applicable NCAA legislation. The certifying institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete's eligibility if it concludes that the circumstances warrant restoration (see Bylaw 14.11).

### **14.11 Restoration of Eligibility.**

**14.11.1 Basis for Appeal.** When a student-athlete is determined to be ineligible under any applicable provision of the constitution, bylaws or other regulations of the Association, the member institution, having applied the applicable rule and having withheld the student-athlete from all intercollegiate competition, may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student's eligibility, provided the institution concludes that the circumstances warrant restoration of eligibility.

**14.11.2 Participation in Appeal Hearing.** Any appeal to restore a student-athlete's eligibility shall be submitted in the name of the institution by the president or chancellor (or an individual designated by the president or chancellor), faculty athletics representative, senior woman administrator or athletics director (for the men's or women's program). At least one of those individuals must participate in any hearing of the appeal that involves direct participation by the student-athlete or other individuals representing the institution or the student. *(Revised: 1/11/94, 10/3/05)*

**14.11.3 Student Responsibility, Relationship to Restoration of Eligibility.** A student-athlete is responsible for his or her involvement in a secondary or major violation of NCAA regulations (as defined in Bylaws 19.02.2.1 and 19.02.2.2), and the Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in any violation only when circumstances clearly warrant restoration. The eligibility of a student-athlete involved in a major violation shall not be restored other than through an exception authorized by the Committee on Student-Athlete Reinstatement in a unique case on the basis of specifically stated reasons.

### **14.12 Additional Waivers for Eligibility Requirements.**

Conditions under which exceptions are permitted or waivers may be granted to specific eligibility requirements in this bylaw are noted in other sections of this bylaw. Other than these, there shall be no waiver by the Association of any of the provisions of this bylaw except as follows.

**14.12.1 Management Council Waivers.** The Management Council, by a two-thirds majority of its members present and voting, may waive specific provisions of this bylaw as follows.

**14.12.1.1 Academic and General Requirements.** The academic and general eligibility requirements may be waived under the following conditions or circumstances:

- (a) For student-athletes in times of national emergency;
- (b) For member institutions that have instituted a trimester or other accelerated academic program, provided any member institution applying for a waiver shall demonstrate a reasonable need for such waiver. Further, the Management Council shall grant no waiver that permits a student-athlete to engage in more than four seasons of intercollegiate participation. Under the waiver allowed, if a student in an accelerated academic program completes the requirements for a degree before completing eligibility, the student may participate in competition that begins within 90 days after completion of the requirements for the degree. The Management Council shall include a report of each such exception in its annual report to the Convention; and *(Revised: 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04)*
- (c) For institutions that have suffered extraordinary personnel losses from one or more of their intercollegiate athletics teams due to accident or illness of a disastrous nature.

**14.12.1.2 Residence Requirement.** The one-year residence requirement for student-athletes may be waived under the following conditions or circumstances:

- (a) For a student-athlete who transfers to a member institution for reasons of health. Such request for a waiver may be initiated by any member institution and shall be supported by contemporaneous medical documentation and medical recommendations of the institution's team physician and/or the student-athlete's personal physician; *(Revised: 1/9/06)*

- (b) For a student-athlete who transfers to a member institution after loss of eligibility due to a violation of the regulation prohibiting pay for participation in intercollegiate athletics (see Bylaw 12.1) or a violation of recruiting regulations (see Bylaw 13.01.6). The Management Council may waive these requirements only upon a determination of the innocence or inadvertent involvement of the student-athlete in the violation; and
- (c) On the recommendation of the Committee on Infractions, for a student-athlete who transfers to a member institution to continue the student-athlete's opportunity for full participation in a sport because the student-athlete's original institution was placed on probation by the NCAA with sanctions that would preclude the institution's team in that sport from participating in postseason competition during all of the remaining seasons of the student-athlete's eligibility (see Bylaw 13.1.1.2.4). *(Revised: 1/10/92)*

**15.01.7 Eligibility of Student-Athletes for Institutional Financial Aid.** A student-athlete must meet institutional regulations applicable to the general student body to be eligible for institutional financial aid. (*Revised: 1/12/99 effective 8/1/99*)

**15.01.8 Maximum Institutional Financial Aid to Individual.** An institution shall not award financial aid to a student-athlete that exceeds the cost of attendance that normally is incurred by students enrolled in a comparable program at that institution (see Bylaw 15.4).

## 15.02 Definitions and Applications.

**15.02.1 "Administered By."** Financial aid is administered by an institution if the institution, through its regular committee or other agency for the awarding of financial aid to students generally, makes the final determination of the student-athlete who is to receive the award and of its value.

**15.02.2 Financial Aid.** "Financial aid" is funds provided to student-athletes from various sources to pay or assist in paying their cost of education at the institution. As used in NCAA legislation, "financial aid" includes all institutional financial aid and other permissible financial aid as set forth below.

- (b) Aid from government or private sources for which the institution is responsible for selecting the recipient or determining the amount of aid, or providing matching or supplementary funds for a previously determined recipient.

**15.02.2.2 Other Permissible Financial Aid.** The following sources of financial aid are also permitted:

- (a) Financial aid received from anyone on whom the student-athlete is naturally or legally dependent;
- (b) Financial aid awarded solely on bases having no relationship to athletics leadership, ability, participation or performance; *(Revised: 8/22/06, 4/30/09)*

- (e) Educational expenses awarded by the U.S. Olympic Committee or a U.S. national governing body (or, for international student-athletes, expenses awarded by the equivalent organization of a foreign country). *(Adopted: 1/10/95 effective 8/1/95)*

**15.02.3 Cost of Attendance.** The “cost of attendance” is an amount calculated by an institutional financial aid office, regular college agency, office or committee, using federal regulations that includes the cost of tuition and fees, room and board, required course-related books, transportation and other expenses incidental to attendance at the institution. *(Revised: 1/11/89 effective 8/1/89, 5/7/07)*

## 15.1 Maximum Limit on Financial Aid—Individual.

- (a) **Employment.** Employment earnings from federal and state work-study program assistance; *(Revised: 1/16/93, 1/14/97 effective 8/1/97, 1/12/99 effective 8/1/99)*

- (g) **Loans.** Loans, except legitimate loans that are based upon a regular repayment schedule, available to all students and administered on the same basis for all students.

**15.1.2 Reduction When Excess Aid is Awarded.** In the event that a student-athlete’s financial aid from the sources listed in Bylaw 15.1.1, which includes institutional financial aid, will exceed cost of attendance for the balance of the academic year, the institution shall reduce institutional financial aid so as not to exceed cost of attendance. Payments credited to a student-athlete’s account that are not refundable by the institution to the institution’s financial aid office, regular college agency, office or committee shall not become the student’s obligation. *(Revised: 5/7/07)*

**15.2.3.1 Report of Aid from Outside Sources.** All financial assistance received by the student-athlete from sources outside the institution shall be reported to the institution's financial aid office. When outside aid is received after the financial aid program of the institution has been offered to the student, the institution's financial aid office shall be notified and an adjustment of the aid already offered shall take place in order that the total aid available from all sources does not exceed the cost of attendance. *(Adopted: 1/8/01 effective 8/1/02, Revised: 4/30/09)*

- (a) Disbursement of the aid shall be through the member institution for the recipient's educational expenses while attending that institution;
- (b) The recipient's choice of institutions shall not be restricted by the U.S. Olympic Committee or national governing body (or, for international student-athletes, expenses awarded by the equivalent organization of a foreign country); and *(Revised: 1/4/07)*
- (c) The value of the award alone or in combination with other aid per Bylaw 15.1.1 shall not exceed the value of cost of attendance.

**15.2.4 Summer Financial Aid.** Summer financial aid may be awarded to student-athletes in accordance with institutional policies applicable to the general student body. *(Adopted: 1/11/00 effective 8/1/00)*

**15.2.4.1 Olympic Waivers.** Waivers of the restriction that financial aid may be used only to attend the awarding institution's summer term or summer school may be approved by the Management Council, by a two-thirds majority of its members present and voting, for member institutions that have summer terms or summer schools curtailed because of the use of their facilities for the Olympic Games.

## **15.3 Terms and Conditions of Awarding Institutional Financial Aid.**

**15.4.1.1 Financial Aid Reporting Process.** An institution shall submit an annual report that includes data regarding the financial aid packages awarded by the institution to freshmen and incoming transfer student-athletes and to other incoming students. **15.4.1.1.2.1 Penalty Period.** A penalty period of not less than three academic years shall apply to an institution that fails to submit the annual financial aid report subject to the conditions set forth in

this bylaw. The penalty period begins once a first failure (see Bylaw 15.4.1.1.2.1.1) occurs. *(Adopted: 10/19/10 effective 8/1/11)*

**15.4.1.1.2.1.1 First Failure.** An institution shall be placed on probation for the length of the penalty period beginning with the next academic year after the failed submission. **15.4.4 Need Analysis Method.** Any need-based assistance provided to a student-athlete must be based on financial need as determined by need analysis methodologies that conform to federal, state and written institutional guidelines. **15.4.5 Athletics Staff Involvement.** Members of the athletics staff of a member institution shall not be permitted to arrange or modify the financial aid package (as assembled by the financial aid officer or financial aid committee) and are prohibited from serving as members of member institutions' financial aid committees and from being involved in any manner in the review of the institutional financial assistance to be awarded to a student-athlete.

**15.4.6 Matrix-Rating System.** In instances in which admissions officers use a matrix-rating system where, as part of the admissions process, any consideration of athletics leadership, ability, participation or performance is used in the matrix, such consideration must be excluded before review of the student-athlete's application for financial aid. *(Revised: 8/22/06, 5/7/07, 4/30/09)*

**15.4.7 Adjustments to Financial Aid Package.** Adjustments to the composition of the financial aid package for a prospective student-athlete may be made after the initial packaging for the student has been completed, provided such adjustments fit within the packaging guidelines for all of the institution's prospective students and there is no athletics department involvement in the process. *(Adopted: 1/10/92)*

**15.4.8 Faculty/Staff Benefits.** Tuition remission, assistance or similar remuneration granted as a benefit of employment to a faculty or staff member shall not be included as institutional financial aid in the case of that faculty or staff member's dependent. - (d) The institution agrees to notify each potential recipient promptly if its application is denied; and (*Revised: 1/12/04*)
- (e) The institution notifies all of its opponents that it is providing athletics aid (see Bylaw 20.6.9.1 regarding Division III championships eligibility). (*Revised: 1/12/04*)

## 16.01 General Principles.

**16.01.1 Exception for Benefits Available to Other Students.** The receipt of a benefit by a student-athlete or his or her relatives or friends that is not authorized by NCAA legislation is not a violation if it is demonstrated that the same benefit generally is available to the institution's students, their relatives or friends or to a particular segment of the student body determined on a basis unrelated to athletics ability. (*Revised: 1/10/91, 10/15/08*)

**16.01.2 Pay for Unspecified Expenses.** A payment to a student-athlete for unspecified, unitemized, excessive or improper expenses is not permitted.

**16.01.3 Eligibility Ramifications—Restitution for Receipt of Improper Benefits.** Unless otherwise noted, for violations of all Bylaw 16 provisions in which the value of the benefit is \$200 or less, the eligibility of the student-athlete shall not be affected conditioned on the student-athlete repaying the value of the benefit to a charity of his or her choice. The student-athlete, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the individual repays the benefit. Violations of these bylaws remain institutional violations per Constitution 2.8.1, and documentation of the individual's repayment shall be forwarded to the enforcement staff. For violations of Bylaw 16 in which there is no monetary value to the benefit, violations shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the student-athlete's eligibility. (*Adopted: 1/8/01, Revised: 10/18/04, 1/9/06, 4/14/17*)

**16.01.4 Eligibility Effect of Violation.** Receipt by a student-athlete of an award, benefit or expense allowance not authorized by NCAA legislation renders the student-athlete ineligible to compete while representing the institution in the sport for which the improper award, benefit or expense was received. If the student-athlete receives an extra benefit not authorized by NCAA legislation or an improper award or expense allowance in conjunction with competition that involves the use of overall athletics skill (e.g., "superstars" competition), the individual is ineligible in all sports.

## 16.02 Definitions and Applications.

**16.02.1 Award.** An award is an item given in recognition of athletics participation or performance. Such awards are subject to the limitations set forth in Bylaw 16.1.

**16.02.2 Excessive Expense.** An excessive expense is one not specifically authorized under regulations of the Association concerning awards, benefits and expenses.

**16.02.3 Extra Benefit.** An extra benefit is any special arrangement by an institutional employee or a representative of the institution's athletics interests to provide a student-athlete or the student-athlete's relative or friend a benefit not expressly authorized by NCAA legislation. Receipt of a benefit by student-athletes or their relatives or friends is not a violation of NCAA legislation if it is demonstrated that the same benefit is generally available to the institution's students or their relatives or friends or to a particular segment of the student body determined on a basis unrelated to athletics ability. (*Revised: 1/10/91, 10/15/08*)

**16.02.4 Pay.** Pay is the receipt of funds, awards or benefits not permitted by governing legislation of the Association for participation in athletics (see Bylaw 12.1 for explanation of forms of pay prohibited under the Association's amateur-status regulations).

## 16.1 Awards.

### 16.1.1 Application of Awards Legislation.

**16.1.1.1 Awards Received for Participation While Representing the Institution.** The awards limitations of Bylaw 16.1 apply to awards received by a student-athlete for participation in competition while representing his or her institution. [R] (Revised: 7/22/14)

**16.1.1.2 Awards Received for Participation While Not Representing the Institution.** Awards received by a student-athlete for participation in competition while not representing the institution shall conform to the regulations of the recognized amateur organization that governs the competition and may not include cash (or cash equivalents). Such awards may include gift certificates or gift cards that are not redeemable for cash and items that are not personalized, provided the awards are permitted by the rules of the amateur sports organization. [R] (Revised: 7/21/09, 7/22/14)

**16.1.1.2.1 Exception—Individual Sports—Prize Money Outside the Playing Season During the Institution's Official Summer Vacation Period.** In individual sports, a student-athlete may accept prize money that does not exceed his or her actual and necessary expenses, pursuant to Bylaw 12.1.5.1-(b). (Adopted: 1/15/11)

**16.1.1.2.2 Olympic Games.** It is permissible for a student-athlete to receive a nonmonetary award associated with participation in the Olympic Games at any time regardless of when the games are held or whether the student-athlete is enrolled during the academic year. (Adopted: 1/8/01)

**16.1.1.3 After Completion of Athletics Eligibility.** Awards limitations apply to enrolled student-athletes who have exhausted their intercollegiate athletics eligibility. An institution shall be held responsible through the Association's enforcement procedures for the provision of improper awards to graduating seniors by the institution or its booster organizations.

**16.1.2 Uniformity of Awards.** Awards presented by a member institution, conference or other approved agency must be uniform for all team members receiving the award. A member institution, conference or other approved agency may provide different participation awards based on the year or class (e.g., freshman, sophomore, first-year participant, second-year participant) of a student-athlete, provided the awards are uniform for all recipients within a given year or class. [R] (Revised: 10/17/11)

**16.1.3 Nonpermissible Awards.** The following awards are prohibited unless received per Bylaw 16.1.1.2, except that receipt of a cash award is not permitted under any circumstance. [R] (Revised: 3/23/15)

**16.1.3.1 Cash or Equivalent.** An individual may not receive a cash award for athletics participation. An individual may not receive a cash-equivalent award (i.e., an item that is negotiable for cash or trade or other services, benefits or merchandise) for athletics participation. [R]

**16.1.3.2 Gift Certificates or Gift Cards Redeemable for Cash.** Gift certificates or gift cards that are redeemable for cash shall be prohibited. [R] (Revised: 1/10/90, 1/9/96 effective 8/1/96, 7/21/09)

**16.1.3.3 Country Club or Sports-Club Memberships.** An award of a country club or sports-club membership is strictly prohibited, even if the cost of the membership is below the maximum award value permitted by NCAA legislation. [R]

**16.1.3.4 Transfer of Nonpermissible Award.** Cash or any other award that an individual could not receive under NCAA legislation may not be forwarded in the individual's name to a different individual or agency (e.g., a collegiate institution). [R]

**16.1.4 Types of Awards, Awarding Agencies, Maximum Value and Numbers of Awards.** Athletics awards given to individual student-athletes shall be limited to those approved or administered by an institution, its conference or an approved agency as specified in the following subsections and shall be limited to normal retail value and number as specified in this section. Each of the following subsections is independent of the others so that it is permissible for an individual student-athlete to receive the awards described in all subsections. The value of an award may not exceed specified value limits, and a student-athlete may not contribute to its purchase in order to meet those limits. [R] (Revised: 1/11/00 effective 8/1/00)

**16.1.4.1 Participation Awards.** Awards for participation in intercollegiate athletics may be presented each year, limited in value and number as specified in Figure 16-1. Awards for participation in special events may be provided only to student-athletes eligible to participate in the competition. [R] (Revised: 1/10/05)

**16.1.4.2 Awards for Winning Conference and National Championships.** Awards for winning an individual or team conference or national championship may be presented each year, limited in value and number as specified in Figure 16-2. Awards for winning a conference or national championship in a team sport may be provided only to student-athletes who were eligible to participate in the championship event. The total value of any single award received for a conference or national championship may not exceed the value in Figure 16-2, and each permissible awarding agency is subject to a separate limit per award. Each permissible awarding agency may provide only a single award for each championship to each student-athlete. Separate awards may be presented to both the regular-season conference champion and the postseason conference champion (with a separate limita-

tion), but if the same institution wins both the regular-season and postseason conference championship, the combined value of both awards shall not exceed the value in Figure 16-2. **[R]** (*Revised: 1/10/05*)

**16.1.4.3 Special Achievement Awards.** Awards may be provided each year to individual student-athletes and teams to recognize special achievements, honors and distinctions, limited in value and number as specified in Figure 16-3. **[R]** (*Revised: 1/9/96 effective 8/1/96, 1/10/05*)

**16.1.4.3.1 Conference Postgraduate Scholarship Award.** A student-athlete may receive a conference postgraduate scholarship award, provided the following conditions are met: (*Adopted: 1/19/13*)

- (a) Academic performance and community involvement shall be considered in granting the award;
- (b) Athletics leadership, ability, participation or performance and other considerations may be considered in granting the award;
- (c) The student-athlete shall have exhausted eligibility in his or her sport and forfeits eligibility in all other sports upon acceptance of the award;
- (d) The conference may provide the award to one male and one female recipient per year;
- (e) Athletics department personnel from member institutions shall not comprise the selection committee unless all institutions within the conference are represented on the selection committee. The selection committee shall also include at least one member of the member conference staff;
- (f) The award must be made directly to the institution of the recipient's postgraduate studies; (*Revised: 1/16/13*)
- (g) The maximum value of the scholarship shall not exceed the value of the NCAA postgraduate scholarship; and
- (h) The award may only be used for expenses associated with graduate degree courses that apply toward completion of a graduate degree program and may not be used to pursue a second baccalaureate or certification program. (*Revised: 12/19/13*)

**16.1.4.4 Local Civic Organization.** A local civic organization (e.g., Rotary Club, Touchdown Club) may provide awards to a member institution's team(s). The following regulations shall apply to such an event: **[R]** (*Adopted: 1/10/92*)

- (a) All awards must be approved by the institution and must be counted in the institution's limit for institutional awards; and
- (b) The organization may not recognize or provide awards to prospective student-athletes at the banquet.

## **16.1.5 Purchase Restrictions.**

**16.1.5.1 Assignment of Normal Retail Value.** Normal retail value shall be assigned as the value of an award when determining whether an award meets specified value limits, even when a member institution receives institutional awards from an athletics representative or organization free of charge or at a special reduced rate. Normal retail value is the cost to the institution that is based solely on volume and is available to all purchasers of a similar volume and that does not involve an obligation to make additional purchases to enable the supplier to recover the costs for the original purchase. (*Adopted: 1/16/93*)

**16.1.5.2 Supplementary Purchase Arrangement.** An institution may not enter into a supplementary purchase arrangement with an awards supplier whereby the supplier agrees to sell an award (e.g., a watch or ring) at a price below the maximum amount specified by NCAA legislation with the understanding that the institution will make additional purchases of other unrelated items to enable the supplier to recover the costs for the original purchase. Such an arrangement would exceed the specific value limitations placed on permissible awards. **[R]**

**16.1.5.3 Combining Values.** An institution may not combine the value limits of awards given in a sport during the same season, or given to student-athletes who participate in more than one sport, to provide an award more expensive than permissible under separate application to some or all of its participating student-athletes. **[R]**

**16.1.5.4 Student-Athlete Contribution to Purchase.** The value of an award may not exceed specified value limits, and a student-athlete may not contribute to its purchase in order to meet those limits. **[R]**

**16.1.6 Institutional Awards Banquets.** An institution may conduct awards banquets to commemorate the athletics and/or academic accomplishments of its student-athletes. (*Revised: 1/9/96 effective 8/1/96*)

**16.1.6.1 Booster Club Recognition Banquet.** One time per year, an institution's athletics booster club may finance an intercollegiate team's transportation expenses to a recognition banquet, provided all expenses are paid through the institution's athletics department, the location of the event is not more than 100 miles from the campus, and no tangible award is provided to members of the team. **[R]** (*Revised: 1/9/96 effective 8/1/96*)

**16.1.7 Expenses to Receive Noninstitutional Awards.** A conference, an institution, the U.S. Olympic Committee, a national governing body (or the international equivalents) or the awarding agency may provide actual and necessary expenses for a student-athlete to receive a noninstitutional award or recognition for athletics or academic accomplishments. Actual and necessary expenses may be provided for the student-athlete's parents

(or legal guardians), spouse, or other relatives or individuals of a comparable relationship to attend the recognition event or awards presentation. [R] (Revised: 7/22/14)

**16.1.7.1 All-Star Contest.** An institution may not provide expenses to a student-athlete to participate in an All-Star contest or similar competitive event. [R] (Revised: 1/9/06, 1/12/11, 5/4/11, 7/22/14)

## **16.2 Complimentary Admissions and Ticket Benefits.**

### **16.2.1 Permissible Procedures.**

**16.2.1.1 Institutional Contests in the Student-Athlete's Sport.** An institution may provide four complimentary admissions per home or away contest to a student-athlete in the sport in which the individual participates (either practices or competes), regardless of whether the student-athlete competes in the contest. Complimentary tickets shall be distributed only to persons designated by the student-athlete. Violations of this bylaw that are the result of institutional error shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the student-athlete's eligibility. (Revised: 1/11/00 effective 8/1/00, 10/22/07)

**16.2.1.1.1 Exception—NCAA Championships and Bowl Games.** An institution may provide each student-athlete who participates in or is a member of a team participating in an NCAA championship or bowl game with six complimentary admissions to all contests at the site at which the student-athlete (or team) participates. (Adopted: 1/9/96 effective 8/1/96)

**16.2.1.1.2 Tournaments.** Complimentary admissions may be provided to members of the institution's team for all contests in a tournament in which the team is participating, rather than only for the games in which the institution's team participates. However, the contests must be at the site at which the institution's team participates.

**16.2.1.2 Institution's Home Contests in Other Sports.** An institution may provide admission for each student-athlete to all of the institution's regular-season home intercollegiate athletics contests in sports other than that in which the student-athlete is a participant, via a printed student-athlete pass or gate list. Proof of identity shall be required upon admission. Violations of this bylaw that are the result of institutional error shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the student-athlete's eligibility. (Revised: 10/22/07)

**16.2.1.2.1 Exception—Recognition of Student-Athlete.** An institution may provide complimentary admissions (in a number determined appropriate by the institution) to a student-athlete who is being recognized during an institution's regular-season intercollegiate athletics contest in a sport other than that in which the student-athlete participates. [D] (Revised: 1/9/06, 12/5/14, 1/14/15)

### **16.2.2 Nonpermissible Procedures.**

**16.2.2.1 Sale of Complimentary Admissions.** A student-athlete may not receive payment from any source for his or her complimentary admissions and may not exchange or assign them for any item of value.

**16.2.2.2 Payment to Third Party.** Individuals designated by the student-athlete to receive complimentary admissions are not permitted to receive any type of payment for these admissions or to exchange or assign them for any item of value. Receipt of payment for complimentary admissions by such designated individuals is prohibited and considered an extra benefit not available to the general student body, which would render the student-athlete ineligible for participation in intercollegiate athletics. [R]

**16.2.2.3 Student-Athlete Ticket Purchases.** An institution may not provide a special arrangement to sell a student-athlete ticket(s) to an athletics event. Tickets shall be available for purchase by student-athletes according to the same purchasing procedures used for other students. [R]

**16.2.2.4 Sale above Face Value.** A student-athlete may not purchase tickets for an athletics contest from the institution and then sell the tickets at a price greater than their face value. [R]

**16.2.2.5 Professional Sports Tickets.** An institution or any representative of its athletics interests may not purchase or otherwise obtain tickets to a professional sports contest and make these tickets available to student-athletes enrolled in an NCAA member institution. Such a gift of tickets would represent an unacceptable extra benefit (see Bylaw 16.7.1.1 for permissible provision of professional sports tickets as team entertainment related to an away-from-home contest and Bylaw 16.10.1.5 for permissible provision of professional sports tickets for recognition by a professional sports organization). [R] (Revised: 1/10/05)

## **16.3 Academic and Other Support Services.**

**16.3.1 Academic-Based Programming and Services.** An institution may finance and provide academic-based programming and services for student-athletes, provided similar services are provided or are generally available to the institution's students or to any particular segment of the student body determined on a basis unrelated to athletics ability. [R] (Revised: 1/14/08, 10/15/08)

**16.3.2 Support Services and Other Programming.** An institution may finance and provide support services and other programming for student-athletes, provided similar programming is provided or is generally

available to the institution's students or to any particular segment of the student body determined on a basis unrelated to athletics ability. Examples of such programming and support services include, but are not limited to: **[R]** (*Adopted: 4/14/08, Revised: 10/15/08*)

- (a) Leadership programming;
- (b) Career counseling and career-related programming; or
- (c) Programming and services designed to protect and enhance the physical and educational well-being of student-athletes (e.g., cultural diversity programming, time management programming) (see Constitution 2.2).

**16.3.2.1 Exception—In-Season Athletically Related Activities.** Support services and other programming involving sports-related information and having an athletics purpose (e.g., team motivational speakers, leadership-related programming with an athletics nexus) (see Bylaw 17.02.1.1) may be offered exclusively for student-athletes, provided the activity occurs during the declared playing season. (*Adopted: 4/14/08*)

**16.3.3 Student-Athlete Advisory Committee Meetings.** An institution or conference may provide actual and necessary expenses for a student-athlete to attend conference, regional or national student-athlete advisory committee meetings. Institutional-based student-athlete advisory committee programming must be generally available to the institution's students or must be provided pursuant to Bylaws 16.3.1 or 16.3.2 in order for an institution to offer such programming to student-athletes or provide actual and necessary expenses. **[R]** (*Adopted: 4/14/08*)

**16.3.4 Life Skills Programming.** An institution may provide programming to student-athletes through life skills programs, provided the programming is generally available to the institution's students or is provided pursuant to Bylaws 16.3.1, 16.3.2 or 16.4. **[R]** (*Adopted: 4/14/08, Revised: 8/30/10*)

## 16.4 Medical Expenses.

An institution may finance medical-expense benefits incidental to a student-athlete's participation in intercollegiate athletics. However, it is not permissible for an institution to finance nutritional supplements (e.g., weight-gain, muscle/strength-building, weight-loss supplements) as medical-expense benefits incidental to a student-athlete's participation in intercollegiate athletics. **[R]** (*Adopted: 1/11/00 effective 8/1/00, Revised: 1/13/03, 7/24/07*)

## 16.5 Housing and Meals.

An institution may finance housing and meal benefits incidental to a student-athlete's participation in intercollegiate athletics provided such housing and benefits are available to students in general. **[R]** (*Adopted: 1/11/00 effective 8/1/00*)

### 16.5.1 Exceptions.

- (a) **Preseason Practice Expenses.** The institution may provide the cost of room and board to student-athletes who report for preseason practice before the start of the academic year, it being understood that the student-athlete has been accepted for admission to the institution at the time such benefits are received. Further, an institution, at its discretion, may provide an additional meal (or cash in an amount equal to the cost of an additional meal) to student-athletes to meet their nutritional needs as a benefit incidental to participation during the preseason practice period before the start of the academic year; and (*Revised: 1/9/06*)

## 17.01 General Principles.

**17.01.1 Institutional Limitations.** A member institution shall limit its organized practice activities, the length of its playing seasons and the number of its regular-season contests and/or dates of competition in all sports, as well as the extent of its participation in noncollegiate-sponsored athletics activities, to minimize interference with the academic programs of its student-athletes (see Figure 17-1).

## 17.02 Definitions and Applications.

### 17.02.1 Athletically Related Activities.

**17.02.1.1 Athletically Related Activities.** The following are considered athletically related activities: (*Adopted: 1/10/91 effective 8/1/92*)

- (a) Practice, which is defined as any meeting, activity or instruction involving sports-related information and having an athletics purpose, held for one or more student-athletes at the direction of, or supervised by, any member or members of an institution's coaching staff. Practice is considered to have occurred if one or more coaches and one or more student-athletes engage in any of the following activities:
  - (1) Field, floor or on-court activity;
  - (2) Setting up offensive or defensive alignment;
  - (3) Chalk talk;
  - (4) Lecture on or discussion of strategy related to the sport;
  - (5) Activities using equipment related to the sport;
  - (6) Discussions or review of game films, motion pictures or videotapes related to the sport; or (*Revised: 10/17/06*)
  - (7) Any other athletically related activity. (*Revised: 10/18/04*)
- (b) Competition;
- (c) Required weight-training and conditioning activities held at the direction of or supervised by an institutional staff member;
- (d) Participation in a physical-fitness class (including a summer class) conducted by a member of the athletics staff not listed in the institution's catalog and not open to all students. Such a class may not include practice activities conducted under the guise of physical education class work; (*Adopted: 1/10/95, Revised: 10/17/06*)
- (e) Required participation in camps, clinics or workshops;
- (f) Individual workouts required or supervised by a member of the coaching staff. An institutional staff member may design a voluntary (see Bylaw 17.02.14) individual-workout program for a student-athlete,

but cannot conduct the individual's workout outside the declared playing season; (*Adopted: 1/10/91 effective 8/1/91, Revised: 1/12/04, 1/17/09*)

- (g) On-court or on-field activities called by any member(s) of a team and confined primarily to members of that team that are considered requisite for participation in that sport (e.g., captain's practices);
- (h) Visiting the competition site in cross country, golf and skiing; (*Adopted: 1/16/93*)
- (i) Reservation or use of an institution's athletics facilities when such activities are supervised by or held at the direction of any member of an institution's coaching staff; (*Revised: 1/10/92, 1/16/93*)
- (j) Involvement of an institution's strength and conditioning staff with enrolled student-athletes in required conditioning programs; and (*Revised: 1/10/92, 10/17/06*)
- (k) Observation by an institution's coaching staff member of enrolled student-athletes in nonorganized sport-specific activities (e.g., "pick-up games") in the coaching staff member's sport, except as permitted in Bylaw 17.02.1.1.1-(k). (*Adopted: 1/10/05, Revised: 10/17/06, 1/16/10, 7/20/10*)

**17.02.1.1.1 Exceptions.** The following activities shall not be considered athletically related activities: (*Revised: 10/17/06, 5/9/17*)

**17.02.1.1.1.1 Meetings as follows:**

- (a) Administrative and academic activities that are nonathletics in nature (e.g., academic meetings and compliance meetings);
- (b) One team meeting conducted for an athletics purpose outside the declared playing and practice season (may be mandatory); and
- (c) One individual meeting per student-athlete conducted for an athletics purpose outside the declared playing and practice season (may be mandatory).

**17.02.1.1.1.2 Fundraising activities as follows:**

- (a) Voluntary fundraising and community service activities not involving the use of athletics ability by student-athletes to obtain funds provided the activities receive approval from the institution's chancellor or president (or his or her designee) before the activity (see Bylaw 12.5.1.1 for restrictions on promotional activities).
- (b) Voluntary out-of-season fundraising events involving the use of athletics ability by student-athletes (either to obtain funds or to participate in the activity), provided participation in the event is open to any and all entrants and student-athletes receive prior approval from the institution's chancellor or president (or his or her designee) before participating in the activity (see Bylaw 12.5.1.1 for restrictions on promotional activities).

**17.02.1.1.1.3 Observation of the following:**

- (a) An officiating clinic related to playing rules that is conducted by video conference and does not require student-athletes to miss any class time to observe the clinic.
- (b) Enrolled student-athletes in organized competition (e.g., summer league), provided institutional athletics personnel do not direct or supervise the organized activity.
- (c) Observation of enrolled student-athletes in nonorganized sport-specific activities, provided:
  - (1) The documented job responsibilities for the coaching staff member include monitoring of an institutional facility for purposes of safety and facility security;
  - (2) The observation occurs while the coaching staff member performs this monitoring responsibility; and
  - (3) The observation occurs while the facility is open to all students. This exception does not permit a coaching staff member to direct, supervise or provide instruction to student-athletes, but permits a coaching staff member to stop any activity that is dangerous to a student-athlete or other students.

**17.02.1.1.1.4 Strength and Conditioning Activities as follows:**(*Adopted: 5/9/17*)

- (a) Voluntary workouts conducted by a certified strength and conditioning coach provided:
  - (1) The coach has received a strength and conditioning certification from a nationally recognized certification program (see Bylaw 11.1.6 for additional certifications);
  - (2) The coach conducts voluntary workouts for all student-athletes if the coach is also a staff member for one of the institution's intercollegiate teams; and
  - (3) The workout occurs during the institution's regular academic year.
- (b) Voluntary individual workouts monitored for safety purposes by a strength and conditioning coach (certified or noncertified). If the coach is also a staff member for one of the institution's intercollegiate teams the monitoring may occur only if the coach performs monitoring duties for all student-athletes using the facility at that time.

**17.02.1.1.1.4.1 Strength and Conditioning Facilities.** *(Adopted: 5/9/17)*

- (a) Student-athletes may use student-athlete-only facilities for voluntary workouts at any time.
- (b) A certified strength and conditioning coach may conduct voluntary workouts in a student-athlete only facility during the academic year.
- (c) A certified strength and conditioning coach may only reserve an athletic facility for voluntary workouts that he or she will conduct.

**17.02.2 Contest.** A contest is any game, match, exhibition, scrimmage or joint practice session with another institution's or an outside team, regardless of its formality, in which competition in a sport occurs between an intercollegiate athletics team or individual representing a member institution and any other outside team or individual not representing the intercollegiate athletics program of the same member institution. *(Revised: 1/10/91, 1/13/03)*

**17.02.3 Contest, Countable, Institutional.** A countable contest for a member institution, in those sports for which the limitations are based on the number of contests, is any contest by the member institution against an outside team in that sport, unless a specific exemption for a particular contest is set forth in this bylaw. An institution shall define each contest as varsity or subvarsity (e.g., junior varsity) and may not change the classification of that contest once the contest has commenced. Contests, including scrimmages, exhibitions or joint practices, by separate squads of the same team against different outside teams shall each count as one contest. During the traditional segment, countable contest limitations apply separately to multiple teams (e.g., varsity, subvarsity and freshman) of the same sport. During the nontraditional segment, all teams (e.g., varsity, subvarsity and freshman) of the same sport shall be treated as one team for purpose of the countable contest limitations. *(Revised: 4/17/12 effective 8/1/12, 1/16/13, 10/10/14, 5/19/16)*

**17.02.4 Contest, Countable, Individual Student-Athlete.** A countable contest for a student-athlete in a sport is any contest in which the student-athlete competes while representing the member institution (see Bylaw 17.02.9) individually or as a member of the varsity, subvarsity or freshman team of the institution in that sport, unless a specific exemption for a particular contest is set forth in this bylaw.

**17.02.5 Date of Competition.** A date of competition is a single date on which any contest(s), with another institution's or an outside team or individual, takes place (see Bylaw 17.02.2). *(Revised: 1/10/91, 1/13/03)*

**17.02.6 Date of Competition, Countable, Institutional.** A countable date of competition for a member institution, in those sports for which the limitations are based on the number of dates of competition, is a single date on which the institution's team engages in competition against an outside team, unless a specific exemption for a particular date of competition is set forth in this bylaw. An institution shall define each contest as varsity or subvarsity (e.g., junior varsity) and may not change the classification of that contest once the contest has commenced. Each date of competition shall be defined as varsity and/or subvarsity (e.g., junior varsity) depending upon the classification of the contests played on that date. During the traditional segment, countable date of competition limitations apply separately to multiple teams (e.g., varsity, subvarsity and freshman) of the same sport. During the nontraditional segment, all teams (e.g., varsity, subvarsity and freshman) of the same sport shall be treated as one team for purposes of the countable date of competition limitations. *(Revised: 1/16/13, 5/19/16)*

**17.02.6.1 Required Minimum Number of Student-Athletes.** For individual sports, a member institution shall be considered to have participated in a date of competition that constitutes a date of competition if the minimum number of student-athletes participating on one or more teams, at one or more sites, on behalf of the institution on that date equals or exceeds the minimum number established for that sport, unless otherwise restricted in this bylaw for a particular sport (e.g., golf, tennis) (see Bylaw 20.11.3.8 for listings of minimum numbers of student-athletes per sport).

**17.02.7 Date of Competition, Countable, Individual Student-Athlete.** A countable date of competition for a student-athlete is any day on which a student-athlete competes while representing the institution (see Bylaw 17.02.9) individually or as a member of the varsity, subvarsity or freshman team, unless a specific exemption for a particular date of competition is set forth in this bylaw.

**17.02.8 Postponed/Canceled Contest Due to Inclement Weather.** A contest that is postponed or canceled due to inclement weather or a comparable factor only counts against an institution's or student-athlete's maximum limitations if the results are considered final under the applicable playing rules of the sport in question. *(Adopted: 9/18/15)*

**17.02.9 Intercollegiate Competition.** Intercollegiate competition is considered to have occurred when a student-athlete in either a two-year or a four-year collegiate institution does any of the following: *(Revised: 1/10/95)*

- (a) Competes while representing the institution in any contest against outside competition, regardless of how the competition is classified (e.g., scrimmage, exhibition or joint practice session with another institution's team) or whether the student is enrolled in a minimum full-time program of studies; *(Revised: 1/10/91)*
- (b) Competes in the uniform of the institution, or, during the academic year, uses any apparel (excluding apparel no longer used by the institution) or equipment received from the institution that includes institutional

identification (see Bylaw 16.11.1.9 for regulations governing the use of equipment during the summer); or  
(Revised: 1/16/93, 1/11/94)

- (c) Competes and receives expenses (e.g., transportation, meals, room or entry fees) from the institution for the competition.

**17.02.9.1 Exempted Events.** Participation in events listed in Bylaw 16.8.1.3 is exempted from the application of this legislation. (Revised: 1/10/92)

**17.02.10 Outside Competition.** Outside competition is athletics competition against any other athletics outside team (including an alumni team) or individual that does not represent the intercollegiate athletics program of the same institution. (Revised: 1/12/02, 1/13/03)

**17.02.11 Outside Team.** An outside team is any team that does not represent the intercollegiate athletics program of the institution or a team that includes individuals other than eligible student-athletes of the institution (e.g., members of the coaching staff, ineligible student-athletes, members of the faculty).

**17.02.12 Fall Preseason Practice Formula—Sports Other Than Football.** In cross country, field hockey, golf, rowing, rugby, soccer, tennis and women's volleyball, the first permissible date for preseason practice shall be determined by the application of 16 units in the preseason practice formula, as specified in this section. (Adopted: 1/10/91 effective 8/1/92, Revised: 1/10/92, 1/12/04, 5/4/09, 7/20/10)

**17.02.12.1 Unit—Defined.** A "unit" is a numerical value assigned to a particular calendar day within the application of the preseason practice formula that is used to determine the first permissible practice date for fall sports other than football. The number of units assigned to a particular day does not determine or limit the number of practices that may be conducted on that day. (Adopted: 5/4/09)

**17.02.12.2 Determining the First Permissible Practice Date for Fall Sports Other Than Football—Application of the 16 Units.** To determine the first permissible practice date, an institution shall count back a total of 16 units on a calendar starting with the day before the first scheduled intercollegiate competition (see Bylaw 17.02.12.2.1), as follows: (Adopted: 5/4/09)

- (a) Never assign any units to Sundays on the calendar; it is permissible to practice on Sundays;
- (b) Never assign any units to calendar days during the preseason when all institutional dormitories are closed, the institution's team must leave campus, and practice is not conducted;
- (c) The first six units: assign one unit to each of the six calendar days (not including Sunday) before the first scheduled intercollegiate competition (see Bylaw 17.02.12.2.1);
- (d) The remaining 10 units:
  - (1) Assign one unit to each calendar day (not including Sundays) that occurs on or after the opening day of classes for the fall term (see Bylaw 17.02.12.2.2), and
  - (2) Assign two units to each calendar day before the opening day of classes for the fall term (not including Sundays) until the sum of units on the calendar reaches 16;
- (e) The date on which the total count of units on the calendar reaches 16 is the first permissible date for preseason practice (see Bylaw 17.02.12.2.3).

**17.02.12.2.1 First Scheduled Intercollegiate Competition.** The assignment of units for counting using the preseason practice formula should begin on the day before the first scheduled intercollegiate competition (see Bylaw 17.1.1.3.4.1 for exception). It is not permissible to determine the starting date for preseason practice by counting back from the first scheduled preseason exhibition, scrimmage or joint practice season. (Adopted: 5/4/09)

**17.02.12.2.2 Opening Day of Classes.** The opening day of classes is defined as the first day of classes as listed in the member institution's official catalog. Required freshman orientation is not considered to be the opening day of classes for the academic year. (Adopted: 1/10/91 effective 8/1/92, Revised: 5/4/09)

**17.02.12.2.3 Remainder of One Counting Unit.** If the 16th and 17th unit is on the same day, it is permissible to begin practice on that day since it is the day in which the total count of units reaches 16. (Adopted: 5/4/09)

**17.02.12.2.4 Football Preseason Practice Formula.** Do not use the preseason practice formula detailed within this section for the sport of football. Instead, use the formula in Bylaw 17.10.2.1.1. (Adopted: 5/4/09)

**17.02.12.2.5 Men's Water Polo.** In the sport of men's water polo, the first permissible date for preseason practice shall be determined by the application of 21 units in the preseason practice formula. The 21 units shall be applied in the same manner as set forth in 17.02.12.2-(a)-(e) with the exception that there are 15 remaining units after applying 17.02.12.2-(c). The remaining 15 units shall be assigned in the manner described in 17.02.12.2-(d) Nos. (1) and (2). (Adopted: 5/4/09)

**17.02.13 Varsity Intercollegiate Sport.** A varsity intercollegiate sport is a sport that has been accorded that status by the institution's president or chancellor or committee responsible for intercollegiate athletics policy and that satisfies the following conditions: (Revised: 10/3/05)

- (a) It is a sport that is administered by the department of intercollegiate athletics;
- (b) It is a sport for which the eligibility of the student-athletes is reviewed and certified by a staff member designated by the institution's president or chancellor or committee responsible for intercollegiate athletics policy; and (*Revised: 10/3/05*)
- (c) It is a sport in which qualified participants receive the institution's official varsity awards.

- (a) The student-athlete must not be required to report back to any of his or her sport-specific coaches any information related to the activity. In addition, no athletics department staff member who observes, monitors or conducts the activity (e.g., strength coach, trainer, manager) may report back to the student-athlete's coach any information related to the activity; (*Revised: 1/15/11 effective 8/1/11*)
- (b) The activity must be initiated solely by the student-athlete. Neither the institution nor any athletics department staff member may require the student-athlete to participate in the activity at any time;

## 17.1 General Playing-Season Regulations.

Unless set forth differently in the applicable sports section in Bylaw 17, an institution shall conduct its playing season within the parameters stated in this section. (*Revised: 4/11/11 effective 8/1/11*)

**17.1.1 Playing Season.** The playing (i.e., practice and competition) season for a particular sport is the period of time between the date of an institution's first officially recognized practice session and the date of the institution's last practice session or date of competition, whichever occurs later. An institution is permitted to conduct athletically related activities (see Bylaw 17.02.1.1) in each academic year only during the playing season as regulated for each sport in accordance with the provisions of this bylaw. The institution must conduct the same playing season for varsity and subvarsity teams in the same sport. (*Revised: 1/10/92, 4/11/11 effective 8/1/11*)

**17.1.1.1 Declaration of Playing Season.** Each member institution shall determine the playing season for each of the sports referenced under Bylaw 17.02.13. Declaration of the institution's playing season in each such sport shall be on file in writing in the department of athletics before the beginning of the institution's playing season for that sport. Changes in the declaration for a particular sport are permissible and also shall be filed in writing in the office of the institution's director of athletics. (*Revised: 4/11/11 effective 8/1/11*)

**17.1.1.2 Segments of Playing Season.** Segment limitations are applicable to all team sports that are listed under Bylaw 17.02.13.1, except for basketball, football and rowing, and all individual sports listed under Bylaw 17.02.13.2, except golf and tennis (see Bylaw 17.1.1.3.4). - (2) **First Permissible Competition.** In golf and tennis, September 1 or the preceding Friday if September 1 falls on a Saturday, Sunday or Monday, or the institution's first day of classes, whichever is earlier. Exhibitions or scrimmages may be conducted during the preseason practice period. **17.1.2 General Regulations for Computing Playing Seasons.** In determining the length of an institution's playing season, the following regulations shall apply: *(Revised: 4/11/11 effective 8/1/11)*

- (a) **Week.** A week shall be defined by the institution as any consecutive seven-day period, regardless of the day on which the seven-day period begins. The playing season, or its segments (or periods in golf, rowing and tennis), shall consist of consecutive weeks. Practice or competition during any part of a week shall be counted as a full week (e.g., practice or competition during nine weeks and one day shall be counted as 10 weeks). An institution may not redefine its week except in the following circumstances:
  - (1) During a segment (or period in golf, rowing and tennis) of the playing season, following a period of at least seven consecutive days that includes a vacation, final-examination period or holiday period during which no athletically related activities occur [see Bylaw 17.1.2-(d)]; or
  - (2) Between the fall and spring period in golf, rowing and tennis and between segments of the playing season in other sports, provided the institution divides its practice and playing season into two distinct segments per Bylaw 17.1.1.2.
- (b) **Total Combined Length.** The total number of weeks for both segments (or periods in golf, rowing and tennis) of a playing season combined shall not exceed the maximum permitted in a particular sport;
- (c) **Holiday, Vacation Periods.** In traditional and nontraditional segments (or periods in golf, rowing and tennis), any practice or competition during published vacation and holiday periods during the academic year shall be counted as part of the playing season. If practice or competition is not scheduled during any full week (seven consecutive days) that includes a vacation or holiday period, it neither shall be counted as part of the playing season nor shall constitute a break in a segment (or period in golf, rowing and tennis) [see Bylaw 17.1.2-(a)-(1)];
- (d) **Final-Examination Periods.**
  - (1) **Traditional Segment.** Any practice or competition during a final-examination period during the academic year shall be counted as part of the playing season. If practice or competition is not scheduled during any full week (seven consecutive days) that includes a final-examination period, it neither shall be counted as part of the playing season nor shall constitute a break in a segment [see Bylaw 17.1.2-(a)-(1)].
  - (2) **Nontraditional Segment.** An institution shall not conduct practice or competition during a final examination period. For any final-examination period of a regular academic term (e.g., winter quarter, spring semester), an institution may not conduct practice and competition five weekdays before the first day of the final-examination period. This period shall not be counted as part of the playing season nor shall constitute a break in the segment.
- (e) **Nontraditional Segment.** The nontraditional segment shall be counted as part of the institution's declared playing season, regardless of whether competition occurs during that segment; and
- (f) **Equipment Issue, Team Pictures.**
  - (1) It shall be permissible to designate a single date for issuing equipment and for taking team pictures after the beginning of classes in the fall term or the day before the beginning of a segment or, in basketball and football, the day before the beginning of preseason practice.
  - (2) Exception for Sundays. If the day before the beginning of a segment is a Sunday, the member institution may designate the preceding Saturday for issuing equipment and taking team pictures.

### 17.1.3 Postseason Activities.

- (a) **Makeup Contests.** An institution is not permitted to extend the playing season to make up suspended or canceled games except for contests that determine a conference champion or the automatic qualifier to the NCAA championships, provided such contests are concluded not later than 6 p.m. local time of the competition on the date on which participants are selected for the NCAA championship; (*Revised: 4/11/11 effective 8/1/11*)
- (b) **Conference Championships.** Conference championships must be included within the institution's playing season;
- (c) **NCAA, NCCAA or NAIA Championships Participation in Team Sports.** Neither practice for nor participation in any NCAA, NCCAA or NAIA championship event is considered part of the institution's declared playing season;
- (d) **Under Consideration for Selection to a NCAA Team Championship.** A member institution that has reason to believe it is under consideration for selection to participate in an NCAA championship event may do the following:
  - (1) An institution's spring championship sport team that earns its conference's automatic qualification in the fall segment/period may not continue to practice after the fall segment/period and before the spring segment/period based on its belief that it is under consideration for selection to the spring NCAA championship.
  - (2) An institution that is not selected to participate in the NCAA championship may continue to practice or compete until the end of that championship only if it has time remaining in its declared playing season.
- (e) **NCAA Championships Participation in Individual Sports.** Only appropriate squad members considered necessary for effective practice with the individual(s) preparing for the NCAA championships may continue to practice without counting such practice against the institution's declared playing-season limitation;
- (f) **Post-NCAA Championships Participation.** After the conclusion of an NCAA (or NAIA or NCCAA) championship in a sport, an institution may resume practice and/or competition in the sport, provided it is continuing its permissible playing season in the sport and provided the activity occurs during the academic year. An institution in the joint-declaration program may participate in the championship for which the institution declared, even when the championship occurs outside the permissible NCAA playing season. Institutions in the joint-declaration program must abide by all other NCAA regulations for all sports, including the length of the playing season (see Bylaw 31.2.1.2);
- (g) **Non-NCAA Postseason Championships and Qualifying Competition.** Practice and/or competition in non-NCAA (or non-NAIA or non-NCCAA) postseason championships (e.g., an invitational tournament scheduled after a conference championship) must be counted against the institution's declared playing-season limitation. For emerging sports for women (see Bylaw 20.02.6) or a non-NCAA championship sport used for sport sponsorship purposes (see Bylaw 20.11.3.4.1), practice and competition for one postseason championship may be excluded under the following circumstances:
  - (1) An institution may exclude a maximum of three weeks of competition from its declared playing season for qualifying competition for the championship event; and
  - (2) The qualifying competition shall be the only event from which teams or individuals are selected to participate in the championship event. In women's gymnastics, practice for and competition in the National Collegiate Gymnastics Association national championship are exempt from the institution's declared playing-season limitation; and
- (h) **Foreign Tours.** Participation by a member institution on a certified foreign tour (see Bylaw 17.29) need not be included within the institution's declared playing-season limitation in the sport.

## 19.01 General Principles.

**19.01.1 Mission of NCAA infractions Program.** It shall be the mission of the NCAA infractions program to eliminate violations of NCAA rules and prescribe appropriate penalties should violations occur. The program is committed to fairness of procedures and the timely and equitable resolution of infractions cases. The achievement of these objectives is essential to the conduct of a viable and effective infractions program. Further, an important consideration in prescribing penalties is to provide fairness to uninvolved student-athletes, coaches, administrators, competitors and other institutions. *(Adopted: 1/11/94, Revised: 4/15/14, 5/18/15)*

**19.01.2 Exemplary Conduct.** Individuals employed by or associated with member institutions for the administration, the conduct or the coaching of intercollegiate athletics are, in the final analysis, teachers of young people. Their responsibility is an affirmative one, and they must do more than avoid improper conduct or questionable acts. Their own moral values must be so certain and positive that those younger and more pliable will be influenced by a fine example. Much more is expected of them than of the less critically placed citizen.

**19.01.3 Responsibility to Cooperate.** All representatives of member institutions shall cooperate fully with the NCAA enforcement staff, Committee on Infractions, Infractions Appeals Committee and Management Council to further the objectives of the Association and its infractions program. The enforcement policies and procedures are an essential part of the intercollegiate athletics program of each member institution and require full and complete disclosure by all institutional representatives of any relevant information requested by the NCAA enforcement staff, Committee on Infractions or Infractions Appeals Committee during the course of an inquiry. *(Revised: 4/15/14, 5/18/15)*

**19.01.4 Violations by Institutional Staff Members.** Institutional staff members found in violation of the NCAA constitution and bylaws shall be subject to disciplinary or corrective action as set forth in the provisions of the NCAA enforcement procedures, whether such violations occurred at the certifying institution or during the individual's previous employment at another member institution. *(Revised: 4/15/14)*

**19.01.5 Nature of Penalty Structure.** As a guiding principle, a penalty prescribed under NCAA enforcement policies and procedures should be broad and severe if the violation or violations reflect a general disregard for the governing rules; in those instances in which the violation or violations are isolated and of relative insignificance, then the NCAA penalty shall be specific and limited. Previous violations of NCAA legislation shall be a contributing factor in determining the degree of penalty. *(Revised: 4/15/14)*

## 19.02 Definitions and Applications.

**19.02.1 Show-Cause Order.** A show-cause order is one that requires a member institution to demonstrate to the satisfaction of the Committee on Infractions (or the Infractions Appeals Committee per Bylaw 19.2) why it should not be subject to a penalty (or additional penalty) for not taking appropriate disciplinary or corrective action with regard to an institutional staff member or representative of the institution's athletics interests identified by the committee as having been involved in a violation of the NCAA constitution and/or bylaws that has been found by the committee. *(Revised: 1/10/95, 1/12/04, 4/15/14, 6/2/17)*

### 19.02.2 Types of Violations.

**19.02.2.1 Violation, Secondary.** A secondary violation is a violation that is isolated or inadvertent in nature, provides or is intended to provide only a minimal recruiting or competitive or other advantage and does not include any significant impermissible benefits, including but not limited to, extra benefits, recruiting inducements, preferential treatment or financial aid. Multiple secondary violations by a member institution collectively may be considered as a major violation. *(Revised: 1/11/94, 7/20/10)*

**19.02.2.2 Violation, Major.** All violations other than secondary violations are major violations, specifically including those that provide an extensive recruiting or competitive advantage. *(Revised: 1/11/94)*

**19.02.3 New Information.** New information is information that could not reasonably be ascertained before the Committee on Infractions hearing. (*Adopted: 1/6/96, Revised: 6/1/16*)

## **19.1 Committee on Infractions.**

The Management Council shall appoint a Committee on Infractions, which shall be responsible for administration of the NCAA infractions program.

**19.1.1 Composition of Committee.** The Committee on Infractions shall be composed of five members, including one member from the Management Council and one member from the general public. One of the members shall serve as chair and one member shall serve as vice chair. (*Revised: 1/16/93, 1/14/97 effective 8/1/97, 1/14/02*)

**19.1.1.1 Quorum.** Three members present and voting shall constitute a quorum to conduct committee business, it being understood that the chair shall make a special effort to have full committee attendance when major infractions cases involving violations are to be considered. (*Revised: 1/14/97 effective 8/1/97*)

**19.1.2 Authority of Committee on Infractions.** Disciplinary or corrective actions other than suspension or termination of membership may be effected by members of the Committee on Infractions present and voting at any duly called meeting, provided the call of such a meeting shall have contained notice of the situation presenting the disciplinary problem. Actions of the committee in cases involving major violations, however, shall be subject to review by the Infractions Appeals Committee per Bylaw 19.2, on appeal. (*Revised: 1/16/93, 1/10/95, 1/14/97 effective 8/1/97, 1/12/04*)

Disciplinary or corrective actions in the case of secondary violations may be effected by the vice president of enforcement or his/her designee. Said actions shall be taken in accordance with the provisions of the enforcement policies and procedures and shall be subject to review by the Committee on Infractions. (*Revised: 1/14/97 effective 8/1/97, 1/12/04, 4/15/14, 5/18/15*)

If at any time at a meeting or between meetings the chair is unavailable to act as such, the vice chair is empowered to exercise the functions of the chair. For each hearing, the committee chair or chair's designee shall serve as the committee's appeals advocate for any appeal of a decision of the committee. If scheduling or availability issues prevent the appeals advocate from serving, the chair may designate another committee member to serve as a substitute. (*Revised: 1/14/97 effective 8/1/97, 1/14/02*)

**19.1.2.3 Temporary Substitutes.** If it appears that one or more members of the committee will be unable to participate in the hearing of a case, the chair may request the Management Council to designate a former member or members of the committee to rejoin the committee for purposes of the consideration and disposition of that case. (*Adopted: 1/14/97 effective 8/1/97*)

- (d) Upon concluding that one or more violations occurred, prescribe an appropriate penalty or show-cause requirement on a member found to be involved in a major violation (or, on appeal, on a member found to be involved in a secondary violation), or recommend to the Management Council suspension or termination of membership; and
- (e) Carry out any other duties directly related to the administration of the infractions program. (*Revised: 1/14/97 effective 8/1/97, 5/18/15*)

## **19.2 Appeals Committee.**

**19.2.1 Authority of Infractions Appeals Committee.** The Infractions Appeals Committee shall hear and act on an institution's or involved individual's appeal of the findings and/or penalties of major violations by the Committee on Infractions. The committee may establish or amend enforcement policies and procedures set forth in Bylaw 32 that relate directly to the infractions appeals process, subject to review and approval by Management Council. (*Adopted: 1/10/95, Revised: 1/14/97 effective 8/1/97, 1/17/08, 10/19/10*)

When possible, terms shall be staggered to ensure that vacancies occur in proper sequence. *(Adopted: 4/15/14)*

## **19.3 Establishment and Revision of Enforcement Policies and Procedures.**

**19.3.1 Amendment by Committee and Approval by Management Council.** The Committee on Infractions may establish or amend the enforcement policies and procedures in regard to issues other than those concerning institutional penalties, restitution, and committee duties and structure. A member institution shall be provided notice of alleged NCAA rules violations for which it is charged before any penalty is prescribed, as well as the opportunity to appear before the committee and the opportunity to appeal the committee's conclusions of major violations or penalties (see Bylaws 19.4 and 19.5). The enforcement policies and procedures governing the administration of the Association's infractions program, as set forth in Bylaw 32, are subject to review and approval by the Management Council. *(Revised: 4/15/14, 5/18/15)*

**19.3.1.1 Notification to Membership.** To the extent that the enforcement policies and procedures are revised, any member institution involved in the processing of an infractions case shall be notified immediately of the change and the general membership shall be advised through the NCAA website.

**19.4.3 New Findings.** When an institution and involved individual appears before the committee to discuss a response to the notice of allegations, the hearing shall be directed toward the general scope of the notice of allegations but shall not preclude the committee from concluding a violation(s) occurred resulting from information developed or discussed during the hearing. *(Revised: 4/25/03, 4/15/14)*

## **19.5 Penalties.**

**19.5.1 Penalties for Secondary Violations.** The vice president of enforcement or his/her designee, on approval by the chair or another member of the Committee on Infractions designated by the chair, or the committee may determine that no penalty is warranted in a secondary case, that an institutional- or conference-determined penalty is satisfactory or, if appropriate, prescribe a penalty. The disciplinary measures may include but are not limited to: *(Revised: 1/11/94, 1/17/08, 4/15/14)*

- (a) Termination of the recruitment of a prospective student-athlete by the institution or, if the prospective student-athlete enrolls (or has enrolled) in the institution, permanent ineligibility to represent the institution in intercollegiate competition (unless eligibility is restored by the Committee on Student-Athlete Reinstatement on appeal);

- (b) Forfeit/vacate contests in which an ineligible student-athlete participated. Per Bylaw 18.1 and Administrative Regulation 31.2.1, the Championships Committee shall nullify each contest for certain violations resulting in a student-athlete competing while ineligible, regardless of whether forfeiture is required; (*Revised: 6/3/05 effective 8/1/15*)
- (c) Prohibition of the head coach or other staff members in the involved sport from participating in recruiting activities for up to one year; (*Revised: 1/11/94*)

- (f) Suspension of the head coach or other staff members for one or more competitions; (*Adopted: 1/11/94*)
- (g) Public reprimand (to be invoked only in situations in which the Committee on Infractions or the vice president of enforcement or his/her designee, on approval by the committee, determines that a penalty, in addition to any institutional- or conference-determined penalty, is warranted); (*Adopted: 1/11/94, Revised: 4/15/14*)
- (h) Requirement that a member institution that has been found in violation, or that has an athletics department staff member who has been found in violation of the provisions of NCAA legislation while representing another institution, show cause why a penalty or an additional penalty should not be prescribed if it does not take appropriate disciplinary or corrective action against the athletics department staff member involved, any other institutional employee, if the circumstances warrant, or representatives of the institution's athletics interests; and (*Adopted: 1/11/94, Revised: 4/15/14*)
- (i) Other penalties, disciplinary measures and corrective actions, as appropriate.

**19.5.2 Penalties, Disciplinary Measures and Corrective Actions for Major Violations.** The Committee on Infractions has the authority to determine the penalties, disciplinary measures and corrective actions that are prescribed for an institution for major violations. The Infractions Appeals Committee shall hear and act on an institution's appeal per Bylaw 19.2. The committee(s) may consider institutional- or conference-imposed penalties and, where appropriate, include those in the penalties. Institutional- or conference-imposed penalties shall not displace or substitute for the committee's judgment regarding penalties. Penalties, disciplinary measures and corrective actions for major violations shall include those penalties, disciplinary measures and corrective actions prescribed for secondary violations and may include any and all of the following: (*Adopted: 1/11/12, Revised: 4/15/14, 5/18/15*)

- (a) Public reprimand and censure.
- (b) Probation for up to five years. Conditions of probation shall be determined on a case-by-case basis. A failure to satisfy the conditions of probation may result in additional conclusions of violation(s), including the failure to cooperate, lack of institutional control and/or violations of conditions for membership, and shall result in a reconsideration of the initial penalties prescribed, including an extension of the probationary period and prescription of additional penalties. Conditions of probation shall include, but are not limited to, the following: (*Revised: 4/15/14*)
  - (1) Annual written reports shall be submitted to the Office of the Committee on Infractions for review. These reports shall detail compliance with probationary conditions; and (*Revised: 9/26/16*)
  - (2) At the conclusion of probation, the institution's president or chancellor shall affirm in writing that current athletics policies and procedures conform to all requirements of NCAA legislation and that all conditions of probation have been satisfied. (*Revised: 9/26/16*)
- (c) Information regarding the violations committed, the term of probation and penalties must be noted on the home page of the institution's athletics website, in the media guide for the involved sport(s) and in recruiting materials provided to prospective student-athletes in the involved sport(s). Such information must be displayed and provided to prospective student-athletes for the full term of probation. Information to prospective student-athletes must be provided as soon as practicable after the prospective student-athlete is recruited pursuant to Bylaw 13.02.8 and, in all instances, before the prospective student-athlete signs a financial aid agreement or initially enrolls at the institution, whichever is earlier.
- (d) Ineligibility for postseason competition in the involved sport(s), particularly in situations in which:
  - (1) The individual(s) involved in the violation(s) remain active in the sport program;
  - (2) A significant competitive advantage resulted from the violation(s);
  - (3) The violation(s) indicate a lack of institutional control or failure to monitor the involved sport(s) or athletics program;
  - (4) The violation(s) include academic misconduct; or (*Revised: 5/18/15*)
  - (5) The institution is a repeat violator.
- (e) Pursuant to Bylaw 14.12.1.2-(c), a recommendation to the Management Council that it waive the one-year residence requirement and permit full athletics participation in a sport for a student-athlete who transfers to another member institution when the Committee on Infractions renders the student-athlete's previous

institution's team in that sport ineligible for postseason competition during all of the remaining seasons of the student-athlete's eligibility. No student-athlete will be allowed such a waiver unless the student-athlete would have been eligible for participation had he or she remained at the previous institution.

- (f) Ineligibility for participation in or hosting outside, invitational and/or NCAA championship competition in the involved sport(s).
- (g) Vacation of records in a case in which a student-athlete(s) has competed while ineligible, particularly in a case involving academic misconduct, serious intentional violations, a large number of violations, direct or knowing involvement of a coach or institutional administrator, competition while academically ineligible, competition while ineligible in conjunction with a finding of failure to monitor or lack of institutional control or a case in which vacation or a similar penalty would be prescribed if the underlying violation(s) were secondary. Records to be vacated may include one or more of the following, as applicable: *(Revised: 4/15/14)*
  - (1) Individual records and performances in individual sports, including reconfiguration of the institution's team point totals after vacation of individual records and performances; *(Revised: 5/18/15)*
  - (2) Relay, doubles and similar team records in individual sports when one or more team members compete while ineligible, including reconfiguration of the institution team point totals after vacation of relay, doubles or similar results;
  - (3) Team and individual records and performances in individual or team sports;
  - (4) Records of head coaches; and
  - (5) In conjunction with any vacation, the return of individual or team awards to the Association may be required.
- (h) A financial penalty.
- (i) Ineligibility for selection involving network and/or broadband television broadcasts for the involved sport(s).
- (j) A reduction in the number of expense-paid recruiting visits in the involved sport(s).
- (k) A restriction on activities and benefits provided during unofficial visits.

- (o) Ineligibility of institutional staff members to serve on the Presidents Council, Management Council, Board of Governors or other committees of the Association, including as representatives of their institution or conference. *(Revised: 4/15/14, 2/10/15)*
- (p) Requirement that the institution take disciplinary action against an institutional staff member(s) who knowingly committed or condoned a major violation, including suspension of the head coach or the staff member(s) for one or more competition(s), and other disciplinary action(s) approved by the Committee on Infractions.
- (q) Issuance of a show-cause order per Bylaw 19.5.2.2 against an institutional staff member if that staff member has committed unethical conduct (see Bylaw 10.1) or other serious violations.
- (r) Pursuant to the provisions of Bylaw 19.5.2.6, exclusion of an individual or entity, including disassociation of a representative of an institution's athletics interests, from involvement in an institution's athletics program on a permanent basis or for a specified period of time.
- (s) Other penalties, corrective actions and disciplinary measures, as appropriate.

**19.5.2.1 Opportunity to Appear.** In the event the committee considers additional penalties to be prescribed on an institution in accordance with Bylaw 19.5.2-(s) above, the involved institution shall be provided the opportunity to appear before the committee; further, the institution shall be provided the opportunity to appeal (per Bylaw 19.6.2) any additional penalty prescribed by the committee. *(Revised: 1/11/12, 4/15/14)*

**19.5.2.2 Show-Cause Order.** If a determination is made by the committee that an institution has not taken appropriate disciplinary or corrective actions regarding an individual found in violation of the NCAA constitution and/or bylaws, the committee may issue an order that the institution take additional disciplinary or corrective action, including but not limited to restriction of some or all athletically related duties unless the institution appears before the committee to show cause why the additional penalties should not be applied. Decisions regarding disciplinary or corrective actions involving personnel shall be made by the institution, but the determination of whether the action satisfies the institution's obligation of NCAA membership shall rest solely with the Committee on Infractions. *(Adopted: 1/11/12, Revised: 4/15/14)*

**19.5.2.2.1 Obligation to Comply.** If an institutional staff member who is subject to a show-cause order is employed by an institution other than the institution at which the violation(s) occurred, that institution must comply with the penalties prescribed unless and until it can show cause to the satisfaction of the Committee on Infractions (or the Infractions Appeals Committee per Bylaw 19.2) why it need not comply. Failure to comply with the penalties may subject the institution to conclusions of violations, including a failure

to cooperate and lack of institutional control, as well as other penalties, corrective actions and disciplinary measures, as appropriate. (*Adopted: 1/11/12, Revised: 4/15/14*)

**19.5.2.2.1.1 Hearing Opportunity.** If the individual is employed by another member institution, the institution may show cause why it need not comply with an order either by written submission or in an appearance before the Committee on Infractions. (*Adopted: 1/11/12*)

### **19.5.2.3 Repeat Violators.**

**19.5.2.3.1 Time Period.** An institution shall be considered a “repeat” violator if the Committee on Infractions concludes that a major violation has occurred within five years of the starting date of a major penalty. For this provision to apply, at least one major violation must have occurred within five years after the starting date of the penalties in the previous case. It shall not be necessary that the Committee on Infractions’ hearing be conducted or its report issued within the five-year period. (*Revised: 1/14/97 effective 8/1/97, 4/15/14*)

**19.5.2.3.2 Repeat-Violator Penalties.** In addition to the penalties identified for a major violation, the minimum penalty for a repeat violator, subject to exceptions authorized by the Committee on Infractions on the basis of specifically stated reasons, may include any or all of the following: (*Revised: 1/11/94*)

- (a) The prohibition of some or all outside competition in the sport involved in the latest major violation for one or two sports seasons and the prohibition of all coaching staff members in that sport from involvement directly or indirectly in any coaching activities at the institution during that period;
- (b) The elimination of all recruiting activities in the sport involved in the latest major violation in question for a two-year period;
- (c) The requirement that all institutional staff members serving on the Presidents Council, Management Council, Board of Governors or other committees of the Association resign those positions, it being understood that all institutional representatives shall be ineligible to serve on any NCAA committee for a period of four years; and (*Revised: 2/10/15*)
- (d) The requirement that the institution relinquish its voting privilege in the Association for a four-year period.

### **19.5.2.4 Probationary Periods.**

Such conditions shall be designed on a case-by-case basis to focus on the institution’s administrative weaknesses detected in the case and shall include, but not be limited to, written reports from the institution pertaining to areas of concern to the committee (or the Infractions Appeals Committee per Bylaw 19.2), implementation of educational or deterrent programs, and audits for specific programs or teams. If the institution fails to satisfy such conditions, the committee (or the Infractions Appeals Committee per Bylaw 19.2) may reconsider the penalties in the case and may extend the probationary period and/or prescribe additional penalties. (*Revised: 1/10/95, 4/25/03, 4/15/14, 3/3/17*)

**19.5.2.4.2 Review Before Restoration of Membership Rights and Privileges.** In the event the committee prescribes a penalty involving a probationary period, at the end of the probationary period, the institution’s chancellor or president shall affirm in writing to the NCAA office of the Committees on Infractions that the institution’s athletics policies and practices are in full compliance with NCAA legislation. The office of the Committees on Infractions shall review the written affirmation and will coordinate with the committee to restore the institution to full rights and privileges of membership in the Association. (*Revised: 1/10/95, 4/15/14, 9/26/16*)

**19.5.2.5 Television Appearance Limitations.** In some instances, an institution is rendered ineligible to appear on television programs. When an institution is banned from such television programs, the penalty shall specify that the institution may not enter into any contracts or agreements for such appearances until the institution’s probationary status has been terminated and it has been restored to full rights and privileges of membership. (*Revised: 1/10/92*)

**19.5.2.5.1 Closed-Circuit Telecast Exception.** The Championships Committee is authorized to permit a closed-circuit telecast, limited to the campus of the opponent of the ineligible institution, it being understood that no rights fee is to be paid to the ineligible institution.

**19.5.2.6 Disassociation of Representatives of Athletics Interests.** The disassociation of relations with a representative of an institution’s athletics interests may be prescribed on a permanent basis, for the duration of the applicable probationary period or for another specified period of time. When an institution is required to show cause why a representative of the institution’s athletics interests should not be disassociated from its athletics program, such disassociation shall require that the institution:

- (a) Refrain from accepting any assistance from the individual that would aid in the recruitment of prospective student-athletes or the support of enrolled student-athletes;
- (b) Not accept financial assistance for the institution’s athletics program from the individual;

- (c) Ensure that no athletics benefit or privilege be provided to the individual that is not generally available to the public at large; and
- (d) Take such other actions against the individual that the institution determines to be within its authority to eliminate the involvement of the individual in the institution's athletics program.

**19.5.2.7 Notification to Regional Accrediting Agency.** When an institution has been found to be in violation of NCAA legislation, and the report reflects academic violations or questionable academic procedures, the NCAA president shall be authorized to forward a copy of the infractions decisions to the appropriate regional accrediting agency. *(Revised: 5/18/15)*

#### **19.5.2.8 Review of Penalty.**

**19.5.2.8.1 New Information or Prejudicial Error.** When a penalty has been prescribed and publicly announced and the appeal opportunity has been exhausted, there shall be no review of the penalty except on a showing of new information (per Bylaw 19.02.3) that is directly related to the conclusions or findings in the case or that there was a prejudicial error in the procedure that was followed in the processing of the case by the committee. *(Revised: 1/9/96, 4/15/14)*

**19.5.2.8.1.1 Review Process.** Any institution or involved individual that initiates such a review shall be required to submit a brief of its appeal to the committee. The committee shall review the brief and decide by majority vote whether it shall grant a hearing of the appeal.

**19.5.2.8.1.2 Institution or Conference Discipline as New Information.** Disciplinary measures imposed by the institution or its conference, after the NCAA's action, may be considered to be "new information" for the purposes of this section. *(Revised: 6/1/16)*

**19.5.2.8.1.3 No Calculation of New Penalty.** If a hearing of the appeal is granted, the committee may reduce or eliminate any penalty but may not prescribe any new penalty. The committee's decision with respect to the penalty shall be final and conclusive for all purposes.

**19.5.2.8.2 Reconsideration of Penalty.** The institution shall be notified that should any portion of the penalty in the case be set aside for any reason other than by appropriate action of the Association, the penalty shall be reconsidered by the NCAA. In such cases, any extension or adjustment of a penalty shall be proposed by the Committee on Infractions after notice to the institution and hearing. Any such action by the committee shall be subject to appeal.

#### **19.5.3 Discipline of Affiliated Member.**

**19.5.3.1 Termination or Suspension.** The membership of any affiliated member failing to meet the conditions and obligations of membership or failing to support and adhere to the purposes and policies set forth in Constitution 1 may be terminated or suspended or the member otherwise may be disciplined through the following procedure: *(Revised: 1/15/11 effective 8/1/11)*

- (a) The Management Council, by a two-thirds majority of its members present and voting, may take such action on its own initiative; or *(Adopted: 1/11/89)*
- (b) The Committee on Infractions, by majority vote, may recommend such action to the Management Council, which may adopt the recommendation by a two-thirds vote of its members present and voting; and
- (c) The affiliated member shall be advised of the proposed action at least 30 days before any Committee on Infractions or Management Council meeting in which such action is considered and shall be provided the opportunity to appear at any such meeting. *(Revised: 1/15/11 effective 8/1/11)*

### **19.6 Rights of Member to Appeal.**

**19.6.1 Appeal of Secondary Violations.** A member institution or involved individual subject to a show cause shall have the right to appeal to the Committee on Infractions penalties prescribed by the vice president of enforcement or his/her designee in reference to secondary violations. To appeal, the member institution or involved party must submit a notice of appeal through the online reporting system for secondary violations within 15 days after receipt of the enforcement staff's decision. An institution that self-reports a violation may appeal a penalty prescribed by the enforcement staff, but not the violation. An institution or involved individual subject to a show-cause order may request the opportunity to appear in person or by video or telephone conference. If no such request is made, or if the request is denied, the Committee on Infractions will review the institution's appeal on the basis of the written record. The committee shall not deny an involved individual's request to appear in person if a show-cause order was prescribed. *(Revised: 1/14/97 effective 8/1/97, 4/15/14, 10/21/14, 5/18/15)*

**19.6.1.1 Stay of Penalties.** If a notice of appeal is filed within the deadline, unless ordered otherwise by the Committee on Infractions, any penalties prescribed by the enforcement staff that have been appealed shall be stayed during the pendency of the appeal. *(Adopted: 10/21/14)*

**19.6.2 Appeal of Major Violations.** A member shall have the right to give written notice of appeal of the committee's conclusion of major violations (subject to Bylaw 32.10.1), the penalty, or both to the Infractions Appeals Committee per Bylaw 19.2. *(Revised: 1/16/93, 1/10/95, 4/25/03, 4/15/14)*

**19.6.3 Appeal by an Institutional Staff Member.** If any current or former institutional staff member participates in a hearing before the Committee on Infractions and is involved in a conclusion of a violation against that individual, the individual shall be given the opportunity to appeal any of the conclusions in question (subject to the conditions of Bylaw 32.10.1) or the committee's decision to prescribe a show-cause order to the Infractions Appeals Committee. Under such circumstances, the individual and personal legal counsel may appear before the appeals committee at the time it considers the pertinent findings or conclusions. (*Revised: 1/16/93, 1/10/95, 1/6/96, 4/25/03, 4/15/14*)

**19.6.4 Student-Athlete Appeal.** If an institution concludes that continued application of the rule(s) would work an injustice on any student-athlete, an appeal shall be submitted to the Committee on Student-Athlete Reinstatement and promptly reviewed.

**19.6.4.1 Obligation of Institution to Take Appropriate Action.** When the committee (or the Infractions Appeals Committee per Bylaw 19.2) concludes that there has been a violation of the constitution or bylaws affecting the eligibility of an individual student-athlete or student-athletes, the institution involved and its conference(s), if any, shall be notified of the violation and the name(s) of the student-athlete(s) involved, it being understood that if the institution fails to take appropriate action, the involved institution shall be cited to show cause under the Association's enforcement policies and procedures why it should not be disciplined for a failure to abide by the conditions and obligations of membership (declaration of ineligibility) if it permits the student-athlete to compete. (*Revised: 1/10/95, 4/25/03, 4/15/14, 5/18/15*)

## 19.7 Restitution.

If a student-athlete who is ineligible under the terms of the constitution, bylaws or other legislation of the Association is permitted to participate in intercollegiate competition contrary to such NCAA legislation but in accordance with the terms of a court restraining order or injunction operative against the institution attended by such student-athlete or against the Association, or both, and said injunction is voluntarily vacated, stayed or reversed or it is finally determined by the courts that injunctive relief is not or was not justified, the Management Council may take any one or more of the following actions against such institution in the interest of restitution and fairness to competing institutions:

## 20.01 General Principles.

**20.01.1 Membership in the Association.** Eligibility for membership in the Association; conditions, obligations and classes of Association membership; and procedures governing the termination, suspension and reinstatement of such membership are governed by Constitution 3.

**20.01.2 Division Membership.** Each active and provisional member institution and member conference is designated as a member of Division I, II or III for certain legislative and competitive purposes. In football, Division I is divided into Football Bowl Subdivision and NCAA Football Championship Subdivision. Multidivision classification is permitted under specified circumstances (see Bylaw 20.4).

## 20.02 Definitions and Applications.

**20.02.1 Multidivision Classification.** Multidivision classification is the procedure in which a member institution may petition to have a certain sport or sports classified in a division other than the division in which it holds membership (see Bylaw 20.4).

**20.02.2 Performance Criterion.** A performance criterion is a requirement for membership or classification in a division that must be met by the member institution before the date that the requirement becomes effective (i.e., during the academic year before the effective date). Performance criteria include, but are not limited to, minimum sports sponsorship requirements, minimum scheduling requirements and minimum game-attendance requirements.

**20.02.3 Provisional Membership.** Provisional membership is a prerequisite for active membership and shall not be less than a four-year period. During the third and fourth years of provisional membership, an institution shall administer its athletics programs in accordance with the constitution, bylaws and other legislation of the Association. (*Adopted: 1/11/94 effective 9/2/94, Revised: 1/14/97 effective 8/1/97 for institutions petitioning for provisional membership on or after 8/1/97, 8/1/01*)

**20.02.4 Membership Probation.** Membership probation is a membership classification status assigned to an institution to indicate that an institution's membership is not in good standing. The status of membership probation serves as a warning that certain conditions and obligations of membership have not been satisfied and failure to correct such deficiencies shall result in the institution's reclassification to the category of restricted membership. During the probationary year, the institution shall be required to complete an athletics program assessment using a form approved by the Membership Committee and shall also be provided with the guiding principles to establish a model Division III athletics program. An institutional staff member(s) may also be required to attend an NCAA Regional Rules Seminar. An institution does not lose membership benefits as a result of being placed on membership probation. (*Revised: 1/9/06, 1/8/07 effective 8/1/07 for any application of member penalties [probation or restricted membership status] based on the sports sponsorship audit shall be based on information reported for the 2006-07 year and beyond, 4/11/11, 9/26/16*)

**20.02.5 Restricted Membership.** Restricted membership is a membership classification status assigned to an institution that fails to comply with the minimum requirements of its division (e.g., sports sponsorship) and has failed during its period of membership probation to rectify such deficiencies as identified by the Division III Membership Committee or Committee on Infractions. An institution placed in restricted membership shall lose eligibility for a number of membership privileges, including championships eligibility, voting privileges and Division III grant and initiative funding, while in this status. The institution must comply with all requirement(s) involved with the associated penalty period. Failure to comply shall forfeit immediately its membership in the Association. If the institution is placed in restricted membership without having served a probationary year, the institution shall be required to complete an athletics program assessment using a form approved by the Membership

Committee and shall also be provided with the guiding principles to establish a model Division III athletics program. *(Revised: 1/9/06, 1/8/07 effective 8/1/07, 7/20/10, 10/19/10 effective 8/1/11, 1/15/11 effective 8/1/11, 9/26/16)*

**20.02.6 Emerging Sports for Women.** The following shall be considered emerging sports for women: *(Adopted: 1/11/94 effective 9/1/94)*

- (a) **Team Sports.** Rugby; and *(Revised: 1/13/98, 1/13/03 effective 8/1/03, 1/17/09 effective 8/1/09)*

**20.02.6.1 Removal of Emerging Sports.** A sport shall no longer be considered an emerging sport once the sport has been established as a championship sport. Further, an emerging sport is limited to a 10-year time period to become a championship sport unless it can be demonstrated that steady growth has occurred during that time. *(Adopted: 1/13/98)*

**20.02.7 Mixed Team.** A mixed team is a varsity intercollegiate sports team on which at least one individual of each gender competes. *(Revised: 5/4/06)*

## **20.1 Determination of Divisions.**

**20.1.1 Designation of Division by Active and Provisional Members.** Each active and provisional member institution shall be designated as a member of Division I, Division II or Division III for certain legislative and competitive purposes. *(Revised: 1/11/94 effective 9/2/94)*

**20.1.1.1 Men's and Women's Programs in Different Divisions.** An institution shall not classify its women's athletics program in a division other than the institution's membership division, unless its women's program was so classified before January 11, 1991; further, for those institutions so classified, the Board of Governors, by a two-thirds majority of its members present and voting, may permit the institution's women's athletics program to be classified in a division other than its membership division, provided it determines every three years that unusual circumstances warrant such action. *(Revised: 1/10/91, 2/10/15)*

**20.1.1.2 Multidivision Classification.** A member may request classification and eligibility in more than one division in accordance with provisions permitting multidivision classification, eligibility and voting (see Bylaw 20.4).

**20.1.2 Designation of Division by Member Conference.** Each member conference shall determine the membership division it desires for legislative and/or competitive purposes. When designating the division, at least 50 percent or a minimum of 25 of the conference's institutions must hold membership in that division. The Board of Governors shall determine the membership division of a member conference not meeting these criteria. *(Revised: 2/10/15)*

## **20.2 Establishment of and Compliance With Division Criteria.**

**20.2.1 Adoption of Criteria.** The members of each division, by majority vote, may establish division criteria for membership and competition by sport.

**20.2.2 Effective Date and Compliance Period.** In establishing criteria, the members of the division shall specify the effective date and compliance period, if any. Each institution (either as a member of that division or as an institution that competes in a sport in that division under the provisions of multidivision classification per Bylaw 20.4) shall conform to the requirements of the criteria by that effective date or by the end of the compliance period, whichever is later. Amendments to membership criteria shall be effective the September 1 after adoption or a future September 1.

**20.2.2.1 Deadline for Meeting Performance Criterion.** An institution must comply with any specific performance criterion adopted by the membership of its division (e.g., that the institution sponsor a minimum number of sports, schedule and play a specific percentage or number of contests against opponents of a certain division, or demonstrate a specific level of paid attendance) by the end of the academic year before the effective date of the legislation.

**20.2.3 Continuation of Compliance.** To retain division membership or approved multidivision classification (per Bylaw 20.4), each member institution shall continue to meet division criteria when any grace period expires. If an institution fails to remain in compliance with its division's criteria, the institution's membership (or its sport per Bylaw 20.4) shall be reassigned to a division for which it qualifies. If the member (or its sport per Bylaw 20.4) does not qualify for any division, the institution shall be reclassified in accordance with Bylaw 20.2.5 and also shall be subject to the Association's enforcement procedures.

**20.2.4 Failure to Conform by Effective Date.** If an institution has not conformed to the adopted criteria of its division by the effective date or the end of the prescribed compliance period, the institution's membership (or its sport per Bylaw 20.4) shall be reassigned to a division for which it qualifies. If the member (or its sport per Bylaw 20.4) does not qualify for any division, the institution (or its sport per Bylaw 20.4) shall be reclassified in accordance with Bylaw 20.2.5.

## 20.2.5 Noncompliance and Waivers of Division Criteria.

**20.2.5.1 Penalty Period.** A penalty period shall apply to an institution that fails to meet any of the membership requirements (see Constitution 3.2.4.15.1 and 6.3.1.2, and Bylaws 15.4.1.1.2 and 20.11.3.9). (*Adopted: 10/19/10 effective 8/1/11*)

(*Adopted: 7/26/11*)

**20.2.5.3 Waivers of Division Membership Criteria.** If an institution applying for multidivision classification or change of division membership, or an institution placed in the “restricted membership” category (per Bylaw 20.2.5.1), does not meet the criteria of its preferred division, or if an active member institution does not meet (or does not expect to meet within the applicable compliance period, if any) new criteria adopted by the membership of its division, it may request a waiver of the criteria of the preferred division according to the procedures specified below. The Membership Committee may approve or reject the waiver request. (*Revised: 1/11/94 effective 9/2/94, 1/12/99, 7/21/15*)

Any request received after that date shall be postmarked not later than September 8. The request shall include pertinent information supporting the institution’s request. Additionally, the institution shall distribute this information to the president or chancellor, faculty athletics representative, athletics director and senior woman administrator of athletics programs at each member institution in the preferred division, as well as the executive officer of each member conference of that division, postmarked not later than December 1. (*Revised: 10/3/05*)

**20.2.5.3.2 Effective Date of Waiver.** If the Membership Committee votes to admit the institution as a member of that division, such classification shall become effective: (*Revised: 1/12/99*)

- (a) In accordance with the requirements of Constitution 3.2.3.3 if a new member of the Association is involved;

- (c) Immediately if the institution receives a waiver of the “restricted membership” classification. (*Adopted: 1/11/89, Revised: 7/21/15*)

**20.2.5.3.2.1 Maximum Three-Year Waiver Period.** If after three years from the effective date of multidivision classification or reclassification (September 1 after the approval of the waiver by the Membership Committee) the institution receiving such a waiver has not conformed to all adopted criteria of the division, the institution’s membership (or its sport per Bylaw 20.4): (*Revised: 1/11/94 effective 9/2/94, 1/12/99, 7/21/15*)

## 20.11 Division III Membership Requirements.

### DIVISION III PHILOSOPHY STATEMENT

Colleges and universities in Division III place highest priority on the overall quality of the educational experience and on the successful completion of all students' academic programs. They seek to establish and maintain an environment in which a student-athlete's athletics activities are conducted as an integral part of the student-athlete's educational experience, and in which coaches play a significant role as educators. They also seek to establish and maintain an environment that values cultural diversity and gender equity among their student-athletes and athletics staff. To achieve this end, Division III institutions:

- (a) Expect that institutional presidents and chancellors have the ultimate responsibility and final authority for the conduct of the intercollegiate athletics program at the institutional, conference and national governance levels; (*Adopted: 1/16/10 effective 8/1/10*)
- (b) Place special importance on the impact of athletics on the participants rather than on the spectators and place greater emphasis on the internal constituency (e.g., students, alumni, institutional personnel) than on the general public and its entertainment needs;
- (c) Shall not award financial aid to any student on the basis of athletics leadership, ability, participation or performance; (*Revised: 7/24/07*)
- (d) Primarily focus on intercollegiate athletics as a four-year, undergraduate experience; (*Adopted: 1/14/12*)
- (e) Encourage the development of sportsmanship and positive societal attitudes in all constituents, including student-athletes, coaches, administrative personnel and spectators;
- (f) Encourage participation by maximizing the number and variety of sport offerings for their students through broad-based athletics programs; (*Revised: 1/14/12*)
- (g) Assure that the actions of coaches and administrators exhibit fairness, openness and honesty in their relationships with student-athletes;
- (h) Assure that athletics participants are not treated differently from other members of the student body;
- (i) Assure that student-athletes are supported in their efforts to meaningfully participate in nonathletic pursuits to enhance their overall educational experience; (*Adopted: 1/14/12*)
- (j) Assure that athletics programs support the institution's educational mission by financing, staffing and controlling the programs through the same general procedures as other departments of the institution. Further, the administration of an institution's athletics program (e.g., hiring, compensation, professional development, certification of coaches) should be integrated into the campus culture and educational mission; (*Revised: 1/9/06 effective 8/1/06*)
- (k) Assure that athletics recruitment complies with established institutional policies and procedures applicable to the admission process; (*Adopted: 1/12/04 effective 8/1/04*)
- (l) Exercise institutional and/or conference autonomy in the establishment of initial and continuing eligibility standards for student-athletes; (*Adopted: 1/14/12*)
- (m) Assure that academic performance of student-athletes is, at a minimum, consistent with that of the general student body; (*Adopted: 1/9/06 effective 8/1/06*)
- (n) Assure that admission policies for student-athletes comply with policies and procedures applicable to the general student body; (*Adopted: 1/9/06 effective 8/1/06*)
- (o) Provide equitable athletics opportunities for males and females and give equal emphasis to men's and women's sports;
- (p) Support ethnic and gender diversity for all constituents; (*Adopted: 1/12/99*)
- (q) Give primary emphasis to regional in-season competition and conference championships; and
- (r) Support student-athletes in their efforts to reach high levels of athletics performance, which may include opportunities for participation in national championships, by providing all teams with adequate facilities, competent coaching and appropriate competitive opportunities.

The purpose of the NCAA is to assist its members in developing the basis for consistent, equitable competition while minimizing infringement on the freedom of individual institutions to determine their own special objectives and programs. The above statement articulates principles that represent a commitment to Division III membership and shall serve as a guide for the preparation of legislation by the division and for planning and implementation of programs by institutions and conferences.

## 31.01 General Principles.

**31.01.1 Names of Championships.** All NCAA championships (see Bylaw 18.4) have formal designations that identify their appropriate category and sport classification (see Bylaw 31.02.2). The name of each championship is the property of the Association (see Bylaw 31.6).

**31.01.2 Postseason Championship Opportunities.** NCAA championships are intended to provide national-championship competition among the best eligible student-athletes and teams at the conclusion of the respective sport seasons, with consideration for regional structures that may be approved for certain championships.

**31.01.3 Size of Championships Fields.** The size of all NCAA championships fields shall be established by the Championships Committee to provide for efficient management of the events, adequate NCAA championship opportunities relative to the nationwide quality of competition and sound economic administration of the financial resources of the Association and its championships (see Bylaw 31.3.1 for the criteria to be considered in establishing the size of the championship field).

**31.01.4 Economy of Operation.** Every sports committee and games committee (see Bylaw 31.1.2) shall exercise all possible economy in the conduct of an NCAA championship.

## 31.02 Definitions and Applications.

**31.02.1 Automatic Qualification.** Automatic qualification is the automatic entry into a championship field by a team or individual student-athletes representing a member conference recommended by the appropriate sports committee and approved by the Championships Committee (see Bylaw 31.1.1).

**31.02.1.1 Single-Sport Conference.** A single-sport conference is a conference that only sponsors one sport. A conference that sponsors one sport, but sponsors both men's and women's competition in that sport, is not a single-sport conference and does not qualify for a single-sport conference waiver for purposes of automatic qualification for either the men's or women's competition. (*Adopted: 1/12/11*)

## 31.02.2 Championships Classification and Terminology.

**31.02.2.1 Team Championships.** Team championships are those conducted for the team sports (see Bylaw 17.02.13.1 or 31.3). The title of a team championship is always singular and is identified as a National Collegiate Championship or a division championship (e.g., National Collegiate Women's Water Polo Championship, Division I Men's Basketball Championship).

**31.02.2.2 Individual-Team Championships.** Individual-team championships are those conducted for the individual sports (see Bylaw 17.02.13.2 or 31.3). The title of an individual-team championship is always plural, reflecting the fact that both individual and team championships are determined (e.g., National Collegiate Men's Gymnastics Championships, Division I Women's Tennis Championships).

**31.02.3 Misconduct.** Misconduct in an NCAA championship is any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law, occurring from the time the championship field is announced through the end of the championship, that discredits the event or intercollegiate athletics. (*Revised: 8/15/89, 8/13/92, 10/20/08*)

**31.02.4 Nullification.** Nullification is a penalty imposed on an institution by the Championships Committee for permitting an ineligible student-athlete to participate in intercollegiate competition. (*Adopted: 1/17/15 effective 8/1/15*)

## 31.1 Administration of NCAA Championships.

**31.1.1 Authority of Championships Committees and Sports Committees.** As specified in Bylaw 18.2, all NCAA championships shall be conducted in accordance with the general policies established by the Championships Committee, the Management Council, the Presidents Council and/or Board of Governors and shall be under the control, direction and supervision of the appropriate sports committees, subject to the standards and conditions set forth in these executive regulations. Additional policies of an administrative nature are set forth in the respective championships handbooks and are to be followed in the administration of NCAA championships. *(Revised: 8/22/07, 2/10/15)*

**31.1.1.1 Waivers.** The Championships Committee shall possess final waiver authority on all championships issues. An appeal of a decision of a governing sports committee, or a subcommittee designated by it, concerning questions of individual or institutional eligibility or the conduct of a championship will not be considered by the Championships Committee 48 hours immediately before the championship or at any time during the championship. During such period, the governing sports committee, or a subcommittee designated by it, shall be the final authority in acting upon appeals concerning the conduct of the championship, subject to the provisions of Bylaw 31.2 regarding institutional and individual eligibility questions.

**31.1.2 Games Committee.** The governing sports committee shall appoint a games committee to supervise actively the conduct of each championship session. The games committee conducting any NCAA championship shall limit participation to eligible student-athletes and may limit the number of entries or reject any application for entry in any event in order that the competition shall best promote the welfare and interest of the sport involved.

**31.1.3 Sites and Dates.** The governing sports committees recommend to the Championships Committee the sites and dates for all NCAA championships.

**31.1.3.1 Championships Committee Approval.** Championships Committee approval shall be obtained before final site commitments are made to the host institution or any other individual or organization associated with the management of an NCAA championship. However, in the sports of baseball, basketball, field hockey, football, ice hockey, lacrosse, soccer, softball and volleyball, the governing sports committees are authorized to select sites for preliminary rounds of competition without prior Championships Committee approval.

**31.1.3.2 Site Selection.** The governing sports committees shall evaluate prospective sites for NCAA championships in terms of the specific criteria approved by the Championships Committee. The division championships committees may assign specific priorities to these criteria for their respective championships. These shall be specified in the appropriate championships handbooks. A governing sports committee that desires to use additional criteria shall obtain Championships Committee approval before doing so.

**31.1.3.2.1 Criteria for Site Determination.** The following criteria are to be used in the evaluation of sites for all competition in NCAA championships:

- (a) Quality and availability of the facility and other necessary accommodations;
- (b) Geographical location (including such factors as rotation of sites, weather, accessibility and transportation costs);
- (c) Seeding; and
- (d) Attendance history and revenue potential, which shall be considered necessary to assure fiscal responsibility.

**31.1.3.2.2 Nonpredetermined Site.** When a championship site is not predetermined, the governing sports committee may award the site to the higher-ranked team if the above criteria, and any priorities established by the respective division championships committee, are met.

**31.1.3.2.3 On-Campus Versus Off-Campus Sites.** No preference shall be given to on-campus versus off-campus sites. An institution that has been chosen to host a championship may conduct the competition on campus, or if appropriate on-campus facilities are not available, the host institution(s) may conduct competition in an off-campus venue in the immediate locale of the institution(s). In those instances in which it is advisable to conduct the competition at off-campus sites, the host institution(s) shall have complete control, supervision and management of the facility being used. *(Revised: 12/3/90, 1/8/05)*

**31.1.3.2.4 Reconsideration of Host Institution.** The Championships Committee may reconsider the designation of a host institution for an NCAA championship if that institution's team or individual student-athletes are not eligible to compete in the championship.

**31.1.3.2.5 Nonrevenue Championship Site Assignment.** For team championships that do not generate revenues, pairings shall be based primarily on the teams' geographical proximity to one another, regardless of their region, in order to avoid air travel in preliminary rounds whenever possible. Teams' seeding relative to one another may be taken into consideration when establishing pairings if such a pairing does not result in air travel that otherwise could be avoided. *(Revised: 8/4/94)*

**31.1.3.3 Concluding Dates.** NCAA championships competition shall be concluded not later than June 2 each year unless later dates are approved by the Championships Committee. (Note: The baseball championship has been granted waivers by the Championships Committee.)

**31.1.4 Day of Competition.** NCAA championships competition may be scheduled or conducted on any day, provided the governing sports committee has received the prior approval of the Championships Committee and the following regulations are applied. (*Revised: 1/12/99*)

**31.1.4.1 Institutional Policy.** If a participating institution has a written policy against competition on a particular day for religious reasons, it shall inform the NCAA national office before May 1 of the preceding academic year to be excused from competing on that day. The notification shall be valid for a period of two years. The championship schedule shall be adjusted to accommodate that institution. (*Revised: 1/12/99, 1/8/01, 4/25/03, 1/5/07 effective 8/1/07*)

**31.1.4.2 Individual Championships.** In individual championships, an athlete must compete according to the institution's policy regarding Sunday competition (i.e., if the institution has no policy against Sunday competition, the athlete shall compete on Sunday if required by the schedule).

**31.1.4.3 Rescheduling, Emergency or Competitive Development.** If an emergency develops that causes postponement of an NCAA championship, or if the competitive situation dictates a more expeditious completion of the meet or tournament, Sunday competition may be permitted, provided the competing institutions are agreeable and advance approval is obtained from the Championships Committee or the appropriate sports committee. (*Revised: 1/13/03*)

**31.1.4.4 Noon Start Time.** NCAA competition conducted on Sunday may not begin before noon, local time. The appropriate sports committee may waive the application of this legislation. (*Revised: 1/13/03*)

**31.1.4.5 Commencement Exercises.** The governing sports committee, in consultation with participating institutions, may reschedule, to the nearest possible date, team championships competition dates that are in direct conflict with commencement exercises or graduation dates for teams participating in Division III championships competition, provided the following conditions are met: (*Adopted: 1/8/01*)

- (a) Participating institutions have given prior notice, declared on the certification of eligibility to participate form, of commencement dates during which student-athletes would not be eligible for championships participation; (*Adopted: 1/8/01*)
- (b) The championship is not conducted at a predetermined finals site; and (*Adopted: 1/8/01*)
- (c) The committee shall make a good-faith effort to accommodate participating institutions in non-predetermined preliminary round contests with multiple teams participating at the same site. (*Adopted: 1/8/01*)

**31.1.5 Squad Limits.** In any championship in which a squad limit has been established by the governing sports committee or by the bylaws, the number of eligible student-athletes in competitive uniform at the start of the competition shall not exceed the prescribed number. An institution that is advised that it is in violation of this regulation and that does not promptly conform to it automatically shall forfeit the competition. There shall be no inordinate delay of the competition to allow the institution to conform to the rule.

### **31.1.6 Playing Rules.**

**31.1.6.1 Non-NCAA Rules, Men's Sports.** In those men's sports in which the Association does not publish rules, the NCAA championships shall be conducted according to the following, except when those rules are superseded by modifications made by the appropriate governing sports committee (see Bylaw 18.6):

- (a) Fencing—U.S. Fencing Association Rules;
- (b) Golf—U.S. Golf Association Rules;
- (c) Gymnastics—International Gymnastics Federation Rules;

**31.1.6.2 Non-NCAA Rules, Women's Sports.** In those women's sports in which the Association does not publish rules, the NCAA championships shall be conducted according to the following, except when those rules are superseded by modifications made by the appropriate governing sports committee (see Bylaw 18.6): (*Revised: 5/31/11*)

- (a) Fencing—U.S. Fencing Association Rules;
- (b) Field Hockey—International Field Hockey Rules;
- (c) Golf—U.S. Golf Association Rules;

- (f) Rowing—U.S. Rowing Rules; and (*Adopted: 1/14/97*)
- (g) Tennis—U.S. Tennis Association Rules.

**31.1.7 Medical Disqualification.** The student-athlete's team physician shall examine each student-athlete injured during NCAA competition and make a recommendation to the athlete, the coach and the chair of the governing sports committee, or the chair's designated representative, as to the advisability of continued participation or disqualification of the athlete. In the absence of said team physician, the NCAA tournament physician, as recommended by the host institution and approved by the governing sports committee, shall examine the injured athlete and make a recommendation as noted above. The chair of the governing sports committee, or the chair's designated representative, shall be responsible for enforcement of the medical recommendation if it involves disqualification.

**31.1.8 Misconduct.** Each games committee shall hold a pre-tournament meeting with the coaches of participating institutions to review and explain the policies related to misconduct (as defined in Bylaw 31.02.3).

**31.1.8.1 Hearing Opportunity.** An act of misconduct may be found upon an administrative hearing granted to the student-athlete or the institutional representative involved by the governing sports committee or the games committee authorized to act for it.

**31.1.8.2 Misconduct Incidental to Competition.** If the act of misconduct occurs during the competition, under normal circumstances, the individual shall be allowed to complete the competition in which he or she is participating at the time of the incident. An administrative hearing shall be held at the conclusion of the day's competition, during a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted or at the conclusion of the championship. However, if the act of misconduct is so flagrant that it obviously violates the principles of fair play and sportsmanship, the games committee may immediately withdraw the student-athlete or institutional representative from the competition and conduct the hearing after this action. Other acts of misconduct should be dealt with in a timely manner by the governing sports committee. *(Revised: 8/13/92, 1/10/05)*

**31.1.8.3 Penalty for Misconduct.** A governing sports committee (or the games committee authorized to act for it) may impose any one or a combination of the following penalties on an institution or any student-athlete or representative of an institution guilty of misconduct that occurs, en route to, from or at the locale of the competition or practice:

- (a) Public or private reprimand of the individual;
- (b) Disqualification of the individual from further participation in the NCAA championship involved;
- (c) Banishment of the individual from participation in one or more future championships of the sport involved;

**31.1.8.4 Ban from Subsequent Championship.** When a student-athlete or institutional representative is banned from participation in a future championship, such penalty shall be applied to the next tournament(s) in which the individual's team is involved and the individual otherwise is eligible to participate. In the case of an individual event, the penalty shall be applied to the next meet(s) or tournament(s) for which the individual qualifies and otherwise is eligible to participate.

**31.1.8.5 Review of Action.** Any action related to misconduct may be reviewed by the governing sports committee on request of any institution participating in the championship.

**31.1.9 Awards.** The Association has created standard, participant and commemorative awards for individuals and teams that participate in NCAA championships. The number of such awards for each championship shall be determined by the governing sports committee, subject to the approval of the Championships Committee. These official NCAA awards shall be the only awards presented by the Association to teams and individuals for participation in NCAA championships competition and shall be the only awards presented at the site of an NCAA championship. "At the site" is intended to include the period from the time access to the site is available to spectators until all patrons have left the facility or area used for competition. *(Revised: 10/22/03, 3/4/05)*

**31.1.10 Admission and Tickets.** Admission shall be charged at all NCAA championships unless a governing sports committee determines that charging admission is not feasible because of facility configuration or the expense relative to the event's attendance history. Ticket prices shall be determined by the respective games committees with the approval of the governing sports committee.

**31.1.11 Restricted Advertising and Sponsorship Activities.** The following activities are restricted when they occur in conjunction with NCAA championships. Other restrictions are set forth in the championships handbooks.

**31.1.11.1 Advertising.** Advertising policies of the Association are designed to exclude those advertisements that do not appear to be in the best interests of higher education. The NCAA president shall have the authority to rule in cases in which doubt exists concerning acceptable advertisers and advertising copy of game programs, broadcasts and telecasts of NCAA championships; however, the following expressly are prohibited: (*Revised: 8/15/89, 1/14/12*)

(*Adopted: 1/14/12*)

**31.1.12 Availability of Alcoholic Beverages.** Alcoholic beverages shall not be sold or otherwise made available for public consumption at any championship event sponsored by or administered by the Association, nor shall any such beverages be brought to the site during the championship (i.e., during the period from the time access to the site is available to spectators until all patrons have left the facility or area used for competition).

**31.2.1 Institutional Eligibility.** To be eligible to enter a team or an individual in NCAA championship competition, an institution shall recognize the sport involved as a varsity intercollegiate sport (see Bylaw 17.02.13) and shall: *(Revised: 4/13/10)*

- (a) Be an active member in the appropriate division, or have its sport so classified, and be eligible under the rules of the member conference of which it is a member and is not otherwise ineligible to participate in championships per the Association's enforcement or membership process;
- (b) Complete the following by:
  - (1) September 15 for fall championships;
  - (2) December 1 for winter championships; and
  - (3) March 1 for spring championships:
    - (i) Pay its membership dues for the current year;
    - (ii) Designate (in accordance with Bylaw 20) its athletics program as Division I, Division II or Division III for competition and possible eligibility for championships in those intercollegiate sports recognized by the NCAA;
    - (iii) Confirm its sponsorship of a varsity intercollegiate team in the sport by so reporting on the NCAA official information form; and
    - (iv) Submit its race and demographic information to the NCAA through the official information form.
- (c) Satisfy the Bylaw 20 minimum contests and participant requirements in the year of the championship for a team to be entered in an NCAA championship. An institution may enter individuals in a championship without satisfying the Bylaw 20 minimum contests and participant requirements but those individuals may not register a team score (see Bylaw 20.11.3.8); *(Revised: 7/24/12 effective 8/1/13)*
- (d) Certify through its president or chancellor on a form approved by the Management Council, the institution's compliance with NCAA legislation. The certification of compliance shall be completed not later than September 15 and shall adhere to the requirements set forth in Bylaw 31.2.1.7;
- (e) Complete and submit a copy of the Integrated Postsecondary-Education Data System Graduation-Rate Survey (IPEDS GRS-1) to the NCAA national office on or before the applicable deadline established by federal regulations;
- (f) Refrain from entering a student-athlete as an individual or as a member of a team in an NCAA championship if it is acknowledged by the institution or established through the Association's enforcement procedures that the institution or representative(s) of its athletics interests violated NCAA regulations in the recruiting of the student-athlete. The institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete's eligibility (see Bylaw 14.11);
- (g) Satisfy any additional requirements set forth in the applicable prechampionships handbooks; and
- (h) Satisfy in-region opponent competition requirements (see Bylaw 31.3.2). *(Revised: 1/16/13 effective 8/1/13, 4/15/14 effective 8/1/14)*

**31.2.1.1 Commitment to Participate.** Eligible members in a sport who are not also members of the National Association of Intercollegiate Athletics or the National Christian College Athletic Association will participate (if selected) in the NCAA championship or in no postseason competition in that sport. *(Revised: 8/12/91, 1/12/99 effective 8/1/99, 4/13/10)*

**31.2.1.2 Joint-Declaration Program.** The NCAA, the National Association of Intercollegiate Athletics (NAIA) and the NCAA and the National Christian College Athletic Association (NCCAA), respectively, will administer joint-declaration programs in those men's and women's sports in which there is a date conflict between the national championships of the NCAA and either the NAIA or NCCAA. In such championships, each institution that holds membership in the NCAA and either the NAIA or the NCCAA must declare by August 15 each year whether it will participate (if selected) in the NAIA or NCCAA championship, in the NCAA championship or in no postseason competition in that sport. An institution that fails to submit the joint-declaration form by the established deadline shall be ineligible to compete in the NCAA's and either the NAIA's or NCCAA's championships in the particular sport(s) that year. An appeal process exists for such institutions. An institution in the joint-declaration program may participate in the championship for which the institution declared, even when the championship occurs outside the permissible NCAA playing season. Institutions in the joint-declaration program must abide by all other NCAA regulations for all sports, including the length of the playing season. *(Revised: 1/12/99 effective 8/1/99, 1/9/04, 1/10/05, 4/13/10)*

**31.2.1.3 National Collegiate Championships.** In team sports in which the NCAA offers only one national championship, all active member institutions are eligible to compete in accordance with the requirements of division membership (see Bylaw 20.8.1) and institutional eligibility (per Bylaw 31.2.1). *(Revised: 4/13/10)*

**31.2.1.4 Exclusion of Institution Reclassifying Entire Program to Division II or Single Sport to Division I.** In all sports, any institution that has forwarded to the national office written notice of its intention to

change its membership classification to Division I no longer shall be eligible to participate in any future Division III championship (see Bylaw 20.4.4.1). A member institution reclassifying to Division II that has forwarded its official reclassification application to the national office per Bylaw 20.6.1 shall no longer be eligible to participate in any future Division III championship, once the institution commences the Division II reclassification process (i.e., start of the first candidacy year). (*Adopted: 4/13/10, Revised: 1/18/14*)

**31.2.1.5 Eligibility of Participants.** An institution shall advise the NCAA championships staff if a student-athlete who has participated in regular-season competition becomes ineligible before the date on which the governing sports committee selects championship participants, as indicated in the appropriate prechampionships manual. (*Revised: 5/1/92*)

**31.2.1.5.1 Ineligible Participant Reported Prior to Selection.** For instances in which a student-athlete has participated while ineligible during regular-season competition, the Championships Committee may impose a nullification penalty on the institution. An institution that receives a nullification penalty may be denied the right to participate in the applicable NCAA championship.

**31.2.1.5.2 Failure to Report Ineligible Player Before Selection.** If an institution fails to report an ineligible player before being selected to participate in the championship, the governing sports committee may declare the institution ineligible to participate in the tournament for one or two years.

**31.2.1.5.3 Discovery of Ineligibility of Player Subsequent to Selection.** When an institution fails to report an ineligible player and the omission is not discovered until after the institution is selected to participate in the championship, necessitating the institution's withdrawal from the championship, that withdrawal shall be considered as one of the years of ineligibility, provided another member institution participates in the championship in place of the disqualified institution. If the discovery of the ineligible student-athlete(s) occurs so near the beginning of the championship that the governing sports committee does not have a reasonable period of time to replace the disqualified institution in the bracket, that fact shall be taken into consideration in determining the number of years the disqualified institution shall be ineligible to participate.

**31.2.1.5.4 Review of Violation of Terms of Availability Questionnaire.** When an institution is alleged to have violated the terms of an availability questionnaire (e.g., failing to report an ineligible student-athlete), it may be represented at the meeting of the governing sports committee when the committee determines whether a violation occurred and, if so, whether the institution shall be ineligible to participate in the tournament for one or more years. The institution may submit a written statement or make an in-person presentation, or both. After the governing sports committee has ruled on the matter, its decision shall be final unless the institution appeals the decision to the Championships Committee. The Championships Committee shall hear the appeal at one of its regularly scheduled meetings unless there are compelling reasons to conduct a special meeting for such purpose.

**31.2.1.6 Protest Regarding Eligibility of Team.** Any team that has been duly certified as eligible for an NCAA championship shall not be withheld from participation because of any protest made or filed during the progress of the competition or during a period 24 hours immediately before the championship. If there is a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted, a team may be withheld from further competition in the championship, provided such protest is made or filed at least 24 hours before the next segment of the championship.

**31.2.1.7 Certification of Compliance—Requirements.** The following conditions shall be satisfied. (*Adopted: 4/13/10*)

**31.2.1.7.1 NCAA Rules Review.** The president or chancellor, or a designated representative, has reviewed with all athletics department staff members the rules and regulations of the NCAA as they apply to the administration and conduct of intercollegiate athletics. (*Adopted: 4/13/10*)

**31.2.1.7.2 Coaching Staff Disciplinary Actions.** At the time of such certification, and as a result of involvement in a violation of the Association's legislation as determined by the Committee on Infractions or the Management Council, no current member of the institution's coaching staff: (*Adopted: 4/13/10*)

- (a) Shall have been temporarily or permanently suspended from coaching duties by another member institution within the last two years; or
- (b) Shall have been prohibited within the last two years, as a result of violations occurring while employed by another member institution, from participating in identified coaching-related activities, unless the prohibition has been equally applied by the certifying institution with respect to the individual's coaching-related activities on behalf of it; or
- (c) Shall have been permitted within the last two years to perform any coaching-related activities for the certifying institution that were prohibited after determination by the Committee on Infractions of an "appropriate disciplinary action" for the individual in accordance with the show-cause provision of Bylaw 19.5.2 of the NCAA enforcement procedures.

**31.2.1.7.2.1 Period of Suspension or Prohibition.** The period of suspension or prohibition established by the Committee on Infractions or the Management Council must be in effect for the provisions set forth in Bylaw 31.2.1.7.2 to apply. *(Adopted: 4/13/10)*

**31.2.1.7.2.2 Due-Process Requirement.** The affected coaching staff member must be given through the appropriate institution notice of an opportunity to be heard at both the NCAA hearing resulting in the finding of involvement in the violation and the institutional hearing resulting in suspension or prohibition. *(Adopted: 4/13/10)*

**31.2.1.7.3 Certification of Policies, Procedures and Practices.** The policies, procedures and practices of the institution, its staff members and representatives of its athletics interests are in compliance at the present time with the Association's legislation insofar as the president or chancellor can determine. *(Adopted: 4/13/10)*

**31.2.1.7.4 Maintenance of Compliance.** It is the intention of the institution to maintain such compliance. *(Adopted: 4/13/10)*

**31.2.1.7.5 Report of NCAA Violation Involving Institution.** A current statement has been filed with the president or chancellor, as a part of the institution's annual certification, which is signed by each athletics department staff member and by the institutional financial aid officer or comparable campus official, attesting that the individual has reported any knowledge of an involvement in any violations of NCAA legislation involving the institution. *(Adopted: 4/13/10)*

**31.2.1.8 Admissions and Graduation-Rate Disclosure.** An institution shall not be eligible to enter a team or individual competitors in an NCAA championship unless it has submitted federal graduation rate and enrollment data to the NCAA national office on or before the applicable deadline. *(Adopted: 4/13/10, 7/5/17)*

**31.2.1.9 Deadline Waivers.** Institutions that fail to meet a deadline for institutional eligibility in NCAA championships may appeal to the Championships Committee for a waiver. If the Championships Committee grants the appeal, then the institution may be restored to eligibility for NCAA championships. The Championships Committee may grant future waivers upon payment of a penalty as established by the Championships Committee. *(Revised: 4/13/10)*

**31.2.2 Individual Eligibility.** All student-athletes, regardless of division, must meet the eligibility standards established for NCAA championships competition. The general and academic eligibility requirements are set forth in detail in Bylaw 14, in which there is also reference to other legislation regarding eligibility of the individual student-athlete. Other specific requirements for eligibility for NCAA championships (e.g., authority of the Championships Committee, amateur status certification and ineligibility for use of banned drugs) are set forth in Bylaws 18.4.1, 10.3 and 10.4. The Board of Governors may require the student-athletes to certify their eligibility for championship competition. *(Revised: 3/5/97, 2/10/15)*

**31.2.2.1 Eligibility Requirements.** A member institution shall not enter a student-athlete as an individual or as a member of a team in an NCAA championship unless the student-athlete satisfies the relevant eligibility requirements of Bylaw 14. *(Revised: 8/15/89)*

**31.2.2.2 Protest of Eligibility Status.** Any student-athlete duly certified by the institution for an NCAA championship shall not be withheld from participation because of any protest made or filed during the championship or during the 24 hours immediately before the championship. If there is a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted, the student may be withheld from further competition in the championship, provided the protest is made or filed at least 24 hours before the next segment of the championship.

**31.2.2.3 Participation While Ineligible.** When a student-athlete competing as an individual or representing the institution in a team championship is declared ineligible after the competition, or a penalty has been prescribed or action taken as set forth in Bylaw 19.5.2 or 19.7 of the NCAA infractions program, the Committee on Infractions may require the following: *(Revised: 1/14/02, 4/15/14)*

(a) **Individual Competition.** The individual's performance may be stricken from the championships records, the points the student-athlete has contributed to the team's total may be deleted, the team standings may be adjusted accordingly and any awards involved may be returned to the Association. For those championships in which individual results are recorded by time, points or stroke totals (i.e., cross country, golf, gymnastics, indoor track and field, outdoor track and field, rifle, swimming and diving, and skiing), the placement of other competitors may be altered and awards presented accordingly. For those championships in which individual results are recorded by advancement through a bracket or head-to-head competition, the placement of other competitors shall not be altered. *(Revised: 8/15/89, 1/14/02, 4/28/05)*

(b) **Team Competition.** The record of the team's performance may be deleted, the team's place in the final standings may be vacated and the team's trophy and the ineligible student-athlete's award may be returned to the Association. *(Revised: 1/14/02)*

**31.2.2.4 Institutional Penalty for Ineligible Participation.** When an ineligible student-athlete participates in an NCAA championship and the student-athlete or the institution knew or had reason to know of the

ineligibility, the Committee on Infractions may prescribe a financial penalty. *(Revised: 1/8/01 effective 8/1/01, 4/15/14)*

**31.2.3 Ineligibility for Use of Banned Drugs.** See Bylaw 18.4.1.5 for the details related to ineligibility for use of banned drugs. *(Revised: 1/16/93, 1/9/96 effective 8/1/96, 1/14/97 effective 8/1/97, 4/15/03, 1/12/04 effective 8/1/04 for any athletics participation occurring on or after 8/1/04, 10/18/04 effective 8/1/05, 6/3/05, 6/9/05, 1/18/14 effective 8/1/14, 9/26/16)*

**31.2.3.1 Banned Drugs.** The following is the list of banned-drug classes. The Committee on Competitive Safeguards and Medical Aspects of Sports (or a designated subcommittee) has the authority to identify specific banned drugs and exceptions within each class. The institution and student-athletes shall be held accountable for all drugs within the banned-drug classes regardless of whether they have been specifically identified. *(Revised: 8/15/89, 7/10/90, 12/3/90, 5/4/92, 5/6/93, 7/23/97, 10/29/97, 1/8/01, 1/14/02, 1/6/06, 2/10/06 2/10/15, 5/28/15, 9/26/16)*

- (a) **Blood Doping.** The practice of blood doping (the intravenous injection of whole blood, packed red blood cells or blood substitutes) is prohibited, and any evidence confirming use will be cause for action consistent with that taken for a positive drug test. *(Revised: 9/26/16)*
- (b) **Gene Doping.** The practice of gene doping (the non-therapeutic use of cells, genes, genetic elements or of the modulation of gene expression, having the capacity to improve athletic performance) is prohibited, and any evidence confirming use will be cause for action consistent with that taken for a positive drug test. *(Adopted: 9/26/16)*
- (c) **Local Anesthetics.** The Board of Governors will permit the limited use of local anesthetics under the following conditions:
  - (1) That procaine, xylocaine, carbocaine or any other local anesthetic may be used, but not cocaine; *(Revised: 12/9/91, 5/6/93)*
  - (2) That only local or topical injections can be used (i.e., intravenous injections are not permitted); and
  - (3) That use is medically justified only when permitting the student-athlete to continue the competition without potential risk to his or her health. *(Revised: 8/15/89, 6/17/92, Adopted: 8/13/93, 7/23/97, 2/10/15)*

- (e) **Beta-2 Agonists.** The use of beta-2 agonists is permitted by inhalation only.
- (f) **Additional Analysis.** Drug screening for select nonbanned substances may be conducted for non-punitive purposes.

**31.2.3.1.2 Positive Drug Test—Non-NCAA Athletics Organization.** A student-athlete under a drug-testing suspension from a national or international sports governing body that has adopted the World Anti-Doping Agency (WADA) code shall not participate in NCAA intercollegiate competition for the duration of the suspension. *(Revised: 1/10/05 effective 8/1/05)*

**31.2.3.5 Individual Eligibility—Team Sanctions.** Executive regulations pertaining to team-eligibility sanctions for positive tests resulting from the NCAA drug-testing program shall apply only in the following situation: If a student-athlete is declared ineligible before an NCAA team championship or a postseason football game and the institution knowingly allows him or her to participate, all team-ineligibility sanctions shall apply (i.e., the team shall be required to forfeit its awards and any revenue distribution it may have earned, and the team's and student-athlete's performances shall be deleted from NCAA records). In the case of postseason football contests, the team's and student-athlete's performances shall be deleted from NCAA records. *(Revised: 1/10/90, 9/26/16)*

### **31.3 Selection of Teams and Individuals for Championships Participation.**

A list of the active institutions eligible for championships consideration shall be supplied by the NCAA president to the chair of each governing sports committee and to the athletics director of the host institution. This list should be observed carefully to assure that no entries are accepted from or invitations extended to ineligible institutions. *(Revised: 4/13/10)*

**31.3.1 The Championships Fields.** The size of all NCAA championships fields shall be established by the Championships Committee to provide for efficient management of the events, adequate NCAA championship opportunities relative to the nationwide quality of competition and sound economic administration of the financial resources of the Association and its championships. *(Revised: 8/13/93, 1/14/97 effective 8/1/97)*

**31.3.1.1 Principles of Establishing Bracket Sizes.** In team sports, overall bracket sizes shall be established based on an approximate access ratio of 1:6.5. In golf and tennis, the team portion of the bracket shall be based on an approximate access ratio in the range of 1:7 to 1:7.5 with the specific access ratio to be recommended by the NCAA Division III Men's and Women's Golf Committees and NCAA Division III Men's and Women's Tennis Committees, respectively, subject to approval by the NCAA Division III Championships Committee. The individual participant access ratio shall be determined according to Championships Committee policy (see Bylaw 31.3.1.1.1 for maximum bracket sizes). The overall team bracket size shall be determined by dividing the total number of active Division III institutions sponsoring the sport by 6.5 or the number specified for golf and tennis, and then adjusted as necessary by the Championships Committee. Bracket composition shall be based on three pools (A, B and C) and shall be established using the following principles:—*(Adopted: 1/13/03 effective 8/1/05, Revised: 1/10/05 effective 8/1/06, 1/9/06 effective 8/1/06, 1/13/10, 4/13/10)*

- (a) **Pool A**—Conferences that meet the automatic-qualification requirements per Bylaw 31.3.3. No conference shall receive more than one automatic berth per sport;
- (b) **Pool B**—Independent institutions plus institutions from conferences that do not meet the automatic-qualification requirements.
  - (1) **Eligible institutions.** The number of eligible institutions in Pool A (total number of institutions in conferences with automatic qualification) subtracted from the total number of active Division III institutions sponsoring the sport.
  - (2) **Available berths.** The number of institutions eligible in Pool B divided by the access ratio for Pool A (total number of institutions in conferences with automatic qualification divided by the number of Division III conferences with automatic qualification). *(Revised: 12/10/04)*
- (c) **Pool C**—Institutions in conferences with automatic qualification that are not the conference champion plus remaining independents and members of nonqualifying conferences. The number of Pool C berths is determined by subtracting Pool A and Pool B from the total bracket size. There shall be a minimum of two berths in Pool C.

**31.3.1.1.1 Maximum Bracket Size.** In team sports other than football, there shall be a maximum bracket size of 64. In football, there shall be a maximum bracket size of 32. *(Adopted: 1/9/06 effective 8/1/06)*

**31.3.2 In-Region Opponent Competition Requirements.** To be eligible for selection to Division III team championships, a minimum percentage [as defined in Bylaw 31.3.2-(a)-(c)] of an institution's scheduled regular-season contests shall be against in-region opponents. End-of-season conference tournaments and postseason competitions are not included in the in-region calculation, except for the sport of golf which shall include conference tournaments. The following are the minimum in-region requirements: *(Adopted: 4/15/14 effective 8/1/14, Revised: 4/14/15)*

- (a) In team sports other than golf and tennis—70 percent.

- (b) Golf—25-percent requirement. For multi-team tournaments, all opponents (as opposed to just the host institution) competing against an institution's team within a particular tournament or contest must be included as part of the 25 percent calculation.
- (c) Tennis—50-percent requirement. For multi-team tournaments, only those teams within a tournament or contest in which the team directly competes against shall be included in the 50 percent calculation.

**31.3.2.1 Waiver.** Institutions that fail to satisfy the in-region opponent requirement may appeal to the Championships Committee for a waiver. The waiver shall be approved on a sport-by-sport basis for a period of one year, and the request shall be received not later than December 31 of the year before the championship. If the Championships Committee grants the appeal, the institution may be considered for selection to Division III team championships. *(Adopted: 4/15/14 effective 8/1/14)*

**31.3.2.2 Countable In-Region Competition.** For selection purposes in team sports, golf and tennis that select at-large championship participants, competition is countable as in region when the institutions (active, provisional or reclassifying Division III) are located in the same established sport region or geographical region (see Constitution 4.13.1.1) or, within a 500-mile radius of each other (based on the NCAA Championship Travel Expense System calculation), or are members of the same conference. *(Adopted: 4/15/14 effective 8/1/14, Revised: 12/6/16)*

**31.3.2.3 Exception.** For sports with a spring NCAA championship, an institution may exempt out-of-region contests conducted during one institutional vacation period (e.g., spring break). *(Adopted: 4/15/14 effective 8/1/14)*

**31.3.3 Automatic Qualification [Pool A].** The Championships Committee and the governing sports committees annually shall award automatic qualification to those conferences that meet the requirements set forth herein. *(Revised: 1/14/97 effective 8/1/97, 1/12/99 effective 8/1/99 for championships selection during the 1999-00 academic year and thereafter, 4/13/10)*

**31.3.3.1 Requirements - Division Championship.** To be eligible for automatic qualification in a division championship, a member conference shall meet the following general requirements: *(Revised: 1/7/06, 4/13/10)*

- (a) Conference competition must be conducted in the applicable sport, and the conference champion in that sport must be determined not later than 6 p.m. local time of the competition on the date on which participants are selected for the NCAA championship. *(Revised: 8/13/93, 1/13/03)*
- (b) The conference shall have the responsibility of determining which team or individual shall represent the conference in NCAA competition. Any competition to determine such, shall not be considered NCAA championship competition. The method by which a conference determines its conference representative shall be declared at the time of the automatic-qualification declaration and shall be objectively outlined.
- (c) The conference must maintain and actively enforce compliance with eligibility rules at least as stringent as those in Bylaw 14 applicable to its members. The use of an ineligible player by a team in a conference that has been granted automatic qualification may result in the involved team being denied the right to be the automatic entry in the NCAA championship. *(Revised: 1/12/99 effective 8/1/99)*
- (d) Institutions that are members of more than one conference for a particular sport must declare on a three-year basis which conference they will participate in for automatic-qualification purposes and may participate in only that conference's process (e.g., constitute one of the seven institutions necessary for the waiting period or to maintain the automatic qualification) to determine the automatic qualifier. To participate in the process to determine the automatic qualifier, the institution shall be eligible per Bylaw 31.2.1. *(Adopted: 12/5/94, Revised: 1/12/99 effective 8/1/99 for championship selection during the 1999-00 academic year and thereafter)*
- (e) All eligible member institutions must agree to participate in the appropriate NCAA championship, unless institutional policy conflicts with the dates of the championship, and the institution advises the appropriate sports committee before the start of the season of its decision not to participate. *(Revised: 1/12/99 effective 8/1/99 for championship selection during the 1999-00 academic year and thereafter)*
- (f) A conference that meets the automatic-qualification requirements and is eligible to be selected to a championship via Pool A and/or Pool C may not elect instead to be selected via Pool B. *(Adopted: 1/4/02)*
- (g) The Championships Committee, upon recommendation of the governing sports committee, may revoke the conference's automatic qualification privilege for that year for failure to satisfy any of the requirements set forth in 31.3.3.1(a)-(f).
- (h) Institutions must satisfy institutional eligibility requirements set forth in Bylaw 31.2.1 (including the in-region opponent competition requirement). *(Adopted: 1/16/13 effective 8/1/13, Revised: 4/15/14 effective 8/1/14)*
- (i) Impact of Nullification on Automatic Qualification for Use of an Ineligible Student-Athlete. The Championships Committee may impose a penalty on an institution's team for permitting an ineligible student-athlete to participate in intercollegiate competition. An institution that receives a nullification penalty may be denied the right to participate in the applicable NCAA championship. *(Adopted: 1/17/15 effective 8/1/15)*

**31.3.3.1.1 Additional Requirements—Multisport Conference.** A member conference that conducts competition in more than one sport shall also satisfy the following to be eligible for automatic qualification: (Adopted: 4/13/10)

- (a) Complete a two-year waiting period, which requires for two consecutive academic years before being eligible for the automatic-qualification privilege, the following: (Adopted: 1/12/04, Revised: 10/20/06)
  - (1) Been a member conference of the Association. No waivers of this provision shall be granted; (Revised: 12/6/92, 4/15/03)
  - (2) Conducted competition in the sport in question; and (Revised: 1/12/04)
  - (3) Maintained seven consistent conference members that sponsored the sport on a varsity intercollegiate basis, provided:
    - (i) Each of the seven conference members were active Division III institutions or institutions in the final two years of the NCAA Division III provisional or reclassifying membership process;
    - (ii) At least four of the seven members were core institutions per Bylaw 31.3.3.1.4; and

- (d) The highest-seeded team that meets all selection criteria shall be selected as the host institution, provided geographic proximity is maintained.

An institution and any individual subject to the NCAA constitution and bylaws involved in a case, including any representative or counsel, shall not make public disclosures about the case until a final decision has been announced in accordance with prescribed procedures. *(Revised: 1/11/94, 1/12/04, 1/11/08, 4/11/11, 3/13/15)*

**32.1.2 Conflict of Interest.** A member of the Committee on Infractions or the Infractions Appeals Committee shall neither appear at the hearing or oral argument, nor participate on the committee, when the member is directly connected with an institution under investigation or has a personal, professional or institutional affiliation that reasonably would result in the appearance of prejudice. It is the responsibility of the committee member or members of the Infractions Appeals Committee to remove himself or herself if a conflict exists. Objections to the participation of a committee member or an Infractions Appeals Committee member, should be raised as soon as recognized, but will not be considered unless raised at least one week in advance of the affected hearing or oral argument. *(Revised: 1/16/93, 1/11/94, 1/12/04, 7/26/11)*

**32.1.3 Cooperative Principle.** The cooperative principle imposes an affirmative obligation on each institution to assist the enforcement staff in developing full information to determine whether a possible violation of NCAA legislation has occurred and the details thereof. An important element of the cooperative principle requires that all individuals who are subject to NCAA rules protect the integrity of the investigation. A failure to do so may be a violation of the principles of ethical conduct. The enforcement staff will usually share information with the institution during an investigation; however, it is understood that the staff, to protect the integrity of the investigation, may not in all instances be able to share information with the institution. *(Adopted: 1/8/05)*

**32.2.1.1 Staff Initiation of Investigation.** The enforcement staff may initiate an investigation on its own motion when it receives information that an institution is, has been, or may have been in violation of NCAA legislation. *(Revised: 1/12/04, 4/11/06)*

**32.2.1.2 Self-Disclosure by an Institution.** Self-disclosure shall be considered in calculating penalties, and, if an institution uncovers a violation before being reported to the NCAA and/or its conference, such disclosure shall be considered as a mitigating factor in calculating the penalty. *(Revised: 10/12/94, 4/15/14)*

**32.2.2 Investigative Procedures.** The Committee on Infractions shall provide general guidance to the enforcement staff through approved and established investigative and administrative procedures. *(Revised: 6/2/17)*

**32.2.2.1 Initial Enforcement Staff Responsibilities.** The enforcement staff is responsible for evaluating information reported to the NCAA staff to determine whether the possible violation should be handled by cor-

respondence with the involved institution or its conference, or whether the enforcement staff should conduct its own in-person inquiries.

**32.2.2.1.1 Basic Information Gathering.** The enforcement staff has a responsibility to gather basic information regarding possible violations and, in doing so, may contact individuals to solicit information. If information indicating a potential NCAA violation believed to be reliable is developed, the procedures provided in Bylaw 32.5 (Notice of Inquiry) are undertaken. *(Revised: 1/12/04)*

**32.2.2.1.2 Identification of Major/Secondary Violation.** The enforcement staff shall identify information developed by it or self-reported by the member institution as involving alleged major or secondary violations (as defined in Bylaw 19.02.2). The staff shall have the discretion to submit information to the Committee on Infractions, or a designated member of the Committee on Infractions, for an initial determination of how that information should be processed. *(Adopted: 1/12/04, Revised: 4/11/06)*

**32.3.2 Timely Process.** The enforcement staff shall make reasonable efforts to process infractions matters in a timely manner. *(Adopted: 1/12/04)*

**32.3.3 Conflict of Interest.** Any enforcement staff member who has or had a personal relationship or institutional affiliation that reasonably would result in the appearance of prejudice should refrain from participating in any manner in the processing of the involved institution's or individual's infractions case. *(Adopted: 1/12/04)*

**32.3.4 Interviews with Member Institution.** The director of athletics or other appropriate official of an institution shall be contacted by the enforcement staff in order to schedule interviews on the institution's campus with enrolled student-athletes, or other institutional staff members with athletically related responsibilities or oversight, or coaching staff members who are involved in possible violations at the institution. *(Revised: 1/12/04)*

**32.3.4.1 Presence of Institutional Representative During Interview.** If an interview with an enrolled student-athlete or athletics department staff member is conducted on the campus of a member institution, an institutional representative(s) (as designated by the institution) will be permitted to be present during the interview, provided the subject matter to be discussed in the interview relates directly to the individual's institution or could affect the individual's eligibility or employment at the institution. If the investigator wishes to discuss information with a student-athlete or staff member that is related solely to institutions other than the one in which the student-athlete is enrolled or staff member is employed and would not reasonably affect the student's eligibility or the staff member's employment, the institutional representative shall not be present during that portion of the interview. In such a situation (after the institutional representative has departed), any information inadvertently reported by the student-athlete or the staff member that is related to his or her own institution shall not be used against the student-athlete, staff member or that institution. *(Revised: 1/12/04)*

**32.3.4.2 Conflict with Academic Schedule.** If possible, interviews should be conducted without disrupting the normally scheduled academic activities of the student-athlete. *(Revised: 1/12/04)*

**32.3.5 Proper Identification of NCAA Staff Member.** In no case shall an enforcement staff member misrepresent the staff member's identity or title.

### **32.3.7 Notice Requirements.**

**32.3.7.1 Disclosure of Purpose of Interview.** When an enforcement staff representative requests information that could be detrimental to the interests of the student-athlete or institutional employee being interviewed, that individual shall be advised that the purpose of the interview is to determine whether the individual has knowledge of or has been involved directly or indirectly in any violation of NCAA legislation. *(Revised: 1/12/04, 4/11/06)*

**32.3.7.2 Responsibility to Cooperate.** At the beginning of an interview arranged or initiated by the enforcement staff, a prospective or enrolled student-athlete or current or former institutional staff member shall be advised that refusing to furnish information or providing false or misleading information to the NCAA, conference or institution may result in an allegation that the individual has violated NCAA ethical conduct legislation (see Bylaw 10.1). *(Adopted: 4/11/06, Revised: 5/12/17)*

### 32.3.8 Limited Immunity.

**32.3.8.1 Athletics Personnel.** At the request of the enforcement staff, the Committee on Infractions may grant limited immunity to a current or former institutional employee with responsibilities related to athletics based on information that the employee reports when such an employee otherwise would be subject to disciplinary action as described in Bylaws 19.5.1-(c) and 19.5.2. Such immunity shall not apply to the employee's involvement in violations of NCAA legislation not reported or to future involvement in violations of NCAA legislation by the employee or to action taken by an institution. (*Revised: 10/12/94, 1/12/04, 4/11/11, 10/17/11, 6/1/16*)

**32.3.8.2 Student-Athlete or Prospective Student-Athlete.** At the request of the enforcement staff, the Committee on Infractions may grant limited immunity to a student-athlete or prospective student-athlete when such an individual otherwise might be declared ineligible for intercollegiate competition based on information reported to the enforcement staff by the student-athlete, a prospective student-athlete or a third party associated with the student-athlete or prospective student-athlete. Such immunity shall not apply to the individual's involvement in violations of NCAA legislation not reported or to future involvement in violations of NCAA legislation by the individual or to any action taken by an institution. **32.3.9.1 Recordings.** It is preferable that an interview conducted by the enforcement staff be recorded through the use of a mechanical device. If an interviewee objects to being recorded, however, or the enforcement staff believes the use of a recording device would have an inhibiting effect on the interviewee, a summary of the information reported shall be prepared per Bylaw 32.3.9.2. (*Adopted: 1/8/01, Revised: 4/11/06, 7/24/07*)

**32.3.9.1.1 Access to Recordings and Transcripts.** Both the enforcement staff and the interviewee may record the interview or the interviewee may receive a copy of the recording and if prepared by the enforcement staff, the interview transcript, subject to the confidentiality provisions of Bylaws 32.3.9.1.4 and 32.3.9.2.1. Recorded interview summaries and any report prepared by the enforcement staff are confidential and shall only be provided to interviewees (and their institutions) except as set forth in Bylaws 32.3.9.2 and 32.6.4. **32.3.9.1.4 Statement of Confidentiality.** Individuals and institutional representatives shall be required to agree not to release recording or interview transcripts to a third party. **32.3.9.2 Non-Recorded Interviews.** When an interview is not recorded or if the recording device malfunctions, the enforcement staff shall prepare a written summary of the information and attempt to obtain a signed affirmation of its accuracy from the interviewee. The interviewee shall be permitted to make additions or corrections to the memorandum before affirming its accuracy. In order to obtain the interviewee's signature, the enforcement staff may provide a copy of the unsigned summary to the interviewee and his or her counsel. After the summary is signed, the interviewee and his or her counsel may receive a signed copy. Testimony as to

the substance of an unrecorded interview for which a signed affirmation was not obtained may nevertheless be considered by the Committee on Infractions to the extent the committee determines the testimony to be reliable. (Adopted: 1/8/01, Revised: 1/12/04, 8/3/06, 7/21/08)

**32.3.9.2.1 Confidentiality of Non-Recorded Interview Documents.** Copies of non-recorded interview summaries and any report prepared by the enforcement staff are confidential and shall not be provided to individuals (or their institutions) who may be involved in reporting information during the process of an infractions case except as set forth in Bylaws 32.3.9.2, 32.3.10 and 32.6.4. Failure to fully implement the self-imposed measures may subject the institution to further disciplinary action by the NCAA. (Revised: 10/12/94, 1/12/04, 4/15/14)

**32.4.2 Action Taken by Enforcement Staff (Not Institution or Conference).** If the enforcement staff, after reviewing the information that has been developed and after consulting with the member institution involved, determines that a secondary violation has occurred, the enforcement staff may conclude that no penalty is warranted or prescribe an appropriate penalty (see Bylaw 19.5.1). Failure to fully implement the self-imposed measures may subject the institution to further disciplinary action by the NCAA. (Revised: 1/12/04, 4/15/14)

**32.4.3 Appeal of Secondary Violations.** A member institution or involved individual may appeal to the Committee on Infractions penalties prescribed by the enforcement staff for a secondary violation by submitting a notice of appeal through the online reporting system for secondary violations within 15 days after receipt of the enforcement staff's decision. An institution that self-reports a violation may appeal a penalty prescribed by the enforcement staff, but not the violation. An institution or an involved individual subject to a show-cause order may request the opportunity to appear in person or by video or telephone conference. If no such request is made, or if the request is denied, the committee will review the institution's appeal on the basis of the written record. The committee shall not deny an involved individual's request to appear in person if a show-cause order was prescribed. (Adopted: 6/3/05, Revised: 4/15/14, 10/21/14)

**32.4.3.1 Stay of Penalties.** If a notice of appeal is filed within the deadline, unless ordered otherwise by the Committee on Infractions, any penalties prescribed by the enforcement staff that have been appealed shall be stayed during the pendency of the appeal. (Adopted: 10/21/14)

Involved individuals who have submitted a response must also share their response with the involved institutions or other involved individuals as necessary. If the information does not meet the definition of "new information" per Bylaw 19.02.3 or if the "new information" would not have materially affected a decision made by the Committee on Infractions, the information shall not be included in the record on appeal and shall not be considered by the Infractions Appeals Committee; and *(Adopted: 1/11/08, Revised: 6/1/16)*

**32.11.2 Consideration by Infractions Appeals Committee.** The Infractions Appeals Committee shall consider the statements and information presented and, at the discretion of any of its members, may question representatives of the institution, the Committee on Infractions or enforcement staff, as well as any other persons appearing before it, in order to determine the issues related to the appeal.
